Message from the Principal:

Owasso Eighth Grade Center Parents,

The Office of Educational Quality Accountability provides statistical information each year regarding Owasso Public Schools that is intended to give you a comprehensive view of not only the Owasso Eighth Grade Center's test scores but valuable demographic and community information. Beginning this year, OEQA combined school and district reports into the newly redesigned 2017 School Profile.

The School Profiles for Owasso Public Schools and the Owasso Eighth Grade Center will be made available at www.EdProfile.info, www.SchoolReportCard.org and posted on our website at www.owassops.org.

The information in the School Profile reflects the data from the 2017 school year and gives an overall picture of our school community and a snapshot of our student performance on the state tests. The state of Oklahoma adopted much higher performance standards in 2017. The test results are therefore not comparable to those from previous years.

The 2017-2018 school year has been a great year. We appreciate your continued support.

Alton D. Lusk
