

Hi Families,

Every school day counts, and every day a student is absent results in a missed opportunity for learning, as well as a loss of resources for our school. Our goal is for all students to have no more than 7 absences all year. We need your help to reach this goal.

“I Rise. I Attend. I Matter.” is our campaign to encourage each student to rise, attend every day, and create a life of meaning and purpose.

Together, let us promote a healthy lifestyle and let’s talk to our students regularly about the importance of their education. Let’s partner together, celebrate successes and stay connected.

Each month we will celebrate students with Perfect Attendance. On time, everyday, ready to learn!

In Partnership,
Jose A. Castellanos Leadership Team
