School Information

Activities

SHS offers a wide variety of activities. Among these are clubs, performance groups, and athletics. Because participating in extracurricular activities is a privilege, high standards are expected. For a list of clubs and organizations, please refer to the SHS website.

Arrival at school

Sycamore High School will open each day at 7:15. Clubs will meet and breakfast will be served between 7:15 a.m. and 7:40 a.m. All students are to be in first period by 7:45 am. Please remember that cars are not allowed in the bus loading/unloading lanes in front of the school between 7:00 a.m. and 7:40 a.m.

Attendance

Basic information appears below. Please refer to the Cheatham County Schools website for the complete Attendance Policy (#6.200) and accompanying Administrative Procedure 6.200.1.

While we know that regular school attendance is beneficial for students, it is also required by law. The Tennessee Compulsory Attendance Law requires all school-aged children to attend school. The law also states that it is **the duty of the parent or guardian to monitor the student's school attendance and to require the student to attend school.**

Please note that Cheatham County Board of Education policy 6.200 classifies excused absences, with proper documentation, as the following:

Personal illness; Illness of immediate family member; Death in the family; Extreme weather conditions; Religious observances; College visits; Pregnancy; School sponsored or school endorsed activities; Summons, subpoena, or court order; or Circumstances which in the judgment of the principal create emergencies over which the student has no control. Additionally, Cheatham County Schools allows up to five (5) parent days per year.

All other absences, or absences without proper documentation, are considered to be unexcused and will be recorded accordingly.

Progressive Truancy Intervention Plan

In accordance with Attendance Policy 6.200 and Administrative Procedure 6.200.1, Sycamore High School will maintain a Progressive Truancy Intervention plan consisting of three tiers. The plan is "progressive" in that, the more absences a student accumulates, the more interventions must be put in place. Interventions will include student conferences, parent contacts, parent conferences, attendance contracts, attendance assessments, and ultimately, referral to the Student Attendance Board. From that point, students/families are subject to interventions as outlined in the above mentioned policy and procedure.

In order to comply with attendance expectations and avoid interventions, students should make every reasonable attempt to be at school every day. This does not mean students should come to school with contagious illness. We understand that some absences are warranted and may qualify as excused. If a student must be absent from school, the student should give an excuse note to the front office upon

return to school. If you have any questions regarding student attendance, please contact the attendance secretary.

Make Up Work

- Ask the teacher or other students what you missed.
- If you have questions about assignments, check with the teacher at an appropriate time. Do the work at home.
- If you missed a test because of an excused absence, inform the teacher and arrange a time to make up the test during or after school.
 - » You will have one day to make-up work for every day you are absent.

Students with an absence of any kind will be responsible to ask teachers for any work missed during the absence. The time for completion of the makeup work shall be from three (3) to fifteen (15) days at the discretion of the teacher(s), depending on the amount of time the student is absent. If the parent/guardian or student feels that the completion time allowed by the teacher is insufficient, they may appeal the length of time to a school administrator.

Students who are not present or are more than 10 minutes late during first period will be added to the daily absentee list, and the absence will be sent through School Reach messaging. All absences are reported to the County Attendance Supervisor's office. Students who are frequently absent will be sent to the Truancy Board.

If students are late to school, they are required to sign in at the front office and receive an "admit slip" to class. **This does not exempt students from being counted as tardy.**

Tardiness

Students are expected to be on time to every class. This starts with the expectation of being in first period when the 7:45am bell rings. Students will have five minutes to transition to each class. There is a one-minute warning bell before the tardy bell rings as a reminder for students to be inside the classroom at the schedule time. Tardies will be tracked in Skyward. Please note the following disciplinary consequences for tardies:

- 3 tardies = Lunch Detention
- 3 more tardies (6) = Tough Tuesday*
- Every subsequent 3 tardies (9, 12, 15,...) = Tough Tuesday (each occurrence of 3 tardies)
- 3 tardies in a single day = ISS due to multiple disruptions to the school day

*Tough Tuesday

Tough Tuesday is used as a consequence for tardies, as outlined above. Tough Tuesday occurs on Tuesdays from 3:00-4:30 in the library. Students assigned to Tough Tuesday must arrive in the library no later than 3:00 and will be dismissed at 4:30 promptly. Students are expected to arrange their own transportation upon dismissal from Tough Tuesday at 4:30. During this time, students are expected to bring academic work and will have access to tutoring services from teachers in the library.

Failure to Attend

If a student is assigned Lunch Detention due to having 3 tardies, it is the student's responsibility to report to Lunch Detention at the start of his/her lunch session. **If the student fails to report to Lunch Detention, the student will be assigned ISS the next day. Discipline points will be applied.**

If a student is assigned Tough Tuesday due to too many tardies, it is the student's responsibility to make arrangements to attend. If, for valid reasoning, a student is unable to attend the assigned Tough Tuesday, the student must notify the office of the reason **in advance (before the assigned Tough Tuesday)** and will be assigned an alternate consequence. Not all situations will be excused and eligible for alternate consequence. **If the student fails to attend Tough Tuesday without advance notice, the student will be assigned ISS the next day. Discipline points will be applied.**

Attendance and Tardiness are both factors in parking permit eligibility. Please review the Parking Permit Contract for specific parameters which affect eligibility.

Cafeteria/School Nutrition

Nutritious breakfast and lunches are available from the cafeteria. The school cafeteria sets the price for school breakfast at \$2.00 and lunch at \$3.00 for all middle and high schools. Other food/beverage items may be sold A' la Carte for various prices in the cafeteria, depending on the specific item. Remember you may add payments online through the REVTRAK program (<https://cheathamcountyschools.revtrak.net>) to make payments. Directions for accessing this site are available on the SHS website. You may limit the amount of funds your child uses in his/her meal account online. You may access directions for this process on the SHS website. If meals have been charged, you should make financial arrangements to repay the amount quickly. All households are encouraged to complete a lunch application for free/reduced lunches. Letters are sent home with each student at the beginning of each year.

Students may bring their lunches from home, but glass bottles are not allowed in the building. **NO** food is to be removed from the cafeteria. **Outside food is prohibited from being brought in the cafeteria.** (Does not include sack lunches.) *If food is brought in from outside it may be picked up at the end of the school day, however, it will not be refrigerated and will not be delivered during lunch or class time.*

- **Students may not leave for lunch nor have outside food delivered to school for lunch.**
- Free and Reduced Applications for School Meals are available at each school and on the Board of Education website. **If you have any questions you may call the School Nutrition Department at 792-6885, Ext. 211.**

Meal Charge Administrative Procedure 3.500.1

Please refer to the complete document on the CCBOE online policies. Below are pertinent highlights.

General

Students who are unable to pay for their meals at the time of the meal service are allowed to charge:

- ✓ Breakfast
- ✓ Lunch

Students charging breakfast and/or lunch will receive reimbursable meals.

Charge limits

The number of charges allowed for all students is \$10.00. Once the student reaches the allowable \$10.00 in charges, negative balance notifications will be sent to parents to collect payments.

Household Notification

Low balance notification: Parents may enable low balance notifications through the Parent Portal in Skyward in order to receive automatic emails whenever the student's food service account balance falls below \$5.00.

Negative balance notification: The Cheatham County School District will notify households weekly of negative balances by calling parents and/or sending printed notifications home with the students. All parents are expected to make payments on their student's account. Actions may be taken to recoup any money owed.

Delinquent Debt

Delinquent debt is defined as overdue unpaid meal charges that are considered collectable, with efforts being made to collect them. The debt may remain on the accounting documents until it is either collected or determined to be uncollectable.

Repayment plans

Each household may request a repayment plan that will include payment levels and due dates appropriate to a household's particular circumstances. Please contact Tracy Wright, (615) 746-1411, tracy.wright@ccstn.org for establishing a repayment plan.

Dismissal From School

Dismissal for students will be at 2:45 p.m. unless the school is operating on an adjusted schedule. Bus riders will dismiss to the front of the building, while car riders will dismiss to the back of the building. Cars are not allowed in the bus loading/unloading zone in front of the school between 2:30 p.m. and 3:10 p.m. All students who are not supervised should be out of the building and off campus by 3:15 p.m.

In order to be dismissed early, the student **must** bring a note to the attendance secretary before first period indicating the following:

- reason for dismissal
- time of dismissal
- and a valid telephone number where a parent/guardian can be reached. **Students will not be dismissed over the phone without prior written documentation.**

Duty to Report

- In accordance with state law, **a student already enrolled or one who enrolls in a Cheatham County School who has been convicted of a felony offense must report that offense to the principal at the time of enrollment or at the beginning of the school year.** The parent has the same obligation if the child is under the age of 18.
- Any student who becomes aware of a developing situation that can reasonably be expected to result in injury or harm to another person, student or adult, has a duty to report such knowledge to a teacher, administrator or responsible adult.
- It is a felony for any adult who has knowledge of a student having a firearm on campus not to report that fact to an administrator, a teacher, or other responsible adult.

Exam Policy (Board Policy # 4.6001)

Examinations shall be administered to students in grades 9-12 at the end of the first and the end of the second semester in non-End of Course courses. The examination grade shall have a weight of 1/5th (20

percent) of the first semester grade for each course and second semester grade for non-End of Course courses. Any middle school student taking a course for high school credit must follow guidelines for the high school course. Teachers of CTE and fine arts courses have the option of assigning course projects in lieu of semester examinations. A mid-term/ final exam will be given each semester. Any student with a 93% average or higher in the year end average at the time of exam may be exempt from exam.

Exam Make-up Work Procedures

Students who are absent during an exam must make an appointment with the teacher to make up the exam.

When possible, the mid-term make-up exam can be taken during exam week at another testing time. If that is not possible, the mid-term make-up exam should be taken within one week of returning to school after break.

Final exams need to be made up during exam week if at all possible because we need to finalize grades before teachers leave for summer break. If make-up exams cannot be taken during Final Exam Week, then zeroes will be recorded until the make-up exam is taken, graded, and recorded in skyward. Students should contact their teachers during Final Exam Week to schedule a day for the exam. Teachers will then coordinate with Administration.

Grading

SHS is committed to the notion that a grade should be a clear reflection of a student's achievement for a given academic standard. Because of this, you may frequently hear the term, "Standards-Based Grading", meaning everything graded is tied to a specific academic standard set forth by the State of Tennessee for each course. Although each course may have specific grading criteria and methods, students should expect the following from all courses:

- All grades will be tied to academic standards.
- Students are expected to complete coursework as assigned within the allotted time.
- Students will be given retake opportunities for up to 2 weeks after a grading period has ended, excluding 4th quarter, in order to demonstrate better performance if the initial grade is undesirable to the student.
- Retakes will not be given for mid-term or final exams.
- Students wishing to have a retake opportunity must first complete the teacher's written contract and accompanying requirements.

Grade Scale is as follows:

A 93-100

B 85-92

C 75-84

D 70-74

F 69 or Below

Grades will be visible in Skyward throughout each term. Printed progress reports and report cards will be distributed in the middle and at the end of each quarter, respectively. Exact dates for printed grade reports may be found in the School Calendar on page 4. Please call or e-mail the counseling center if you have questions concerning the progress reports.

Honor Policy

- Cheating is a serious offense. Any student who is caught cheating, aids another in cheating, and/or is found to be in possession of tests, quizzes, or any material that aids them in cheating will have their parent contacted and be subject to disciplinary action, including ISS.
- The incident will be reported in Skyward. A student with Honor Policy violations may be subject to forfeiting any honors awarded for academic performance, including Honor Cords for graduation.
- Using material from the Internet or other sources without citing is plagiarism. Teachers will instruct students on how to appropriately use information from the Internet and will explain plagiarism.

Sycamore students shall embrace the courage to conduct themselves with INTEGRITY and HONESTY in every circumstance. We will treat all individuals with RESPECT and DIGNITY, celebrating the differences that make us unique.

Locks and Lockers

Each student may be assigned a locker. Students must provide their own combination lock. Students must provide the combination or a spare key to their first period teacher. Students should only use the locker assigned to them. Students are fully responsible for the contents of their lockers, with or without a lock. If access to a student locker is required, a student's lock may be cut or removed.

Medicines Policy #6.405

If under exceptional circumstances a child is required to take non-prescription or prescription medication during school hours and the parent cannot be at school to administer the medication, only the principal or the principal's designee will assist in self-administration of the medication if the student is competent to self-administer medicine with assistance in compliance with the following regulations: **Parents must have the form completed and signed by the doctor.**

Written instructions **signed by the parent** or legal guardian will be required and will include:

1. Child's name;
2. Name of medication;
3. Name of physician;
4. Time to be self-administered;
5. Dosage and directions for self-administration (non-prescription medicines must have label direction and be unopened);
6. Possible side effects, if known; and
7. Termination date for self-administration of the medication.

The medication must be delivered to the school office in person by the parent or legal guardian of the student unless the medication must be retained by the student for immediate self-administration. (i.e. students with asthma).

Volunteer personnel, trained by a registered nurse, may administer glucagon in emergency situations to a student based on that student's Individual Health Plan (IHP).

The administrator/designee will:

1. Inform appropriate school personnel of the medication to be self-administered;
2. Keep written instructions from parent or legal guardian in student's record;
3. Keep an accurate record of the self-administration of the medication;
4. Keep all medication in a locked cabinet except medication retained by a student per physician's order;
5. Return unused prescription to the parent or legal guardian only; and
6. Ensure that all guidelines developed by the Department of Health and the Department of Education are followed.

The parent or legal guardian is responsible for informing the designated official of any change in the student's health or change in medication.

Prom

1. All SHS students attending the SHS Junior-Senior Prom must be in good academic standing, not credit deficient nor currently failing **any** course for the year.
2. Any student who has acquired 90 or more discipline points will have his/her record reviewed for permission to attend. **Note:** Non-SHS students will be subject to the same scrutiny.
3. At principal's discretion, severe behaviors could result in non-attendance at prom (may include but not limited to pranks, vandalism, threats, assault, cheating, etc.).
4. Any student who has 10 or more unexcused absences will lose the right to attend prom.
5. Any student who is assigned to the alternative school for any reason will lose the right to attend prom during that school year.
6. Prom is intended for students in their junior and senior year of high school. All non-student guests must be approved in advance by administration on a form provided by the school, must be between the ages of 15 and 20, and must show ID at the gate at prom. If the guest is a student at another school, the guest must have a signed eligibility form from the guest's school administrator.
7. Students must sign a contract with the purchase of tickets.
8. Prom tickets will not be refunded.

Skyward

Parents/students can access grades and monitor academic progress via the Skyward portal found on the Cheatham County School Board website at <http://cheatham.k12tn.net/>. Access codes can be obtained through the Sycamore High School counseling center.

Student Driving/Parking on Campus

Driving on campus is a privilege. Beginning in the student's **sophomore year**, students will be given the privilege of applying to drive on campus, as space and eligibility allow.

Parking Permit Guidelines:

1. An **annual permit will cost \$20**. After Spring Break, the cost of a permit will be \$15 for the remainder of the year.
 - a. Discounts will be honored for students who score 21 or higher on the ACT as follows:
 - i. Score of 21 – 23 = \$15.00 (\$5 off)
 - ii. Score of 24 – 25 = \$10.00 (\$10 off)
 - iii. Score of 26 – 27 = \$5.00 (\$15 off)
 - iv. Score of 28 or higher = FREE
2. Parking permits must be displayed at all times. **Vehicles without a permit may be towed at the owner's expense.**
3. Parking permits are valid only for those students and vehicles listed on the parking permit application.
4. **Vehicles without a permit may be towed at the owner's expense.**

Driving Privileges:

1. The student must come into the building immediately after parking; no loitering in vehicles on campus.

2. The student must not transport another student under the age of 18 without the knowledge and consent of that student's parents. Students must always sign out at the front office.
3. The student must abide by the parking regulations listed on the parking permit.
4. The student must park only in the **assigned parking spot**.
5. All cars must be moved from back parking area for band practice prior to 3:15 pm each day.
6. Because parking on campus is a privilege, students are expected to maintain minimum standards in grades, behavior, and attendance. Eligibility requirements include, but are not limited to, the following: **Grades** (must not fail 2 or more classes at the end of each quarter); **Behavior** (must not be out of school suspended, prosecuted, or assigned to alternative school; must not exceed 50 discipline points per semester); **Attendance** (must not reach 5 unexcused absences and/or 8 tardies/sign-outs per semester). If a student fails to meet these standards, the administration reserves the right to revoke parking privileges without a refund of fees. *The principal may suspend or revoke a permit as a disciplinary sanction.

Parking passes will be issued on a first-come, first-serve basis. We will not reserve parking passes for any student: if a student cannot come to school the day passes are sold, a proxy may come instead as long as we have a copy/picture of the student's valid driver's license, proof of insurance, and the signed application form. The application form must have parent/guardian signature and student signature, or else we cannot issue a pass. Each student parking on campus must abide by Sycamore High School driving policy, regulations, and guidelines.

When a parking pass is revoked, the student must turn in the parking pass to administration to keep until it is reissued. A meeting will be scheduled with the student to discuss goals and reasons for being tardy. If a student parks on campus during the time the parking pass is revoked, the vehicle will be towed at the owner's expense.

Fines/Violations

- Any violation of state law is subject to citation or other consequences.
- Repeated violations, moving violations, and/or failure to pay violation fees in a timely manner may result in suspension or revocation of a parking permit.

Examples of violations and resulting penalties (which are at the discretion of the principal or designee) include but are not limited to the following:

- \$5.00 fine: Failure to display permit or having an invalid permit
- \$10.00 fine: Parking in an unauthorized area or space
- \$20.00 fine: Moving violations including, but not limited to
 - Squealing tires
 - Speeding or driving too fast for conditions as determined by staff
 - Passing on campus
 - Failure to yield
 - Failure to follow directions
 - Having passengers in a pick-up truck bed
 - Using vehicle to leave campus without permission or for transporting students who are skipping school
 - Violations on campus reported by bus drivers
- \$30.00 fine: Failure to purchase a permit (parking on campus without purchasing a parking pass)

Please note:

- ❖ A student can lose his/her parking privilege as a result of attendance and/or behavior issues. **Driving on campus is a privilege, not a right.** If students lose their parking privileges and continue to drive on campus, their cars will be towed at their expense.
- ❖ Vehicles parked on school property, by any person, are subject to search.
- ❖ Vehicles driven on campus without permission may be towed at the owner’s expense.

Teacher Conferences

Your parent/guardian may leave a message for a teacher by contacting the front office. You may leave voice mail at the teacher’s extension. While teachers will not be able to take calls during class time, calls will be returned during planning time, before, or after school. E-mail is often an effective tool for maintaining communication with faculty members. E-mail addresses can be found on the school web site.

Testing

Students will be required to participate in several state and local tests throughout the school year. The following chart details what tests will be administered, when, and which group of students will be participating. State/National tests are tentative dates from the TN Department of Education website.

Assessment Name	Student group	Semester	2019-2020 Administration Window

5. NO visitors will be allowed to exit office and enter school building without valid Visitor Badge and/or staff escort.
6. Visitors are not allowed to photograph, video, or record any students, staff, or event on any electronic device that will interrupt the educational process during the day.

SHS Behavior Expectations

Sycamore High School has high expectations for student conduct any time the student is on campus or at a school activity. Every teacher and adult is expected to help maintain a safe and productive learning environment for you and all students. In order for this to occur, you should consider all teachers and adults “your authority” and respond accordingly when they ask you to comply with school rules.

1. Students are expected to abide by all school rules and board policies.
2. Fighting will not be tolerated. Fighting will result in a minimum of 3 days OSS and possible legal action.
3. Students will use appropriate language. They will not use profanity; express derogatory and inflammatory statements to others; nor raise their voices to a level that is disruptive. Racial or ethnic slurs or other words or material generally perceived to be demeaning, offensive, or inflammatory to a particular race, ethnic group, group or gender is not permitted.

6. Students will only be permitted to use the front doors to enter and leave the building from 7:45 AM – 2:45 PM or until dismissal. Students will not be allowed to enter or leave from any outside door during the school day for class change. In addition, students will not open these doors so that someone may enter then building.
7. The only appropriate display of affection at school is holding hands and/or a brief hug. Other behaviors may be deemed as PDA and subject to disciplinary action.
8. Students should take care of their learning environment and should not litter.
9. Students may not take food or drinks in to the computer lab, theater, or library.
10. Students will dress according to the guidelines listed under “Student Dress.”

Alcohol and Drug Use/Testing (Policy #6.307)

- Students will not possess, distribute, or be under the influence of illegal drugs or alcoholic beverages in school buildings or on school grounds, school vehicles, or at any school-sponsored activity at any time whether on or off school campus.
- Students will not market or distribute any substance that is represented to be or is substantially similar in color, shape, size, or markings to a controlled substance.
- Upon information that a student is suspected of violating this policy, the principal/designee shall be notified immediately. If it is determined that the policy has been violated, the

principal/designee shall notify the parent and appropriate law enforcement officials. The student shall be subject to the Zero Tolerance Policy and be subject to a one calendar year suspension.

Principals or their designee are authorized to order drug tests for individual students when there is a reasonable suspicion to believe:

- The school board policy on alcohol and drug use has been violated.
- A search of lockers, vehicles, persons, and/or containers produced evidence of the presence of drugs and/or alcohol.
- Through observation and or other reasonable information reported by a teacher, staff member or other student that a student is using drugs and/or alcohol on school property.

Upon reasonable suspicion based on the criteria referenced above, the principal shall take the following steps:

1. Call the student into the principal's office or other private place;
2. Notify the parent or guardian of the student's impending test;
3. Summon a school health professional to the proceeding and to assist in furtherance of the proceeding;
4. Inform the student of the substance of the information which is the basis for the determination that a test is necessary;
5. Inform the student of the procedures which are followed in administering the test;
6. Give the student an opportunity to decline the test and inform the student that if the test is not taken, the penalty is suspension and a hearing before the Student Disciplinary Hearing Authority;

Upon receiving a written certified copy of the analysis from the laboratory, the principal shall do one of the following:

1. If the results of the analysis are negative, all evidence of the individual test, including all records in the school that was ordered and the reasons therefore, shall be destroyed.
2. If the results of the analysis are positive, the student and parents or guardian shall be given the written notice of the result. In addition, they shall receive referral information which shall include in-patient, out-patient, and community-based drug and alcohol treatment programs. The principal shall recommend/take whatever disciplinary action he/she deems necessary under the circumstances and that is in compliance with state law and board policy.
3. The principal will notify law enforcement officials only after consultation with the Director of Schools.

Behaviors That May Have Legal Consequences

The following acts/violations will have serious consequences and could also have legal ramifications:

1. Materials advocating or supporting school sabotage or illegal activities are prohibited.
2. Threatening to do harm to or generally harassing other individuals is prohibited.
3. Students are prohibited from the use and possession of drugs, including rolling papers, smokeless tobacco, e-cigs/vape juice, or other imitation tobacco products. *State law requires that the principal file a citation when he/she sees evidence of a student under the age of 18 possessing or using tobacco products. This means that the student will have to go before the juvenile judge if caught with tobacco products. (See Cheatham County Schools website for BOE policies for Students. Many are cited later in this handbook.)*

4. Students may not possess firearms, ammunition for firearms, cross bows, knives, pellet guns, paint guns, or fireworks.
5. State law prohibits anyone from pulling a fire alarm when there is no emergency. Students who are caught pulling the fire alarm will face prosecution.

Bus Rules and Regulations

Acceptable conduct on the school bus is developed by the cooperative effort of the transportation director, principals and bus drivers. All discipline is related to the primary concern for the safety of students.

All school children being transported on a school bus are under the direct supervision and control of the school bus driver and shall be subject to the discipline of the bus driver and student's principal.

The bus driver shall be firm but fair in dealing with students.

In order to assure each student safe transportation while on a school bus, the following rules, established by the transportation director and the transportation committee, must be adhered to:

1. Students will remain well back from the roadway while waiting for the bus.
2. Students will enter the bus in an orderly fashion and go directly to a seat and remain there until the destination is reached.
3. To insure safety, the driver must be totally in charge, and passengers must respond promptly to all instructions given. All students will be assigned a seat at the beginning of the year.
4. The use of any tobacco products, gum, food or drink on the bus is prohibited.
5. Passengers must obey classroom conduct. Ordinary conversation is permitted. Horseplay, unruly behavior, abusive and obscene language or gestures is prohibited. Students shall conduct themselves in such a manner that they will not disturb other riders on the bus or the driver.
6. Students must maintain reasonable order so that the driver may be alert for various traffic hazards.
7. Students shall keep aisles and steps well clear at all times. (If you must carry personal items on the bus with you, please hold them in your seat.) No personal item will be allowed to take a student's seat. Items too large to be held in a student's lap or stored under the seat will be denied.
8. Students must keep head, hands, arms, feet, and legs inside the bus at all times. Students shall not extend any portion of the body out of the bus windows.
9. Students shall enter or leave the bus with the consent of the bus driver at the front door only, except in an emergency. Emergency doors and exits are for emergencies only.
10. Students who must cross the street at a bus stop shall not do so until they receive a signal from the bus driver. When crossing a street is necessary, it shall always be done in front of the bus so that the driver may adequately observe them. This means that students shall be able to see the face of the bus driver. The driver shall hold his/her bus with warning lights flashing until the crossing has been completed.
11. In order that drivers may meet their time schedule, students are expected to be at the designated stop at the scheduled time. The bus cannot wait for tardy passengers. **Never** run to catch a bus. Be early.
12. Children who live close together are to come to a common bus stop in order to avoid as many unnecessary stops for the bus as possible. No stops will be closer than 600 feet.
13. Drivers will not unload passengers at places other than the regular stops near their homes, or at a school without an authorized bus pass approved by the transportation director and signed by the student's principal or his/her designee. A note signed by the parent to the driver will not suffice unless this child is one of your regular riders and is riding to another location on the same bus route.

14. Students shall become ineligible for pupil transportation when their behavior is such as to cause dissension on a school bus, or when they disobey state and local rules and regulations pertaining to pupil transportation.
15. Any principal may for good and sufficient reasons suspend a pupil from attendance at school or from riding a bus until the case is decided by the Board of Education (code 6.316, TSB Section 6, page 41, TCA 49-6-3401).
16. Any name calling that refers to religion, sex, or race will be written up.
17. Use of profanity in any form is prohibited. Any profanity directed to another person will be an immediate write up.
18. Students will not be allowed to bring knives or sharp objects of any kind, firearms, pets or other living animals on the bus. All students must put away their pencils before entering the school bus.
19. Students shall not tamper with any of the safety devices such as door latches, hatches, and fire extinguishers.
20. Use of aerosol sprays or cologne on the bus is strictly prohibited.
21. The use of personal communication devices will follow Board Policy 6.312. If policy rules are violated, drive may use discretion in terminating device privileges, on a case by case basis.
22. External and/or Bluetooth speakers are prohibited on the school bus.
23. Earbuds or headphones must be worn when listening to audio on personal devices. One earpiece must be removed at all times to hear driver instructions.

Failure to follow these regulations may result in suspension from Cheatham County School's Transportation. Parents must assume responsibility for the behavior of their children while their children are riding the bus. If permission to ride the bus is revoked, the parent must provide transportation to and from school for the student until such time a reinstatement is made.

Suspension of Bus privileges

Failure to follow any of the school bus rules and regulations shall be considered misconduct on the school bus and will be dealt with swiftly and fairly.

These are three categories of student misconduct on school buses:

1. Violence
2. Vandalism
3. Safety
4. Disrespect

Procedures for suspension of a student's bus privileges shall be as follows, EXCEPT for zero tolerance offenses committed while riding a school bus. All zero tolerance infractions committed on a school bus shall be referred by the Transportation Director and student's school principal to the Student Disciplinary Hearing Authority (SDHA) for appropriate hearing and action. Penalty for such infractions may include expulsion from regular bus transportation as deemed appropriate by the SDHA:

Consequences for Bus Referrals:

1st offense – Bus driver gives written warning and notifies school administration in writing of warning and offense.

2nd offense – One to three (1-3) school days off the bus and probation for the remainder of the year. A dated copy of the discipline policy signed by the principal and the bus driver will be sent home to be signed by the parents and returned to the bus driver. If a signed copy of the discipline policy is not returned to the bus driver, the suspension will continue indefinitely.

3rd violation – Three to five (3-5) school days off the bus and probation for the remainder of the year. A dated copy of the discipline policy signed by the principal and the bus driver will be sent home to be signed by the parents and returned to the bus driver. If a signed copy of the discipline policy is not returned to the bus driver, the suspension will continue indefinitely.

4th violation – Five to ten (5-10) school days off the bus and probation for the remainder of the year. A dated copy of the discipline policy signed by the principal and the bus driver will be sent home to be signed by the parents and returned to the bus driver. If a signed copy of the discipline policy is not returned to the bus driver, the suspension will continue indefinitely.

SDHA Process: Expelled from the bus for the remainder of the school year and thirty (30) school days of probation at the beginning of the next school year, if expulsion occurs after February 1. If the expulsion occurs after March 1, then sixty (60) school days of probation will occur at the beginning of the next school year.

Once a child has been suspended, the child will take a suspension letter home to the parent. The child is not authorized to ride any school bus during the time of suspension. Once the suspension is up, the child may return to riding the bus, provided that the suspension letter is given to the bus driver with the parent's/guardian's signature.

AFTER A CHILD HAS BEEN SUSPENDED ONCE, SUCCESSIVE VIOLATION OF SCHOOL BUS POLICIES WILL RESULT IN AUTOMATIC BUS PRIVILEGE SUSPENSION IN ACCORDANCE WITH CCBOE POLICY 6.308.

Your counselor will assist you in choosing classes for next year, assist you in qualifying for academic honors, advise you on vocational and academic concerns after you leave SHS, and counsel with you about any other problems or issues.

Mrs. Sheila Gaertner is the counselor serving students with last names A – L.

In order to give your problems their undivided attention and to ensure your privacy, counselors ask that you make an appointment if the situation is not an emergency.
