Dear Parents and Students,

Welcome! We are excited to begin the 2019-20 school year with you. Each member of the school team (students, parents, teachers, and staff) has made an informed decision when choosing and committing to be here. As members of this team we will do whatever it takes to ensure the academic, behavioral, and social success of each individual student.

We stand at a very special point in time. Educational research clearly states that ALL students, regardless of socio-economic status or ethnicity, can learn when provided with high expectations, rigorous standards, and exceptional teaching. There are NO EXCUSES for students, parents, teachers and school administrators. There are also no shortcuts on the road to high achievement.

To meet this challenge, students, parents, educators and community members must work collaboratively. We must be able to rely on one another. Our relationships will grow stronger as we build trust and learn to value one another's unique skills and contributions. Ultimately, our relationships and efforts will continue to yield outstanding results in student achievement as we have already demonstrated on state-wide measures of student performance.

There is even greater excitement as we continue with our mission in the 2019-20 school year. The relentless efforts of dedicated community members, teachers, staff, and parents will help all Fortune schools become one of the highest performing school systems in America.

Parental involvement is also a crucial component in creating a learning community that meets the safety and academic needs of all students. Please read through this handbook carefully and keep it so that you may have it available for future reference. This handbook has been designed to communicate the basic policies that we all must follow to ensure that learning remains the focus every minute of each day.

We look forward to working with you to prepare our students to become life-long learners and leaders.

Sincerely,

Margaret Fortune

STUDENT/PARENT HANDBOOK 2019-2020

Mission

To graduate high-achieving students of good character prepared for college and citizenship in a democratic society.

Five Pillars

1. High Expectations

All schools in the Fortune network have high expectations for academic achievement and conduct that are clearly defined, measurable, and make no excuses based on the background of students. Students, parents, teachers, and staff create and reinforce a culture of achievement and support through a range of formal and intrinsic rewards and consequences for academic performance and behavior.

2. Choice and Commitment

Students, their parents, and the staff of every Fortune school choose to participate in the program. No one is assigned or forced to attend. Everyone must make and uphold a commitment to the school and to each other and must be willing to put in the time and effort required to achieve success.

3. More Time

We know that there are no shortcuts when it comes to success in academics and life. With an extended school day, week, and year, students have more time in the classroom to acquire the academic knowledge and skills that prepare them for competitive colleges, as well as more opportunities to engage in diverse extracurricular experiences.

4. Focus on Results

We focus relentlessly on high student performance through standardized tests and other objective measures. Just as there are no shortcuts, there are no exceptions. Students are expected to achieve a level of academic performance that will enable them to succeed in the nation's best colleges and the world beyond.

5. Citizenship

We train all students to become leaders and all of our staff shall model leadership qualities. Principals are given independent control of staffing and budget decisions. In addition to principals, staff members who demonstrate necessary leadership potential are given responsibilities extending beyond a single classroom. Most importantly, students are given leadership development training and opportunities to practice leadership skills on a daily basis both inside and outside the classroom.

Three Rules

1. Listen.
2. Respect.
3. Work hard.

PARENT INVOLVEMENT

To put it simply, we cannot provide a high-quality education without including the parent(s) of every student in the learning process. Educators and parents cannot work in isolation of each other. In order for learning to take place for every student, there must be a continuum of instruction that lasts much longer than the time students are in school. By working together as trusted partners, parents and educators can create an educational experience for each student that allows learning to continue at home and beyond the classroom walls. Research states that:

- When parents are involved, students tend to achieve at higher levels in school, regardless of socio- economic status, ethnic/racial background, or parents' education level.
- The more extensive the parent involvement, the higher the student achievement.
- When parents are involved in students' education, those students generally have higher grades and test scores, better attendance, and complete homework more consistently.
- Students whose parents are involved in their lives have higher graduation rates and greater enrollment rates in postsecondary education.
- In programs designed to involve parents in full partnerships, student achievement for disadvantaged children not only improves, but can also reach levels that are standard for middle-class children.

Because of this overwhelming evidence, we believe it is paramount to include parents in the learning process. Upon enrollment, parents sign a Commitment to Excellence Contract to provide 40 hours of completely voluntary service each year to improve the achievement of their child and the school community. The school also provides structures to involve parents in their child's learning and coordinate parent communication, workshops, activities, and clubs to educate, train, and empower parents to better support their child's pursuit of an excellent education.

Several of the activities that count as Parent Hours are listed below:

- Attending Student/Parent/Teacher Conferences and Parent Orientations
- Participating in Parent Events or Parent Group Meetings
- Buying healthy food for parent events or for your child's classroom (\$5 = 1 hour)
- Completing at-home projects for teacher or Parent Liaison (maximum: 30 minutes per day, per child)
- Helping during Study Hall
- Homework or reading time at home with your student(s) (maximum: 30 minutes per day, per child)
- Morning greeting (2 mornings = 1 hour of credit)
- Set-up/clean-up for school events
- Tutoring
- Volunteering in your child's classroom (when scheduled through teacher)

Students will not be penalized in the event a parent does not fulfill their completely voluntary, 40-hour commitment.

Fortune School encourages parents/guardians and other members of the community to share their time, knowledge and abilities with our students. Community volunteers in our schools enrich the educational program and strengthen our schools' relationships with homes, businesses, public agencies and private institutions. By their presence in the classroom and on school grounds, volunteers may also enhance supervision of students and contribute to school safety.

Volunteer Definition

A volunteer is a parent, community member or other adult who assists at a school site or program on a regular or semi-regular basis. Also included in this definition are those who help on a one-time basis transporting for official school-related activities/events or working with children without the direct oversight of certificated staff. Parents who observe or visit their child at school on a regular basis and stay more than 15 minutes each time are considered volunteers. Volunteer screening, including fingerprinting, is required for all volunteers, at the volunteer's expense.

Individuals who are at the school to attend or help at a one-time special event involving supervised contact with children are not considered volunteers by this definition and are not required to be screened. Examples include helping at a school fair or providing an explanation of their career to a classroom. A parent picking up their child from school or randomly observing or visiting their child's classroom is not considered a volunteer.

Department of Justice Checks

Before authorizing any person to serve as a volunteer working with students, the school shall ask the Department of Justice to conduct an automated records check. Volunteers shall not begin to work with students until all checks are completed, and shall be informed that the school is conducting this records search. Volunteers having continuous contact with students (more than 15 minutes) shall undergo fingerprinting pursuant to Education Code 45125. (Education Code 45106, 45125, 45347, 45349) at their own expense.

A school designee shall ensure that volunteer projects comply with health and safety codes, building codes, fire codes, and environmental laws. The school will provide on-site assistance and supervision for such projects, depending upon their complexity and the expertise of the volunteers. Projects shall be inspected upon completion to ensure that the work was done satisfactorily. Electrical, electronic, heating, ventilation, air conditioning, plumbing, welding and structural work must be done by a licensed contractor or performed under the supervision of a skilled maintenance employee with knowledge of the trade involved.

Telephone Use and Phone Calls

Our scholars' focus should be on class content, so students may not use any school phone or staff cellular phone without permission from a staff member. Students will only be allowed to use the phone when deemed necessary by a staff member. A teacher or staff member must be present at the time of the call. At times, the teacher will dial the number for a student. Students who use a phone without permission from a teacher will be subject to appropriate consequences. We encourage all arrangements pertaining to lunch, dismissal, or any other reason not essential to the learning process, be made prior to school starting; we discourage families from interrupting student learning for those reasons. In the case of family emergencies, parents should call the front office and leave a message with the school secretary. The secretary will deliver the urgent message to the student on behalf of the caller.

Code of Conduct

Ephraim Williams College Prep expects students and parents/guardians to conduct themselves in an orderly, courteous, dignified and respectful manner. This requirement refers to their actions toward other students, teachers, and adults within the school including their language, dress and manners.

We believe self-discipline is key to individual success. Students and parents have a responsibility to know and respect the policies, rules and expectations of the school. Violations of such policies, rules and regulations will result in disciplinary action. School authorities have authorization to employ probation and suspension and to recommend expulsion, if necessary, to enforce this policy.

Parents/guardians and adult family members who fail to meet the school's standards of conduct will be banned from campus for an amount of time determined by school administration. A ban from campus may be permanent at the discretion of school administration.

Application of the policies contained in this handbook regarding student conduct are in effect during the following times and in the following places:

- On school grounds during, and immediately before or immediately after school hours
- On school grounds at any other time when the school is being used by a school group
- Off school grounds at a school activity, function or event
- En route to and from school/school activity on a school bus or other school vehicle
- At any time or in any place that impacts the school's ability to maintain order and discipline

Complaint Process

Due to the importance of parent involvement in the success of each child parents are expected to communicate regularly with their child. Furthermore, parents and teachers need to communicate regularly in order to monitor their child's progress and build a strong partnership with their child's teacher. In the case that a parent has a concern regarding the child's experience in the classroom parents are asked to follow the steps below:

1. Discuss the issue with your child.
2. Meet with the classroom or grade level teacher with your child present.
3. Meet with the classroom teacher, your child, and the principal.
4. Meet with the principal.

If the concern is not resolved after the steps above have been followed, then parents have the option to proceed with the steps below:

5. Meet with the principal and President/CEO (or designee) of Fortune School of Education.
6. Address the Board of Directors for Fortune School of Education.
7. Address the Sacramento County Office of Education's Deputy Superintendent's Office.
8. Address the Sacramento County Board of Education.
9. Address the California Department of Education.

GENERAL INFORMATION

Campus Supervision

We are able to provide campus supervision at 7:15 am every day. We are also able to provide supervision only as late as 15 minutes past the dismissal time, every day, including days of school-sponsored field lessons. We will not be responsible for general student supervision prior to or after this time, so families are encouraged to plan accordingly. Teachers and staff are responsible for student supervision during the school day and during all off-campus field lessons.

Students up to 8th grade who need supervision longer than 15 minutes past dismissal, and until no later than 5:30 should be enrolled in and participate in the After School Program. Please contact the Fortune Excursions Program Coordinator for enrollment and fee information.

If a parent/guardian has not been cleared, they cannot visit the classroom for more than 15 minutes, and cannot be unsupervised. Please see the Parent Involvement section for the definition of "visitor" and the related clearance requirements for volunteers.

Visitors to School

We encourage parents and guardians to visit and help in their student's classroom. All visitors must check-in at the school office prior to visiting classrooms. Visitors are required to wear a sticker that identifies them as a visitor to the school. Before leaving campus, all visitors must sign out at the office. Visitors are required to abide by the school's Code of Conduct while on campus.

Daily Dismissal

Students will remain in class until dismissal time. Upon their dismissal time, students have 15 minutes to be picked up or otherwise leave campus without penalty. Past 15 minutes, students remaining on campus without authorization to do so are considered to be loitering, which is a violation of student conduct, and will be dealt with accordingly.

Late Pickups

Families will be prompt when picking their children up and must pick up their students no later than 15 minutes after the dismissal time. Families should communicate with the school if a late pickup is unavoidable and make arrangements with scholars for alternate pickup or departure plans to ensure their student is off campus no later than 15 minutes past the dismissal time.

On the first late pickup, the parent/guardian will be required to meet with the Principal. On the second and subsequent late pickups, law enforcement or CPS will be notified if a student is not picked up on time from school, field lessons, or the Fortune Excursions Program.

Closed Campus Policy

We are a closed campus. This means that students are to remain on campus once they have entered the school premises. Students are not permitted to leave school grounds without first clearing through the office. Only a parent or guardian listed on the Emergency Contacts (see student enrollment application) may sign the student out from school. Notes are not accepted. Parents/guardians should be prepared to show their photo ID to the classroom teacher for the first 10 days of school, and should be prepared to show their ID to a substitute teacher if there is one present.

Prescription Medication

Medications are best administered at home by a student's parent or guardian. However, when it is necessary for medication to be administered during school hours, **an Authorization to Administer Medication form must be filled out by the student's physician or the medication will not be administered under any circumstances.**

For safety reasons, parents/ guardians must bring all prescription medication to the school office where it is to be securely stored. Prescription medications must be in a pharmacy-labeled container that includes the child's name, medication, dosage, the prescriber's name and directions for administration. Over the counter medications, such as cough medicine or the like, require the parent to come to school to administer it, or the parent must obtain a prescription from the doctor with dosing instructions. Non-prescription medication in any form is not permitted on campus under any circumstances.

Authorization to Administer Medication forms must be completed with any changes in medication, dosage or time to be given. The parent agrees to pick up expired or unused medication within one week of notification and/or prior to the end of the school year or it will be destroyed.

Emergency Cards

An emergency card is distributed to each student during the first week of school. Students occasionally are severely injured or experience extreme health problems, and it is imperative we have accurate information in order to obtain proper health services. Schools can provide limited health services only.

Academic Integrity

As a school community, we will not tolerate academic cheating or plagiarism in any form. Academic dishonesty is both an academic and disciplinary issue. Cases of cheating or plagiarism shall be addressed as described in the Discipline Matrix.

Public Displays of Affection (PDA)

Scholars will conduct themselves in a way that promotes scholarship and minimizes distractions to the learning environment; they will refrain from inappropriate, intimate behaviors on campus or at school related events and activities. We recognize that genuine feelings of affection may exist between two students and we encourage students to demonstrate that affection in a way that respects the purpose of the school environment. Cases of Affectionate/ Sexual Behavior shall be addressed as described in the Discipline Matrix.

Student Supplies

Each student will be given a school issued, branded binder. Students are expected to come to class prepared with the school supplies needed to participate for their individual use.

Prohibited Items

We aim to preserve the integrity of the learning environment, eliminate all campus distractions, and keep the campus a safe space for students to master their grade level material. For those reasons, the following items are not permitted on campus:

Weapons or Toy Weapons	Alcohol, tobacco or any illegal substance
Fast food or Soda, high-sugar drinks	Candy, gum or sunflower seeds
Toys, stuffed animals or dolls (unless part of a school project)	Unhealthy snacks (Hot Cheetos, Takis, etc.)
Cash in excess amounts	Cellular Telephones
Electronic toys and gaming devices	Vulgar/inappropriate stickers and logos
Sunglasses; non-prescription clear glasses	Inappropriate magazines or books
Baseball caps or “do rags”	Denim clothing of any kind

Personal Cell Phones

Cell phones must remain out of the learning environment to ensure that students are focused on academics. Cell phones may be used before and after school **ONLY**. We are a college preparatory school. We hold all scholars to high expectations and demand they dedicate 100% of their attention to their classroom and their teachers in order to develop their grade level skills and content mastery.

We strongly prefer that students do not bring cell phones to school to avoid loss or damage, and to avoid distractions. No school or employee will be held liable for lost or stolen property. A student shall not bring a cell phone to campus without expressed written permission from his /her parent or legal guardian. A parent may only give permission for their child to bring a cell phone to school for safety reasons.

If a parent makes a written request to have their student carry a cellular telephone to and from school for safety purposes, the student shall check the device in with his/her classroom teacher for the entire day. The student may check the telephone out at the end of the day. Lost or stolen cell phones are not the responsibility of the school.

A student who brings a cell phone to school without written permission from his/her parent will have the device confiscated and only returned to a parent or legal guardian. Any student who brings a cell phone into the learning environment and fails to check it in with his/her classroom teacher shall have the device confiscated, returned only to a parent or legal guardian and receive a consequence following the Discipline Matrix.

Items deemed a significant distraction to the learning environment may be confiscated on the spot. The classroom teacher has the authority to determine the severity of the distraction and execute the consequences as needed.

Lost and Found

Lost and found items may be turned in or claimed at the front office. Found items must be turned in or students may face disciplinary action for being in possession of lost or stolen property. If you find money, submit it to the front office. Your name will be recorded and if the money is not claimed within two weeks, it will be given to you.

All other items not claimed after a reasonable period of time will be donated.

UNIFORM & DRESS CODE

We believe that a student’s appearance has an impact on his or her attitude and behavior. As a result, all schools in the Fortune network are uniform schools. Respect for the school community and for the students themselves is evidenced by dressing appropriately. All students will adhere to a dress code that enhances a professional educational environment at all times. Students are to wear a school-approved “every day” or “dress” uniform, Monday through Friday, during off-campus school functions, as well as during Intersession and summer sessions, unless otherwise specified.

- I. The **everyday** uniform consists of the following clothing:
 - School color polo shirt with embroidered school logo
 - Khaki pants, shorts, skirt, scooters, or skorts
 - All black closed-toe shoes with all black soles
 - Dark socks, Black belt

Scholars will wear tops based on what day of the week it is:

Dress Code

We prepare our scholars to make positive first impressions. A scholar’s appearance sends a number of subtle nonverbal messages. The messages we want our scholars to send are professionalism, confidence, and competence. So, we expect our scholars to:

- Keep their uniform clean and in good repair and present a neat well-groomed personal appearance.
- Tuck in their shirts unless otherwise specified (i.e. PE).
- Wear appropriately fitting shorts, shirts, pants, shorts, skirts, scooters, or skorts. If a student’s clothing is ill-fitting, they must wear a “loaner” uniform article from the office. Ill-fitting is defined as: too tight, sagging, or too short.
- Wear properly hemmed clothing. Cut-offs are not allowed.
- No denim clothing (pants, jackets, etc.)
- No hats, caps, “do” rags, hoods, bandannas, or other head coverings at school, unless deemed appropriate. Students with a religious requirement for wearing head covering is permitted.
- Be well groomed and clean cut.
- Male students/students that identify as male are to be clean cut, meaning a well-groomed, neat hair cut above the collar, including twists. Locs are permitted, may be of any length and must be well groomed in a natural hairstyle. Afros of any size are permitted as long as they are above the collar. No cornrows, braids, ponytails (except in the case of natural hairstyles with locs) are allowed on male students. Designs, lines, Mohawks of any kind, colored, or bleached hair is not permitted for any student.
- Avoid the following types of jewelry for safety reasons: chains, chokers, multiple-finger rings, toe rings, multiple-stacked bracelets, body piercings, and large dangling earrings (larger than a quarter).
- Male students/students that identify as male are not permitted to wear earrings.
- Wear natural looking makeup, if any at all.

- Wear nails short and natural.
- No tattoos (real or fake).
- No perfumed lotions, colognes, or spray-on deodorants.

If you are unsure don't wear it or don't send your scholar to school with it. The administration reserves the right to determine the appropriateness of articles of clothing not specifically addressed in the Uniform and Dress Code. Multiple and repeated Uniform and Dress Code infractions will be considered major violations of student conduct and will be dealt with accordingly. See the Discipline Policies and Procedures for more detail on the Discipline Matrix.

Student Searches and Seizures

Reasonable Suspicion

A personal search of a student may be conducted if there is reasonable suspicion of prohibited contraband. All personal searches should be conducted only by a school administrator. For example, students who are suspected to be in possession of contraband that is in violation of state or federal law may be searched. A reasonable suspicion is one based upon objective, observable facts. The scope or extent of the search must also be reasonably related to the reason for the search.

Student Searches

Searches of student backpacks, desks, and similar facilities may be conducted at the direction of the principal or his or her designee, at any time, based on reasonable suspicion, and with or without the consent of the student. Searches of outer garments such as jackets and coats, purses, wallets, book bags, backpacks, and similar items of personal property that are in a student's possession may be conducted in the same manner.

Human Rights Policy

Our campus brings together a diverse group of individuals. We are guided by the principle that respect and consideration for all individuals is foremost in all school activities. It is unlawful to discriminate against any individual based on disability, gender, gender identity, gender expression, nationality, race or ethnicity, religion, sexual orientation, or any other characteristic that is contained in the definition of hate crimes set forth in Section 422.55 of the Penal Code in any program or activity conducted by an educational institution that receives, or benefits from, state financial assistance or enrolls pupils who receive state student financial aid. It is the responsibility of every member of the school community to observe and uphold the principles of equal opportunity as they affect staff, faculty and students in all aspects of school life. It is the responsibility of every member of the school community to actively promote appropriate workplace behavior. Any form of coercion or harassment that insults the dignity of others or impedes their freedom to work and learn will not be tolerated. Any such form of coercion or harassment will result in appropriate discipline, up to and including, expulsion.

Human Trafficking

Human trafficking is modern slavery. It involves exploiting a person through force, fraud, or coercion for the purpose of forced labor, commercial sex, or both. Victims of human trafficking include men, women, boys, girls, and transgender individuals lured by the promise of a better life in the United States as well as adults and children who were born and raised in the United States. Few crimes are more abhorrent than child trafficking, and few crimes are more challenging for communities to recognize and address. For many people, the reality of trafficking in their community is difficult to comprehend, let alone confront. For educators and school personnel, the reality of these crimes and the severity of their impact are cause for a call to action. *Source: National Center on Safe, Supportive Learning Environments*

Mental Health Services

Fortune School is committed to the health and well-being of all scholars. Mental health services are available at each campus and can be accessed by communicating (verbally or in writing) with the School Principal, the Education Specialist, and/or the Mental Health Counselor. For mental health services across Sacramento County, please contact the Sacramento County Department of Health Services at (888) 881-4881 or by visiting <http://www.dhs.sacounty.net/bhs/pages/mental-health-services.aspx>.

ACADEMIC INFORMATION

Homework

Homework may be assigned and must be completed on time to ensure that students are maximizing their learning. Teachers will provide scholars with meaningful feedback on the homework that is assigned. We use homework for a variety of reasons, all of which align with what is expected of successful college level scholars. We expect students to complete their homework to prepare for the next day's lesson, practice skills and reinforce knowledge learned during the day, and ultimately, establish study habits that will prepare scholars for educational success.

“Work Hard Be Nice”, Saturday School, and Intersession

More time will be offered to students who need it to master their grade level standards. In some cases, students will be required to attend extra hours after school, Saturdays, or during Intersessions. In each case, participation criteria and requirements will be communicated to students and parents ahead of time.

School-Home-School Communications

Students and families have access to the online gradebooks, called Illuminate, and other school-home-school communication platforms, such as Class Dojo and School Messenger. These platforms allow parents and students to access grades and assignments on a real-time basis via the internet. In addition, families can message their student's teachers in real-time.

Student-Led Teacher-Parent/Guardian Conferences

Parents/ guardians are required to participate in Student-led Parent/Teacher Conferences during each academic year. These conferences are focused on their child's progress as summarized on their report cards. During this meeting, families will have the opportunity to receive ideas and instructional materials to assist their child at home and problem-solve strategies to maximize the performance of their child through a student led presentation. See the school calendar for date ranges of when Student-Led Teacher-Parent Conferences will begin.

Measurement of Student Performance

Student overall grades will be based on two areas: Class Effort and Assessments.

Core Academic Program (0-4 grade points)

Students can earn up to 4 grade points for each of their classes: ELA, Math, Science, Social Studies/ Humanities, Physical Education, and Electives. Student performance on specific academic standards will be assessed through multiple measures, including but not limited to criterion-referenced tests, portfolios

Grading Scale Grades 6 - 8

Performance Level	Assessment Average	Grade (Grade Points)
Exceeds Mastery	90 – 100% (passing)	A (4)
Mastery	80 – 89% (passing)	B (3)
Approaching Mastery	70 – 79% (passing)	C (2)
Below Mastery	60 - 69% (not passing)	D (1)
	Below 60% (not passing)	F (0)

Advisory (Pass/ No Pass)

Advisory is a Pass/ No Pass class designed to support student development in three areas: Citizenship, Character, and Social Emotional Learning. Students must satisfactorily complete at least 80% of the class assessments and assignments in order to earn a “Pass.”

Grading and Report Cards

Our grading periods are approximately 12 weeks long. Each 12 weeks is called a Trimester and we have three Trimesters in the school year. At the end of each trimester, students will receive overall grades in English Language Arts (ELA), Math, History/ Humanities, Science, P.E., and Electives. Teachers will clearly state the grading policies for their class and/or subject area at the beginning of the year. Parents can keep track of student grades via Illuminate. Official Report Cards will be distributed during student-led parent/ guardian-teacher conferences. See the School Calendar for a timeline for those conference dates.

Response to Intervention/Multi-Tiered Systems of Supports

A Multi-Tiered System of Supports (MTSS) is a systematic, continuous improvement framework in which data-based problem solving and decision making is practiced across all levels of the educational system for supporting students. Students performing below grade level will receive support using a variety of academic interventions. Academic interventions are focused on identifying gaps in student’s learning, setting high, standards-based goals for learning, and relentlessly working to help a student reach grade level proficiency. However, while a student is receiving intervention instruction, his or her grades will be based on the student’s performance on grade level standards.

Promotion to the Next Grade

Students must meet the following criteria in order to be eligible for promotion to the next grade level:

- At least a 2.0 GPA for the year OR
- For students with an IEP, demonstrate significant progress towards their individual education goals listed in their IEP

The Principal and teacher reserve the right to require that a student repeat a grade level for lack of academic progress, organization, and/or maturity, pursuant to Education Code 48070-48070.5. A student may be retained if they obtain 10 or more unexcused absences for the school year.

Field Lessons

We provide a variety of opportunities to extend student learning outside the four walls of the classroom. We call these opportunities “Field Lessons.” While we expect all students to participate, it is important for students and parents to know that basic eligibility requirements apply:

- No Suspensions during the trimester of the Field Lesson
- No more than 3 referrals or major infractions during the trimester of the Field Lesson.

Any families whose child is ineligible, may be permitted to attend a Field Lesson if a volunteer-eligible family member accompanies and supervises the student on the lesson. See the section on Volunteers for more information. Written notice of ineligible students will be sent home to families and students.

Awards

We want to celebrate and recognize our scholars’ achievements. The following is a list of some of the awards a scholar may earn during the year. Some awards are offered only once per year.

Honor Roll

Students must earn at least 6 out of 7 points total each Trimester. Students must earn all points for Academics and Leadership and may lose only 1 point for Attendance to be eligible for Honor Roll.

<p><u>Academics (1 point)</u> 3.0 GPA or higher overall with no Ds or Fs</p>	<p><u>Attendance (3 points max)</u> Presence: 1 point; no more than 2 unexcused absences Punctuality: 1 point; no more than 6 tardies Participation: 1 point; no more than 4 early dismissals</p>	<p><u>Leadership (3 points)</u> Citizenship: 1 point for acceptable behavior for the trimester, meaning at least 90% positive behavior for the trimester and no suspensions or expulsions. Valedictorian

Awarded to the 8th grade scholar with the highest cumulative GPA for all three years in middle school.

Special Education

Fortune School has a fully staffed Special Education Department which consists of a Director, Psychologist, Counselor, Speech & Language Pathologist, Occupational Therapist and Education Specialists. The Individualized Education Plan (IEP) Team works together to ensure that each student receives Special Education services as specified in their IEP. Fortune School also has Child Find practices which provides the ability to identify students who may need to be assessed for suspected disabilities.

Referral

Referrals and/or requests for an evaluation for possible Special Education programming are made through the Student Success Team (SST) to the scholar’s General Education teacher who is the lead SST team member. A referral may also be made by parents and outside agencies directly to the Student Success Team through the General Education teacher. Parents must be notified in writing, and give written consent before the SST process can begin.

STUDENT ACTIVITIES

Periodic Incentives

We celebrate our scholars’ achievements in a variety of ways over the course of the year. The basic eligibility requirements apply:

- No Suspensions during the trimester of the Field Lesson
- No Excessive referrals or major infractions during the trimester of the Field Lesson.

For some incentives, additional requirements (academic or behavioral) may apply. Families will receive written notice of upcoming incentives and their requirements.

Athletics Code

We expect student-athletes to honor themselves by maintaining at least a 2.75 GPA to maintain their athletic status. We are a college preparatory school and we hold our scholars to high expectations. It is both realistic and expected that our scholars take advantage of the resources offered to help them to balance being a student athlete in a rigorous college preparatory program. When necessary, scholar-athletes must attend all teacher-provided tutoring, Work Hard Be Nice, and Saturday Academies as directed, and be responsible for completing all classwork and homework assigned every day. **This means that athletes will not be excused from completing classwork or homework missed due to games or practices.** If scholars fall below the mandatory GPA requirement, student athletes will suspend participation on the team and commit to doing whatever it takes to raise their grades in order to resume the athletic program.

Extracurricular Activities

We encourage scholars to be well-rounded individuals and respect the student's ongoing participation in extracurricular activities. We understand that in some cases, scholars may need to attend practices, games, recitals, or meetings outside of the school curriculum that conflict with the regular dismissal times. Students acknowledge that they are responsible for completing all classwork and homework assigned in class and meet all established due dates. We will honor and excuse up to 4 early dismissals for those activities so long as scholars avail themselves of supports to ensure that their academic progress does not suffer. This means that scholars commit to attending all teacher-provided tutoring, Saturday Schools, and Work Hard Be Nice to make up class time lost due to extracurricular activities.

End of Year Activities

In order to participate in End of Year Activities, such as Field Day, or the 8th Grade Trip, students are expected to achieve the following in Trimester 3 in order to participate:

- Eligible for Promotion
- 80% positive behavior overall for Trimester 3
- No Suspensions or Expulsions in Trimester 3

8th Grade Promotion Ceremony

The Promotion Ceremony is a privilege earned in recognition and celebration of student achievement. In order to participate in the ceremony, students are expected to achieve the following in Trimester 3:

- Eligible for Promotion
- 80% positive behavior overall for Trimester 3
- No Suspensions or Expulsions in Trimester 3

ATTENDANCE

Students are expected to be in their seats when school begins at 7:45 am every day, Monday through Friday. They must remain at school until dismissal: 2:00pm on Wednesdays and 4:00 pm on all other days. When dismissal times change, families will be given written notice of the adjusted time.

Tardiness

Parents and guardians will be prompt when bringing their child to school or to other school-sponsored events. Repeated tardiness can lead to appropriate consequences determined by the administration due to the missed learning time. For every 15 minutes a student is late to school, he/she will miss 10% of the academic instruction.

Absences

If for any reason your child is absent from school, please call the school office/or send a note indicating the reason: The note should state the reason and the dates of absence. State law requires accurate record keeping and parent confirmation of the reasons for student absences. It is best for ill children to stay home to get the care needed and prevent the exposure of illness to others.

Excused Absence

Under California Education Code 48205, there is a finite list of valid reasons for student absence. A few of those reasons are (1) student illness, (2) quarantine by county or city health officer, (3) medical, dental, optometric, or chiropractic appointments, and (4) attending the funeral of an immediate family member. Please refer to the California Education Code for the entire list.

For an absence to be excused, the parent/ guardian must provide written proof of the excuse to the front office. For anticipated absences, parents/guardians must contact the school office by phone the night before or the day of the expected absence. If a student becomes sick in the morning, the parents/guardians must contact the school office by 7:30 am. If a student is not in the classroom and the school has not been notified of the absence, the school will call the parent or guardian. Upon the student's return, the student is expected to bring a signed note from the parent/guardian or the physician who treated the student, which includes the date or time and a reason for the absence. All absences must be cleared within 72 hours.

Unexcused Absence

Absences which occur with the knowledge and approval of parents or guardian for reasons which, though not acceptable under State Law, are not excused, are classified as truancy.

Missed Work Due to Absences

All missed work due to absence (excused or unexcused) must be completed. Students shall be given a reasonable amount of time to complete missed work due to absences and be eligible to receive full credit, pursuant to Education Code 48205(b). The time generally allowed to complete this work will be the number of days the student was absent. For example, if a student was absent for one day, then he or she will have one day to make up any missed work.

Since absences negatively affect academic achievement, repeated absences shall be reflected in the student's grades. It is the student's responsibility to consult with each of his/her teachers to make sure she/he is aware of all assignments. Students with excessive missing assignments, due to absences or other circumstances, may be given the opportunity to stay after school until all missed work is completed.

FIVE STEP SCHOOL ATTENDANCE REVIEW BOARD (SARB) PROCESS

All campuses will utilize a School Attendance Review Team (SART). The School Attendance Review Team at the school site level will support the school attendance policies and address truancy at all grade levels. The SART will convene as needed to review truancy cases. If a student is habitually truant (absent without a valid excuse for 5 days during the school year), if he/she is absent or tardy by more than 30 minutes without a valid excuse on 5 occasions in a school year, or any combination thereof, a SART hearing will be called. The parent/guardian of the habitually truant student will receive notice of the SART hearing and be required to attend. At the SART hearing, information will be provided about a student's attendance record. Parents/guardians will be asked to comment on the reasons for the student's truancy. A parent contract will be developed to bind the parent to bringing their child to school on time every day. The SART will make referrals to local agencies as appropriate. Documentation of SART proceedings will be included in the child's cumulative file.

Referral to School Attendance Review Board (SARB)

A SARB will be triggered when a student is classified as a "chronic truant," meaning a student is absent without a valid excuse for at least 10% of the school days in one school, from the date of enrollment to the current date. The SARB will meet as needed to hear cases.

Referral to Appropriate Agencies or County District Attorney:

It is the Charter School's intent to identify and remove all barriers to the students' success, and the School will explore every possible option to address student attendance issues with the family. For any unexcused absence, the Charter School may refer the family to appropriate school-based and/or social service agencies.

If a child's attendance does not improve after the SARB Hearing, outlined below, or if the parent fails to attend a required SARB Hearing, the parent and child may be referred to the District Attorney's office. Students 12 years of age and older may be referred to juvenile court for adjudication.

These policies will be enforced fairly, uniformly, and consistently without regard to the characteristics listed in Education Code 220 (actual or perceived disability, gender, gender identity, gender expression, nationality, race or ethnicity, religion, sexual orientation, or any other characteristic that is contained in the definition of hate crimes set forth in Section 422.55 of the Penal Code or association with an individual who has any of the aforementioned characteristics.

Prohibition of Harassment, Intimidation and Bullying

We are committed to a safe and civil educational environment free from harassment, intimidation or bullying for all students, employees, volunteers, and parents/ guardians. Under the California Education Code, Section 48900.4, “Harassment, intimidation or bullying” is defined as any intentional written, verbal, or physical act, when the intentional written, verbal, or physical act:

- Physically harms a student or damages the student’s property; or
- Has the effect of substantially interfering with a student’s education; or
- Is severe, persistent, or pervasive so that it creates an intimidating or threatening educational environment; or
- Has the effect of substantially disrupting the orderly operation of the school.
- Nothing in this policy requires the affected student to possess a characteristic that is a perceived basis for the harassment, intimidation, or bullying or other distinguishing characteristic. If an individual engages in an act that accomplishes any of the above, it is considered intentional regardless of the degree of impact on the victim. In other words, a victim cannot be “just a little bit hurt,” they either are or are not.

Harassment, intimidation or bullying can take many forms including: slurs, rumors, jokes, innuendos, demeaning comments, drawing cartoons, pranks, gestures, physical attacks, threats, or other written, oral or physical actions, *including those committed online*. Anyone found to violate the above policy, is in violation of California Education Code Section 48900.4 and will be subject to suspension or expulsion as identified in the Disciplinary Procedures section below.

Notice of Prohibition of Alcohol, Tobacco, and Other Drugs

We believe that involvement with, and/or use of controlled substances will seriously impair students’ ability to achieve academically and to live healthy lives. Schools in the Fortune network will not tolerate the possession, use, or sale of alcohol, tobacco, or drugs on school campuses, at school-sponsored events, or while representing the school in any capacity in any location.

Prohibition of Sexual Harassment by Students Policy

Each school in the Fortune network desires to maintain an academic environment in which all students are treated with respect and dignity. Sexual harassment is specifically prohibited by state and federal law and instances of harassment may result in both civil and criminal liability on the part of the individual harasser. Sexual harassment’s destructive impact wastes human potential, demoralizes students, and perpetuates the tendency to further unacceptable behavior. For these reasons, harassment against any student on the basis of sex is forbidden. The Board will not tolerate sexual harassment activity by any of its students.

Sexual Harassment: The unwelcome sexual advances, requests for sexual favors, and other inappropriate verbal or physical conduct of a sexual nature, wherever such harassment occurs on school property or at a school-sponsored event, that is aimed at coercing an unwilling person into a sexual relationship whether or not it involves physical contact; or that substantially interferes with a student’s academic performance, or creates an intimidating, hostile, or offensive school environment. Examples of sexual harassment may include but are not limited to the following:

- a. Verbal harassment or abuse of a sexual nature;
- b. Subtle pressure for sexual activity;
- c. Repeated remarks to a person with sexual or demeaning implications (e.g., a person’s body, clothes, or sexual activity);
- d. Unwelcome or inappropriate physical contact such as patting, pinching, or unnecessary touching;
- e. Suggesting or demanding sexual involvement accompanied by implied or explicit threats;
- f. Display of sexually suggestive objects, pictures, or written materials.

Compliant Process: Any student who alleges sexual harassment by another student should complain to the principal, or teacher. Filing of a complaint or otherwise reporting sexual harassment will not affect the student’s status, extracurricular activities, grade or any other assignments. The complaint should be in writing, state the act or acts, state the date(s), state the names of witnesses, and be signed. The right of confidentiality, both of the complainant and of the accused, will be respected, consistent with the Board’s legal obligations and with the

necessity to investigate allegations of misconduct and take corrective action when this conduct has occurred. In determining whether alleged conduct constitutes sexual harassment, the totality of the circumstances, nature of the conduct and the context in which the alleged conduct occurred will be investigated.

Penalties: A substantiated charge against a student shall subject that student to disciplinary action consistent with California State Law for sexual harassment.

DISCIPLINARY PROCEDURES

Every school in the Fortune network has a Commitment to Excellence Contract that governs the relationships for the school, parents and students. The contract also includes language governing parent conduct on campus.

DUE PROCESS PROTECTIONS

Prior to student discipline, especially those involving suspension or expulsion or other limitation of fundamentally protected student rights, every student will have access to the maximum due process protections provided under the law, within the context of the circumstances. Students who are being considered for suspension and expulsion will be provided the specific due process protections provided below to safeguard the student's interests within the situation.

Suspension Procedure

Suspensions shall be initiated according to the following procedures:

Informal Conference

Suspension shall be preceded by an informal conference conducted by the principal or designee with the student and whenever practical, the teacher, supervisor or school employee who referred the student to the principal. The conference may be omitted if the principal or designee determines that an emergency situation exists or a parent/guardian is unresponsive. An "emergency situation" involves a clear and present danger to the lives, safety or health of students or school personnel. If a student is suspended without this conference, both the parent/guardian and student shall be notified of the student's right to return to school for the purpose of a conference.

Notice to Parents/Guardians

At the time of the suspension, a charter school employee shall make a reasonable effort to contact the parent/guardian by telephone or in person. Whenever a student is suspended, the parent/guardian shall be notified in writing of the suspension. This notice shall state the specific offense committed by the student. In addition, the notice may also state the date and time when the student may return to school. If school officials wish to ask the parent/guardian to confer regarding matters pertinent to the suspension, the notice may add that state law requires the parent/guardian to respond to such requests without delay.

Authority to Expel

Only the Fortune School of Education Board of Directors, upon the recommendation of the expulsion panel, may expel a student. The governing board may expel any student found to have committed an expellable offense(s) set forth in the Student/Parent Handbook.

Expulsion Procedure

Students recommended for expulsion are entitled to a hearing to determine whether the student should be expelled. Written notice of the expulsion hearing shall be provided to the student and the student's parent(s)/guardian(s) at least ten (10) calendar days before the scheduled hearing date. The hearing shall be held within thirty (30) school days after the date of suspension. The hearing will be conducted by the expulsion panel. The charter school principal will make a recommendation to the expulsion panel. The expulsion panel shall consist of at least three members who are certificated and neither a teacher of the pupil or a board member of the charter school's board of directors.

Finding of facts shall be based solely on the evidence at the hearing. While no evidence shall be based solely on

hearsay, sworn declarations may be admitted as testimony from witnesses whose disclosure of their identity or testimony at the hearing may subject them to an unreasonable risk of physical or psychological harm.

The decision of the expulsion panel shall be in the form of a recommendation to the charter school governing board which will make a final determination regarding the expulsion.

Written Notice to Expel

The principal or designee following a decision of the charter school governing board to expel, shall send written notice of the decision to expel to the student or parent/guardian. This notice shall include the following:

- 1) The specific offense committed by the student;
- 2) Notice of the student's right to appeal the expulsion;
- 3) Notice of the student's or parent/guardian's obligation to inform any new district and/or new school in which the student seeks to enroll of the student's status with the charter school.

The principal, or designee, shall send written notice of the decision to expel to the student's district of residence and the county office of education. This notice shall include the following:

- 1) The student's name;
- 2) The specific offense committed by the student.

Upon a student's expulsion from the charter school, the parent(s)/guardian(s) of the student shall be responsible for seeking alternative educational programs, including, but not limited to, programs within the county or their district of residence. The Charter School shall work cooperatively with student's parent(s)/guardian(s) as requested by parent(s)/guardian(s) or by the school district of residence to assist with locating alternative placements during expulsion.

Appeal Rights

Following receipt of the notice of expulsion or suspension, the student shall have the right to appeal that decision to the full Fortune School of Education Board of Directors. The student shall have 10 days to present her/his intention to appeal the decision. Upon the appeal, the student shall have the right to a de novo review in front of the full governing board in closed session, including the full complement of due process rights available to the student during the initial hearing. The full governing board will then render a final decision regarding the student's appeal.

Disciplinary Records

The school shall maintain records of all student suspensions and expulsions. Such records shall be made available for the district / county office's review upon request, but neither the district nor county office of education shall be involved in the disciplinary decision.

Readmission

The decision to readmit a pupil or to admit a previously expelled pupil from another school district or charter school shall be the sole discretion of the governing board following a meeting with the principal and the pupil and guardian or representative, to determine whether the pupil has successfully completed the rehabilitation plan and to determine whether the pupil poses a threat to others or will be disruptive to the school environment. The principal shall make a recommendation to the governing board following the meeting regarding his or her determination.

CALIFORNIA EDUCATIONAL CODE SECTION 48900

A pupil may be suspended from school or recommended for expulsion if the Principal of the school in which the pupil is enrolled determines that the pupil has committed an act as defined pursuant to Education Code Section 48900. Students are responsible for their actions and are expected to adhere to the Commitment to Excellence Contract and school rules and policies. If a student is in violation of a school rule or policy, a teacher or staff member will refer him/her to the appropriate administrator to determine the consequences based on the type and severity of the violation.

Corporal Punishment will not be permitted at any Fortune school. Any employee who engages in such action will be terminated immediately.

CONSEQUENCES FOR NOT ADHERING TO THE COMMITMENT TO EXCELLENCE CONTRACT OR SCHOOL RULES

We consider the totality of the circumstances and anticipate that students will make mistakes. Our desire is that students learn from those mistakes and grow to become responsible young adults who can make positive choices for themselves. Therefore, we will work with students to help them learn self-discipline by way of holding them accountable for their actions.

Minor Violations

- Students will receive progressive discipline in response to negative behavior. The first minor offense where the teacher needs to directly address the student will result in a consequence that includes the loss of a citizenship point.
- Student behavior will be tracked and will result in citizenship point being lost (e.g. loss of paycheck dollars, loss of behavior color, loss of Dojo point).

Repeated Violations

Students who fail to respond to teacher interventions to Minor Violations and do not correct their behavior should expect the following:

- Sent to the Porch
- Loss of further privileges, such as participation in activities, incentives or field lessons
- Parent-Teacher conference / Student Success Team Meeting
- Completion of a letter of apology, verbal apology, or reflection journal
- Reclassification as a Major Violation and office referral

Major Violations

See Discipline Matrix.

THE PORCH

The “Porch” is one of the consequences for not adhering to expectations and the Commitment to Excellence Contract. The Porch means that the student must work in isolation in the classroom. Instead of sitting with the group, he/she sits apart from the other students. During their time on the Porch, students re-learn the expectations of each member of the team, and the value of making good choices.

This consequence ends when the teacher(s) see improvement in student conduct (listening, following directions, respect for self and others, completion of all assigned work). Although, the student is on the Porch, he/she still receives all instruction and is expected to complete the same class work and homework, but the student works alone. Furthermore, a student on the Porch:

- Eats at a separate table or room at lunch and breakfast
- Must ask to go to the bathroom at a set time in the morning and afternoon
- Walks in the back of lines
- Loses other school privileges

Students on the Porch must ask permission from the teacher to enter and leave a classroom. This enables the teachers to more effectively monitor their actions and provide a re-focus at the beginning of every class period. Students on the Porch are excluded from certain field lessons and other school privileges.

There are two (2) reasons for the existence of the Porch. First, this reinforces the basic reward and consequence system of the school and life in general: good things happen when an individual makes the right choices and negative things happen when an individual makes poor choices. Second, the school places a high value on the concept of TEAM. Students are expected to contribute to the team of students and teachers by respecting others and doing their share of the work. The Porch is a consequence where all the benefits of the TEAM are taken away and thus, the student comes to value the advantages of being a member of the school’s TEAM.

FIGHTING

The first time a student chooses to fight, the student will be immediately referred to an administrator and suspended from classes for a minimum of the remainder of the day and the next day. Consult the Discipline Matrix for the consequences of fighting and the escalation of those consequences. The following definition will be used to classify fighting: *Caused, attempted to cause, or threatened to cause physical injury to another person or willfully used force or violence upon another person, except in self-defense.*

DISCIPLINE MATRIX

The purpose of this matrix is to ensure that our schools are a safe and orderly environment in which learning is not jeopardized by disruptions. Each teacher provides students with a clear set of classroom rules and expectations and will administer consequences for minor offenses within the classroom. A discipline referral will result if students do not correct classroom misbehavior. The following matrix contains consequences that shall be administered if classroom behavior is not corrected or more serious actions occur. The type of discipline will depend upon the student’s disciplinary background and the seriousness of the student’s action. The disciplinary action outlined below serves as the required disciplinary action to be taken by administration. The principal may not modify disciplinary action at his/her discretion. Other actions not listed will be reviewed on a case-by-case basis. Multiple or repetitive violations of behavior rules may result in suspension and/or expulsion. All documentation required under the Discipline Matrix will become part of the scholars’ disciplinary record.

A student may be suspended or expelled for prohibited misconduct as set forth in this Policy and the Discipline Matrix below, if the act is related to school activity or school attendance occurring at any time including but not limited to: a) while on school grounds; b) while going to or coming from school; c) during the lunch period, whether on or off the school campus; d) during, going to, or coming from a school-sponsored activity.

Plagiarism occurs when a student uses another writer’s work without giving credit for the source. Plagiarism typically occurs in school situations in the following ways:

- A student uses the author’s words without using quote marks around the material.
- A student uses an electronic source (internet, TV, lyrics) without citing the source.
- A student uses the author’s ideas or information without giving credit for the material (known in the academic world as “citing the source”).
- A student does both—uses the author’s words *and* ideas without citing the source.

Cheating can take many forms but always involves taking information from another student or individual. Examples of cheating can include but are not limited to:

- taking answers on a test, homework, or quiz from another student or other source, with or without his/her knowledge;
- collaboration on assignments such as taking or sharing answers without teacher permission;
- obtaining test answers and/or questions from other students in advance of an exam;
- stealing test materials from a teacher’s belongings;
- falsifying grade reports or changing a grade book;
- taking pictures of an exam and forwarding the pictures to anyone;
- texting answers or questions to anyone.

Cheating can be accomplished by several means, including but not limited to: deception, theft, talking, signs, gestures, copying, use of unpermitted study aids such as “cheat sheets,” and threats to other students.
