

Congratulations!

Congratulations, your team has been selected to compete at the fourth annual STEAM Tank Challenge at Workshop 2019 on October 22 and 23 at the Atlantic City Convention Center. Workshop 2019 is sponsored by the NJSBA, NJASA and NJASBO.

In a short period of time, the STEAM Tank competition has grown in popularity, primarily due to student entrepreneurship, innovative ideas, incredible presentations and the support of educators and boards of education.

Prize money will be awarded to the winning teams through a generous grant from the PSEG Foundation. The grant is part of a larger award provided to the National Wildlife Federation (NWF) in collaboration with Eco – Schools USA managed in NJ by the New Jersey Audubon Society, which includes NJSBA as a strategic partner. The winners of the STEAM Tank Challenge at Workshop 2019 will be announced at the NJEA convention in November.

You will be notified of the specific details and timeslots for the final competition in follow-up correspondence. In closing, if you have not paid your registration fees, please do so at your earliest convenience.

We look forward to seeing you in October.

The STEAM Team
