## Parent and Family Engagement Policy

The NPE School Compact outlines how the NPE faculty can work together with families to help children grow both academically and socially. This compact explains how parents, the school staff, and students will share responsibility for improved student academic achievement. Compacts are discussed with parents/guardians and students during Parent/Teacher Conferences the week of October 14<sup>th</sup>. During these conferences, teachers will discuss the details of what the school will provide, how progress will be communicated, and how families can support their child's learning.
