

**Sec. 6.18.1. STATE FUNDING: SPECIAL ALLOTMENTS**

**Advantage Academy** shall maintain records of students participating in special programs in accordance with the Commissioner’s rules. (19 TAC §129.21)

**Sec. 6.18.2. SPECIAL EDUCATION ALLOTMENT**

Each open-enrollment charter school will receive an annual allotment equal to the adjusted basic allotment multiplied by 1.1 for each student receiving special education and related services in a mainstream instructional arrangement. For each full-time equivalent student receiving special education and related services in average daily attendance in an instructional arrangement other than a mainstream instructional arrangement, the open-enrollment charter school is entitled to an annual allotment equal to the adjusted basic allotment multiplied by a weight determined according to instructional arrangement as set forth in Section 42.151, Texas Education Code.

Funds allocated under this section, other than an indirect cost allotment established under State Board of Education rule, must be used in the special education program under Subchapter A, Chapter 29. (TEC §42.151(h))

**Sec. 6.18.3. COMPENSATORY EDUCATION ALLOTMENT**

**Advantage Academy** must use funds allocated under TEC §42.152(a) for a purpose authorized in TEC §42.152(c) but is not otherwise subject to Subchapter C (Compensatory Education Programs), Chapter 29, Texas Education Code governing compensatory educational programs. (TEC §42.152(c))

Funds allocated under TEC §42.152 shall be used to fund supplemental programs and services designed to eliminate any disparity in performance on assessment instruments administered under Subchapter B (School-Based Health Centers), Chapter 39, Texas Education Code or disparity in the rates of high school completion between students at risk of dropping out of school, as defined by TEC §29.081 (Compensatory, Intensive, and Accelerated Instruction) and all other students. Specifically, the funds, other than an indirect cost allotment established under State Board of Education (SBOE) rule, which may not exceed 45 percent, may be used to meet the costs of providing a compensatory, intensive, or accelerated instruction program under TEC §29.081 or an alternative education program established under TEC §37.008 (Disciplinary Alternative Education Programs) or to support a program eligible under Title I of the Elementary and Secondary Education Act of 1965, as provided by Pub. L. No. 103-382 and its subsequent amendments, and by federal regulations implementing that Act, at a campus at which at least 40 percent of the students are educationally disadvantaged. In meeting the costs of providing a compensatory, intensive, or accelerated instruction program under TEC §29.081, **Advantage Academy’s** compensatory education allotment shall be used for costs supplementary to the

regular education program, such as costs for program and student evaluation, instructional materials and equipment and other supplies required for quality instruction, supplemental staff expenses, salary for teachers of at-risk students, smaller class size, and individualized instruction. (TEC §42.152(c))

**Sec. 6.18.4. BILINGUAL EDUCATION ALLOTMENT**

For each student in average daily attendance in a bilingual education or special language program under Subchapter B, Chapter 29, an open-enrollment charter school is entitled to an annual allotment equal to the adjusted basic allotment multiplied by 0.1. Funds allocated under this section, other than an indirect cost allotment established under State Board of Education rule, must be used in providing bilingual education or special language programs under Subchapter B, Chapter 29, and must be accounted for under existing agency reporting and auditing procedures. An open-enrollment charter school's bilingual education or special language allocation may only be used for program and student evaluation, instructional materials and equipment, staff development, supplemental staff expenses, salary supplements for teachers, and other supplies required for quality instruction and smaller class size. (TEC §§12.104(b)(2)(G) and 42.153)

**Sec. 6.18.5. CAREER AND TECHNOLOGY EDUCATION ALLOTMENT**

For each full-time equivalent student in average daily attendance in an approved career and technology education program in grades nine through 12 or in career and technology education programs for students with disabilities in grades seven through 12, an open-enrollment charter school is entitled to:

1. an annual allotment equal to the adjusted basic allotment multiplied by a weight of 1.35; and
2. \$50, if the student is enrolled in:
  - a. two or more advanced career and technology education classes for a total of three or more credits; or
  - b. an advanced course as part of a tech-prep program under Subchapter T, Chapter 61.

For purposes of this allotment, “full-time equivalent student” means 30 hours of contact a week between a student and career and technology education program personnel.

Funds allocated under this section, other than an indirect cost allotment established under State Board of Education rule, must be used in providing career and technology education programs in grades nine through 12 or career and technology education programs for students with disabilities in grades seven through 12 under Sections 29.182, 29.183, and 29.184. (TEC §§12.104(d) and 42.154)

**Sec. 6.18.6. INDIRECT COST ALLOTMENTS**

Beginning with the 2012–13 school year, an open-enrollment charter school may choose to use a greater indirect cost allotment under Education Code 42.151, .153, .154, and .156, to the extent the school receives less funding per weighted student in state and local maintenance and operations revenue than in the 2011–12 school year.

The Commissioner will limit the percentage increase in allowable indirect cost to no more than the percentage decrease in state and local maintenance and operations revenue from the 2011-2012 school year. (TEC §42.1541; 19 TAC §105.11)
