

Band Program Summary

Band classes are being offered at your school at the following times. Lessons will be under the direction of Mr. Kyle Anderson.

ST. JOSEPH-LIBERTYVILLE BEGINNER SCHEDULE 2019-2020

Monday	Tuesday	Wednesday	Thursday	Friday
<i>Beginner A</i> 12:29-1:09	<i>Italics indicate weekly rotating schedule</i>		<i>Intermediate</i> 1:11-1:50	
<i>Beginner B</i> 1:11-1:50		<i>All Beginners</i> 2:15-3:00		

- Tuition is \$612.00 for the school year divided into 9 equal monthly payments of \$68.00. **Additional children from the same family are half price.**
- In addition to classes, your child will play in at least three concerts throughout the year, and participate in other band activities.
- All billing is done directly, eliminating the need for children to bring money to school.

Instruments:

- Our company offers a competitive **rent-to-own instrument program**. Flutes, clarinets, trumpets, trombones & percussion kits (snare drum & bells) rent for \$36.00/mth, alto saxophones rent for \$51.00/mth, and baritones rent for \$61.00/mth.
- All rental fees (excluding \$5.00 per month for maintenance & insurance) are applied to the purchase of the instrument, allowing you to **build equity in your child's instrument**.
- A minimum 3-month rental is required. **No security deposit is due if you sign up for our automatic payment** plan with a major credit or debit card. Otherwise, a security deposit of \$62.00 for most instruments (\$92.00 for Saxes, and \$112.00 for baritones) is due upon registration. The security deposit is refundable if you return the instrument in good condition after the initial 3 month period.
- Discounted purchases of the instrument (30% off the balance) can be made at any time during the first 3 months of rental.
- **We've got everything you need to get started.** Students will also need a music stand (\$16.00), and a lesson book (\$11.00 for most instruments, \$18.00 for percussion book).

Registration & Sign-up Night is at the school

Monday, September 9, 2019 at 6:00 PM

You can also register by phone or on-line at

www.MusicEdServices.org

School Code: JOEL

The first month tuition, rental, supplies, and security deposit (if required) are due at registration.
Pay by cash, check, or credit card.

welcome to

the band

This fall, your child has the opportunity to join the school band. Band is being offered through **Music Education Services** and classes are being formed right now. A few days ago students attended a concert introducing them to the family of instruments. Earlier today your child took part in a hands-on exploration of their interests, and had the opportunity to play a few instruments. These instrument trials were done under the supervision of a state certified band instructor.

Based on **your child's** playing experience, we would suggest the instruments circled below. The instrument choices reflect a number of factors including your child's preference, physical characteristics, and the instruments on which he or she experienced the **most success**.

Flute

Trumpet

Clarinet

**Percussion
(Drum/Bells)**

Trombone

Alto Sax

Baritone

Beginning classes consist of students with **no prior band experience!** Most of the beginners will have had no other experience making music. A child who learns to play a musical instrument not only learns discipline and cooperation, but also enriches his or her creativity and self-esteem. Playing an instrument places your child in a worthwhile activity and provides something interesting and artistic to do during leisure time. Moreover, recent university research has demonstrated that playing an instrument is directly linked to improved test scores.

More detailed information appears on the other side of the letter. This is an excellent chance for your child to participate in a **truly worthwhile**, broadening musical experience. We hope you take advantage of this opportunity.
