

Student Supplied Tools & Supplies List

The following supplies and small hand tools are required for daily functioning in this course. These items are mandatory and are to be provided by the students.

1. OSHA approved leather shoes w/steel or composite toe
2. OSHA approved Safety glasses
3. Welding Gloves- Arc gloves or MIG gloves, TIG gloves during Spring Semester
4. Sharpie permanent marker
5. MIG Welding pliers
6. 10" Vice Grips
7. Chipping hammer
8. Wire brush
9. 12" combination square
10. Tape measure
11. Welding cap or bandana (optional, but highly recommended)
12. Small tool bag
13. Three-ring binder
14. Pad of notebook paper
15. Writing utensil either a pen or pencil, mechanical pencil preferred

I recommend looking at Reams and/or Smith & Edwards for your shoes. Both companies have an excellent selection and reasonable prices. Many of the other items can be purchased from the following list of welding supply companies. Some of the items can also be found at hardware stores like Ace, Lowe's, Home Depot, or Harbor Freight. Students must purchase these tools and classroom materials before they will be able to engage in welding activities.

Airgas: 3415 S 700 W, Salt Lake City, UT 84119 - (801) 288-5000

Norco Industrial: 3750 2100 S, Salt Lake City, UT 84120 - (801) 467-7378

Praxiar: 1884 300 W, Salt Lake City, UT 84115 - (801) 487-5341

US Welding: 999 S Redwood Rd, Salt Lake City, UT 84104 - (801) 973-9082
