

What is a Quartermania?

Quartermania is a very fun and fast paced event where vendors from various home- based businesses and WHS Theatre Company bring several items to be auctioned for 1-4 quarter bids.

Quartermania is a triple win situation. Whittier High School Theatre Company will make money from the event. The guests who come will all leave with their bargain purchases and prizes. (*Everyone leaves a winner!!*) The vendors benefit by meeting a new client base, selling products and offering opportunities to join their business or promote further events.

HOW DOES THE WHS THEATRE COMPANY MAKE MONEY FROM THIS?

The admission price minus costs for food etc. goes to the WHS Theatre Company. Since we are a vendor, we get all of the quarters from our auction. We also get to keep all the proceeds from the opportunity drawing ticket sales, and ½ of the Shared Pot drawing.

The following vendors are scheduled to be there (subject to change, however):

Tastefully Simple, Damsel in Defense, Pampered Chef, Scentsy, Bottle Lights, Creative Memories, Simply Scarves, Origami Owl, Perfectly Posh, Party Lites, Nice & Bella, the Coco Exchange, Carmen's Creations, Grandpa's Woodworks, Buddy's Garden, Hotel Life Sheets, and Sam's Club
