

REUBEN H. FLEET SCIENCE MUSEUM with an IMAX FILM Plus, access to exhibits!!!

VISITING EXHIBITS:

Taping Shape 2.0

One of the Fleet Science Center's most popular—and most unusual—exhibitions is back! In Taping Shape 2.0, hundreds of rolls of packing tape are unfurled and bound together to create a world of translucent spaces and tunnels for visitors of all ages to explore. Wear your most colorful socks, because this exhibit is shoes-off and hands-on!

Don't Try This at Home

Don't Try This at Home is back, in its home, at the Fleet Science Center with a series of live shows that explore science that's too cool and too hair-raising to do at home! You can experience two different shows daily, live, on stage, giving you plenty of opportunities to experience *Don't Try This at Home* during your Fleet visit.

IMAX: National Parks Adventure (Grades 2-12) 9:45 a.m. [Watch the Movie Trailer!](#)

Embark on the ultimate off-trail adventure into America's awe-inspiring great outdoors, including Yellowstone, Yosemite, the Everglades, the Redwoods, and Arches. Learn its history and the vital contributions of John Muir and President Teddy Roosevelt to the establishment of our national park system.
