INTRODUCTION

The Palos Verdes Peninsula Unified School District's High School Athletics Handbook is a reference guide for student-athletes and parents, concerning the policies that govern interscholastic athletics.

The coach of an athletic team reports to the Athletic Director and is primarily responsible for the compliance by his/her squad members to the rules, regulations, and policies governing athletics. The Athletic Director will administer these rules and regulations as they relate to inter-squad and inter-coach relationships.

Sound reasoning, good judgment, and adherence to the school's core values will be the standard by which situations outside these stated rules and regulations are determined and evaluated.

Interscholastic athletics is a voluntary extra-curricular program. Students are not obligated to participate and participation is not required for graduation. Thus, competition in high school athletics is a privilege and not a right. Accompanying this privilege is the responsibility to conform to standards established for the high school athletic program. This privilege may be revoked if the athlete fails or refuses to comply with the rules.

SPORTS OFFERED

FALL SPORTS	WINTER SPORTS	SPRING SPORTS
Cross Country – Boys	Basketball --- Boys	Baseball --- Boys
Cross Country --- Girls	Basketball --- Girls	Golf --- Boys
Football	Soccer --- Boys	Lacrosse --- Boys
Golf --- Girls	Soccer --- Girls	Track - Boys and Girls
Tennis --- Girls	Wrestling – Boys*	Lacrosse --- Girls
Volleyball --- Girls	Wrestling – Girls*	Softball --- Girls
Water Polo --- Boys	Surfing	Swimming – Boys
Water Polo --- Girls		Swimming – Girls
		Tennis --- Boys
		Volleyball - Boys

*= Peninsula Only

PHILOSOPHY

The Athletic Department is an integral part of the total educational program. Being involved in athletics provides the student with opportunities to learn skills, good sportsmanship, develop leadership skills and learn the ideals of fair play and ethical behavior that are necessary for competition and cooperation in our society. It should also provide our students with the unique opportunities for self-discipline, self-sacrifice, and loyalty to the community, the school and the team. PVPUSD encourages all students to participate in athletics by offering a well-rounded program of interscholastic athletics for young men and women.

SPORTSMANSHIP

As members of a PVPUSD athletic program, students, coaches and parents are expected to demonstrate proper respect for each other, opponents, opposing coaches, teachers, officials, spectators, and the community. Student athletes and coaches are expected to exhibit the highest level of conduct, both on and off the playing fields, as they are at all times a representative of their team, school and community.

COMMITMENT

All team members are valuable, and each team needs to know that it can count on its members to be there. Often this means sacrificing social life, family trips and other events, which come in conflict with the training and competition schedules. Learning how to make choices is one of the most valuable life lessons an athlete takes from a good athletic program. All players are expected to attend all practices and competitions, even if the sport is “no cut”.

ATHLETIC STAFF/COACHES

PVPUSD strives to hire experienced coaches, committed to educating student athletes in individual skills, teamwork, good sportsmanship and fair play. Our preference is always to recruit coaches from our faculty and staff. For those coaches hired from outside the school, every effort is made to integrate them into the entire school community. The same behavior expected of a teacher in the classroom is expected of all coaches during practices and games.

Coaches manage their teams under the supervision of the Athletic Director. Varsity coaches have general oversight of the JV and Frosh/Soph programs for their sport.

The Athletic Director reports to the Assistant Principal in charge of Athletics, and ultimately to the Principal. The Athletic Director provides for overall leadership and coordination of the various sports to facilitate programs that provide student athletes with worthwhile learning experiences

ATHLETIC DEPARTMENT INFORMATION, EXPECTATIONS, PRACTICES & POLICIES

ACADEMIC ELIGIBILITY

Student athletes must be currently enrolled in and passing 20 semester units. In addition, student athletes must have at least a 2.0 GPA for all enrolled courses on a scale of 4.0 at the most recent grading period. Only official grading periods (quarter grades) can be used for eligibility. There are no interim grade checks during a grading period.

No student---athlete whose nineteenth birthday is attained prior to June 14th shall participate or practice on any team in the following school year.

If a student---athlete finds himself/herself academically ineligible, there is an Athletic Eligibility Waiver application available. Student---athletes may apply for the waiver one time in their high school career and freshmen are not eligible for the waiver. Please contact the Assistant Principal in charge of Athletics for more information.

RESIDENTIAL ELIGIBILITY

All transfer and foreign exchange students, however, must complete a separate CIF transfer form to be eligible to participate. This applies to transfers of any kind (family move, interdistrict transfer, living with relative, etc.). If you have previously attended another high school, please see the Athletic Director immediately.

HEALTH ELIGIBILITY

Athletes must obtain health clearance from the Athletic Office prior to participating in any tryouts or practices and have a current physical on file in the school nurse's office. This physical form requires the signature of the doctor who has examined and cleared the student for competition per California Interscholastic Federation (CIF) rules. The Physical exam is valid for one year from the date it is completed. Failure to renew the physical before the expiration date will result in the athlete not being able to participate in any practices or competitions.

TRYOUTS

Generally, coaches will hold a pre-season meeting for all interested student-athletes explaining the tryout schedule and any pre-season voluntary conditioning sessions. All athletes meeting eligibility requirements may try out for a team. Multi-sport athletes must finish the current sport's season before trying out for a new team. However, it is a good idea to communicate with the coach of the new team of intentions to try out after the current season ends. Athletes coming from another sport are given the same tryout once their season ends.

RELEASE FROM/RETURN TO PHYSICAL EDUCATION CLASSES

Only the P.E. teacher of record can excuse an athlete from her/his Physical Education class. The Athletic Director notifies the physical education teachers once he/she has received a team roster and checked eligibility. The student must return to her/his Physical Education class after the last competition or if she/he is released from or quits a team. If a JV/ FS player is called up to Varsity for playoffs, the coach must notify the AD, who will inform the PE teacher.

PRACTICE

Coaches will have regular practice schedules depending on availability of field, pool or gym space. Varsity practices are expected to be no more than 2 - 3 hours in length, 5 - 6 days per week. Early morning practices may be held due to facility availability. Coaches may set practice times during vacations depending on the season. All players are expected to attend all practices and competitions, even if the sport is "no cut".

CONFLICTS WITH OTHER SCHOOL COMMITMENTS

Athletes are expected to work with their coaches when conflicts arise due to other school commitments.

Athletes must recognize that missed practices or games may result in reduced playing time in future competitions.

SCHOOL ATTENDANCE

It is expected that athletes will attend class on school days in order to participate in practice or competitions.

NON-SCHOOL OR OUTSIDE COMPETITION RULE

According to CIF rules, a student-athlete on a high school team becomes ineligible if the student-athlete competes in a competition on an "outside" team in the same sport during the student athlete's high school season of sport. Individual sport athletes like swimming, wrestling, badminton, cross-country, golf, gymnastics, skiing, tennis, and track and field may compete in the same sport but **MUST** enter the outside competition in "unattached status."

PARENT INFORMATION NIGHT

At the start of each season, the Head Coach will hold an information session for parents to review policies of the team, including philosophy, sportsmanship and funding. Attendance is strongly recommended. The dates for the meetings will be communicated through the coaches.

TRANSPORTATION

All team members are expected to ride with the team to and from competitions. Busses or arranged parent carpools are all methods of transportation that teams will use. Only parents with proper paperwork filed may drive the carpools. For emergencies only and with prior approval from the school administration, students may drive their own cars. At no time shall students ride with a student driver. With prior permission of the coach, parents may drive their child after a competition. Parents must fill out an insurance form to be eligible to drive athletes to away games. Please see the Athletic Secretary for the driving forms.

UNIFORMS & EQUIPMENT

Athletes are issued uniforms and equipment for each team. All equipment and uniforms must be returned to the head coach within 7 days of the last game. A student will be charged for the replacement cost of uniforms and grades/schedules/transcripts will not be released until all obligations are met. Athletes should be appropriately attired if out of the athletic area of campus (i.e. swimmers and water polo players should wear clothing outside of the pool deck). Deck changing is strictly prohibited.

CLUB SPORTS

Many athletes and coaches are involved with club sports. PVPUSD teams are independent from all club sports. Participation in club sports does not fulfill PE requirements, nor is it a criterion for playing on a school team. Participation on an outside club sports team is not a valid excuse for missing school team practices or competitions.

PARTICIPATION DONATION

The high school athletics program in PVPUSD cannot function without your support. The Athletic programs are self--funded except for coaching stipends. Your donation is used to pay for major operating costs including transportation, officials, league fees, equipment, tournament entries, uniforms, first aid supplies and team/athlete awards. A contribution (dollar amount varies by sport) is requested (not required) from each athlete upon his/her selection to a team, for each sport, each season. Without your generous donations, sports at PVPUSD cannot be offered. High school sports cost much less than outside club teams and we appreciate your help in keeping our teams viable.

PVHS AND PENINSULA HIGH SPORTS BOOSTERS

The high school sports booster clubs support the athletic programs at each respective high school.

- **Participation Donation:** Families are requested to contribute for each team, each season. The participation donation is necessary to maintain the sports program, but voluntary.
- **Fund Raising:** Parents have helped raise funds for the athletics program through a variety of activities. These include running the concessions stand for football and basketball games, the Annual Auction, , participation in the scrip program, scheduling restaurant nights, Gear Sales (T-Shirts, caps, etc.), and the Golf Tournament.
- **Parent Participation/Team Parent:** Parents are encouraged to support their athletes, go to games, serve as team parents, help out in the concession stands, coordinate fund raising efforts and other events. Everyone is encouraged to attend Booster monthly meetings. Information about time and location is available on the school website. In order to facilitate communication between the different teams and the Sports Boosters, each team has a Team Parent who represents their team at the Boosters meetings, coordinates team fund raising efforts and plans team parties, etc. Please contact the coach if you are interested in being a Team Parent.

SAFETY

ATHLETIC TRAINING

We are fortunate to have highly qualified and skilled full-time trainers as members of each high school staff. The trainers are on site every day and for all home games. The training program exists to help athletes receive the best possible care. At certain times, however, the trainer and training room facilities are extremely busy. Consequently, access to the training room and its services is limited to athletes who require care only. Training services are granted on a first come, first served basis on practice days. On game days, students will be treated in an order that will allow bus and/or game commitments to be met.

ACCIDENT/INJURY

Coaches will have access to their student---athletes' medical information at all practices and competitions. Coaches are trained in basic first aid. It is the responsibility of the athlete to report ALL injuries to their coach. The coach and/or athlete will then communicate the injury to the Head Athletic Trainer. All sport related injuries must be reported to the athletic trainer and the school nurse. A student may not return to competition without clearance by the trainer, which may also include written permission from a physician.

ILLEGAL & PERFORMANCE ENHANCING SUBSTANCES

Any athlete found to be in possession of or involved in the use of alcohol, tobacco, smokeless tobacco or narcotics during the season, while attending school or at any school-sponsored activity, will be suspended from athletics for a period of time determined by the School Administration.

Performance enhancing substances are strictly prohibited. The Board of Education recognizes that the use of androgenic/anabolic steroids ("steroids") and other performance enhancing supplements presents a serious health and safety hazard. As part of the District's drug prevention and intervention efforts, the Superintendent or designee and staff shall make every effort to ensure that students do not begin or continue the use of steroids or other performance enhancing supplements. Students in grades 7-12 shall receive instruction on the effects of steroids as part of their health, physical education, or drug education program.

Students participating in interscholastic athletics are prohibited from using steroids or any other performance enhancing supplements. Coaches shall educate students about the District's prohibition and the dangers of using these substances.

Use of energy drinks (i.e. 5 Hour Energy, etc.) is highly discouraged and detrimental to an athlete's health and athletic performance.

As part of the registration process, a student athlete and his/her parent/guardian shall sign an agreement that the student athlete shall not use steroids, unless the student has a written prescription from a fully licensed physician, as recognized by the American Medical Association, to treat a medical condition.

A student who is found to have violated the agreement or this policy shall be restricted from participating in athletics and shall be subject to disciplinary procedures including, but not limited to, suspension or expulsion in accordance with law, and board policies, and administrative regulations.

ATHLETICS CODE OF CONDUCT

PVPUSD has a duty to ensure that their athletic programs impart important life skills and promote the development of good character. At all practices and athletic competitions, coaches, players and parents are expected to emphasize the proper ideals of sportsmanship, ethical conduct, and fair play.

BEHAVIOR EXPECTATIONS

- Be prompt to practices and games.
- Be gracious in victory and accept defeat with dignity.
- Be respectful to others – no profanity, obscene cheers or gestures, negative signs, artificial noise makers, offensive remarks of a sexual nature, trash talking, taunting, boastful

celebrations or other actions that would demean individuals or the sport.

- Treat game officials with respect – no complaining about calls during or after an athletic event.
- Exercise self-control – no fighting or excessive displays of anger or frustration.
- Promote healthy life-style encouraging good nutrition and rest.
- Sexual or romantic contact of any sort between students and adults is illegal and a police report of such contact will be filed.
- Be open-minded, willing to listen and learn.
- Encourage teamwork on and off the field.
- Honor the spirit and letter of rules of the sport – avoid improper gamesmanship techniques that violate the highest traditions of sportsmanship.
- Positive cheering only. Spectators should not shout coaching comments – leave coaching to the coaches.

HAZING & BULLYING

Hazing is defined as any conduct or method of initiation into any student organization that willfully or recklessly endangers the physical or mental health of any student or person. Please remember, what one person may find “funny and harmless” can be perceived as embarrassing and traumatic to others. Hazing is strictly prohibited under the California Education Code. Students will sign an anti-hazing pledge that is kept on file by the school.

Bullying (Ed Code section 48900(r)) is defined as any conduct that is:

Severe or pervasive physical or verbal act or conduct, including communications made in writing or by means of an electronic act, and including one or more of the following:

- Sexual Harassment (48900.2)
- Hate Violence (48900.3)
- Threats, harassment, intimidation (48900.4)
- Has or reasonably predicted to have one or more of the following:
 1. Reasonable pupil in fear of harm to person or property
 2. Reasonable pupil to experience substantially detrimental effect to physical or mental health
 3. Reasonable pupil to experience substantial interference with academic performance
 4. Reasonable pupil to experience substantial interference with ability to participate in or benefit from services, activities, or privileges provided by the school

CONSEQUENCES FOR VIOLATIONS OF ATHLETICS CODE OF CONDUCT

Student-athletes, coaches and/or fans may be ejected from a competition for inappropriate behavior. For persistent violations of the code of conduct, parents and/or fans may be asked by the coach or AD to not attend future competitions.

For student-athlete's violations of code of conduct during games or practices playing time may be reduced, student-athlete may be removed from the team, or student-athlete may be referred to Assistant Principal and disciplined according to PVPUSD procedures.

In addition to the above, coaches agree to abide by the State Board of Education's Code of Ethics during games and practices. Unprofessional conduct will be addressed according to PVPUSD Board Policies and Procedures.

Parents and players are encouraged to address concerns about code of conduct violations through the conflict resolution process outlined below. Egregious conduct violations by parents, players and/or coaches will be brought to the attention of the Athletic Director and Principal immediately.

CONFLICT RESOLUTION

When conflicts or issues arise it is important that they be addressed immediately, and as directly as possible, so that they can be promptly resolved. It is important for student athletes and parents to recognize that coaching strategy, player/team selection and playing time are not appropriate subjects for complaint. In addition, parents should follow any instructions from the coach about the best way and time to approach the coach with questions or concerns.

- **First step:** Student Athlete contacts coach – The student athlete should present the conflict/issue to the coach as soon as possible. It is always best for students to become their own advocates. It is expected that the majority of concerns will be resolved at this first meeting.
- **Second Step:** Parent contacts coach – If needed, a parent may contact the coach directly – but not immediately before, during or immediately after a practice or game. A parent should email or call the coach to set up an appropriate time to discuss the issue.
- **Third Step:** Contacting the Athletic Director – If a satisfactory solution is not reached through direct contact with the coach, the student and/or parent should contact the Athletic Director. The coach should be informed that this contact is going to be made. If needed, a meeting may be scheduled involving all concerned parties in an attempt to reach a satisfactory resolution. The AD will respond to student athletes and parents in a timely manner as to the disposition of their concerns.
- **Fourth Step:** Contacting the Assistant Principal (AP) of Athletics – If there is still not a satisfactory resolution, the student or parent may contact the AP of Athletics. The Athletic Director should be informed that this contact is going to be made. While there can be no guarantee that all parties will agree with all resolutions or findings, a thorough, respectful airing of different perceptions and experiences can lead to more productive relationships and clearer understandings in the future.

Retribution/Retaliation: Retribution/Retaliation is prohibited in the California Education Code. Students and parents must be confident that the voicing of an opinion or concern, using the proper forum and method, is not only free from penalty or retribution, but also is strongly encouraged. The Athletic Directors and coaches are committed to insuring that after a student or parent raises an issue or concern, there shall be no "retribution" in any form within the athletic department at either High School.

LEAGUE/CIF INFORMATION

SOUTHERN SECTION OF THE CALIFORNIA INTERSCHOLASTIC FEDERATION (CIF)

PVPUSD is a member of the Southern Section of the California Interscholastic Federation (CIF). CIF is the governing body of high school athletics in the state of California. The objectives of this organization are:

1. To serve as an organization through which member high schools mutually adopt rules and regulations for interscholastic athletic competition so that Boards of Education and school faculties will regard interscholastic athletics as an educational resource to be encouraged and fostered.
2. To establish the responsibility for the administration of high school athletics by member schools in order to ensure satisfactory supervision.
3. To provide a constitution, by---laws, and organization through which member schools shall administer their interscholastic athletic programs.
4. To cultivate cordial and friendly relations among schools through good standards of sportsmanship.
5. To promote equal opportunities for all involved in California secondary school athletic programs regardless of race, religion, gender, or national origin.
6. To promote the acceptance of the Cardinal Principles and Code of Ethics of the California Interscholastic Federation.

CIF CODE OF ETHICS

It is the duty of all concerned with High School Athletics:

1. To emphasize the proper ideals of sportsmanship, ethical conduct and fair play.
2. To eliminate all possibilities which tend to destroy the best values of the game.
3. To stress the values derived from playing the game fairly.
4. To show cordial courtesy to visiting teams and officials.
5. To establish a happy relationship between visitors and hosts.
6. To respect the integrity and judgment of sports officials.
7. To achieve a thorough understanding and acceptance of the rules of the game and the standards of eligibility.
8. To encourage leadership, use of initiative, and good judgment by the players on a team.
9. To recognize that the purpose of athletics is to promote the physical, mental, moral, social and emotional well-being of the individual players.
10. To remember that an athletic contest is only a game – not a matter of life and death for player, coach, school, officials, fan, community, state, or nation.

Failure to follow the “spirit and intent” of CIF rules and regulations may result in the following penalties for your athletes and school: Forfeiture of all league games and championships and elimination of your school from Play---Offs in the particular sport.
