Our Lady of the Assumption Catholic Community

Grace
Gratitude
Generosity

True love calls for a commitment, to a family, a community, a cause. We respond to God's love (grace) with the commitment to live and grow as disciples of Jesus.

Today we note the grateful disciples who have generously committed to giving a portion of their financial resources to our parish mission.

See Pages 2 and 12

Grace

Good stewardship begins with our loving God. Everything that we have is a gift from God – our life and natural talents, our health and energy, our emotions and ability to reason, our family and relationships, and our material goods.

Gratitude

We are good stewards when we praise and thank the Lord for the many gifts we have been given. What a blessing it is when a gift is received in gratitude and used to the fullest!

Generosity

Scripture encourages us to trust in God's providence and be assured that our own needs will be met if we are generous. In fact, we have been promised blessings of every kind – the "hundredfold" of the Gospel.

As Christian stewards, we receive God's gifts gratefully, cultivate them responsibly, share them lovingly in justice with others, and return them with increase to the Lord.

– U.S. Catholic Bishops

We are deeply grateful for the gifts of time, talent and treasure given to our faith community. It is our pleasure to announce the 2019 Stewardship Honor Roll of parishioners who have renewed their commitment to support our parish mission and ministries in the coming year.

The process of making a written commitment is a healthy spiritual exercise that reminds us that stewardship is a way of life – at home, in the workplace, in our parish, and in service to those most in need. When we unite our efforts in Christ's mission, we can transform the world!

One of the expectations of all members of Our Lady of the Assumption is making a stewardship commitment. We encourage everyone to do so at the parish office or on the parish website at www.olaclaremont.org.

Together in Mission: Our Story is Hope

This weekend we welcome Myrna Ingelmo, a teacher at St. Joseph School in Pomona, to share her story of hope with us. Her school remains open as a strong Catholic presence in the community thanks to financial assistance from *Together in Mission*.

For over 25 years, this program has helped stabilize the Catholic parishes and schools in economically deprived areas of the Archdiocese of Los Angeles. Fully 100 percent of your donation helps to keep their doors open as signs of hope in the community.

We invite all families – those who have given in the past, and those who have never made a gift – to prayerfully consider a commitment to this year's campaign. Your gifts will go a long way to helping us reach our 2019 parish goal of \$140,900. We are pleased to report that we met our 2018 goal with payments of \$141,958 (102%).

A letter from Archbishop Jose Gomez should arrive in the mail this week. Consider the great role that our parish plays in your life and share that gift with others. Together we can ensure that these worthy parishes and schools will have a safe place to worship and learn.

Around OLA³

Our Lady of the Assumption Church

OLA community is a good neighbor!

It has come to our attention that cars parked for services at OLA have been blocking driveways in the neighborhood.

Please plan to arrive a few minutes early so that you have time to park. We ask that you take special care to observe all street signs and curb colors: Red means no parking anytime; Blue is for disabled persons only; White is for pick-up or drop-off; Yellow indicates a loading zone.

Parking lot protocol

Be advised that our parking lot gates are locked each night at 9:45 p.m. Please drive carefully through the parking lot before and after Masses. Cars should **enter** at Harrison Ave. and **exit** at Berkeley Ave. Thank you for your cooperation!

Parish information

Complete information about Mass times, our staff directory, contact information and parish programs and services is available 24/7 on our website at www.olaclaremont.org.

The Chocolate Campaign

It is about families. Cocoa farmers struggle to earn less than \$1 per day, so their children must join the workforce. Some – over a quarter of a million – are sold or kidnapped to work as slaves. The remainder have no chance to attend school. Fair Trade is turning this around. Certification means a decent wage – enough to put food on the table – in addition to strict rules that require children to attend school. International inspectors monitor all of this.

So when you purchase chocolate for Valentine's Day, join thousands of others across the country in buying only Fair Trade items. You will be sending a message to manufacturers that they must act ethically for your business.

Pope Francis*

"It is good for people to realize that purchasing is always a moral – and not simply economic – act. Hence the consumer has a specific social responsibility."
