

Dear Football Booster Club Supporter,

Welcome to the 22<sup>nd</sup> Annual Wild Game Dinner. Your continued support is exceptional and I could never show enough gratitude for your commitment our program. Our Traditions at Allen Park are something special and the Wild Game Dinner is no exception. As a proud alumnus, coach, teacher, and community member, I thank you for your generosity and continued support. This program has always been about “Family” for players and coaches. I see the alumni and our supporters as extended family. Our coaching staff feels that every year our family continues to grow as seniors become alumni and new players enter the program. We are truly blessed to coach in this wonderful community full of support.

On the field, the team went 9-3 including winning the District Championship. In that District Championship we defeated Trenton who got the best of us week 1 of the Season. Off the field we had many players receive post season awards including All State and Academic All State. These young men have learned valuable life lessons through the game of football including teamwork, hard work, persistence, and resiliency. They have also learned to give back to their community. They assisted setting up and taking down for the Street Fair and donated supplies for care baskets for people in need. We are proud of all of these young men and consider the season a success both on and off the field. It really does take a village and the support we have received has a positive influence on the program and these young men’s lives.

If you are an alumnus, parent, or supporter, please join us this year for a night of comradery, fun, and share some stories of the past at the 22<sup>nd</sup> annual Wild Game Dinner. For those of you who have attended or donated in the past, **THANK YOU**, we could not do it without you. It is an incredible event every year that is both fun and beneficial in raising support. With proceeds from this event we are able to purchase new uniforms, equipment, and training equipment that benefits our athletes and makes them more safe. This year’s dinner will be held on Friday, March 8<sup>th</sup> at the American Legion Post 409 hall located at 6737 Allen Road, Allen Park, Michigan. Doors open at 6:00.p.m. Please come out for a great night and be a part of our Jaguar “FAMILY”.

This year, as in the past seasons, the Football committee will be awarding a \$1,000.00 scholarship to a graduating senior football player.

The support that we have received from previous donors, dinner patrons, and raffle/auction participants makes this annual event a very successful and truly fun night for our attendees.

Respectfully,

*Head Coach, Tom Danosky & Allen Park Jaguar Football Coaching Staff*
