Mechanicsburg Area School District
Elementary Math Resource Guide

The programs listed below are great online resources to help students maintain their math concepts and skills over the summer break by providing practice exercises. Whether you review information from this last school year, or preview concepts for the upcoming grade, exposure to math skills over the summer is a benefit for students.

The Everyday Math Skills Link books for students in grades 1-5 provide practice exercises for concepts taught in the Everyday Math program during the school year. They are a great resource for parents who ask how they can assist their child in maintaining concepts and skills over the summer break.

If you are interested in purchasing one of these books they can be ordered directly from www.mheonline.com. The ISBN numbers are:

Grade 1: 978-0-07-672825-1
Grade 3: 978-0-07-672759-9
Grade 5: 978-0-07-672761-2

Grade 2: 978-0-07-672757-5
Grade 4: 978-0-07-672762-9

XtraMath is a FREE web-based program that helps students master basic addition, subtraction, multiplication, and division facts. Students learn to recall them quickly and accurately and can then use these math facts as a basis on which to build more complex problem-solving skills.

Summer Practice Information

Mechanicsburg Area School District uses Everyday Math 4 in all elementary classrooms for the 2019-2020 school year. The website for Everyday Math 4 is connectED.mcgraw-hill.com. The diagram on the back lists the steps to login to an account.

If your child was in grades 1-3 last year, they will need to use one of the district logins below. If your child was in grades 4 or 5 last year, their teacher has already created a username and password that can be used over the summer. If you have not received login information or you experience trouble, you can use one of the district’s default logins:

1st Grade
Username: 1mechanicsburg
Student Password: wildcat1

2nd Grade
Username: 2mechanicsburg
Student Password: wildcat2

3rd Grade
Username: 3mechanicsburg
Student Password: wildcat3

4th Grade
Username: 4mechanicsburg
Student Password: wildcat4

5th Grade
Username: 5mechanicsburg
Student Password: wildcat5
