Christian Greetings Parents and Guardians:

The student ministry group “Adventist Youth for Better Living” is spearheading an initiative to raise funds to help in the relief and recovery efforts. As a result of the devastation caused to The Bahamian region (Abaco Island and Grand Bahama Island) by hurricane Dorian, the students at Greater New York Academy have decided to take action. Their goal is to raise \$1,000 by Monday September 16, 2019 with each student contributing at least \$10 towards this effort. Donations have already started to come in and the students are excited to meet their goal. This letter is to inform you about the initiative and to encourage your assistance and support.

For Greater service!

Sincerely,

*N. Alexander*
