

The LCAP (Local Control Accountability Plan) Guidance Committee includes parents, guardians, community and business partners working alongside students, teachers and administrators. The goal of the committee’s work is to help make recommendations for continuous improvement for students districtwide.

## We need your help!

Assist Central students in continuous improvement.

Help create a positive school culture on all campuses.

Promote overall academic success.

Share ideas on how to increase student engagement.

Inspire students to become college and career ready.
