

Saint Olaf Catholic School

LLC Series #239

1. Are you including STEM Classrooms?
Stem curriculum is used throughout all grades.
2. What is the budget for the project?
We are looking for an economically responsible design and for the bids to inform our budget.
3. Does the school have an IT firm that they are working with currently?
No.
4. Does the school currently have drawings?
No.
5. What is the school's plan for asbestos abatement?
See the RFP.
6. What does the school want to see housed in the expansion?
See the RFP.
7. Has the school completed a full cost analysis of building new vs. renovating the current structure?
Not at this time.
8. What firm is completing the structural analysis of the current building for the school?
BHB Structural.
9. Can we take pictures of the building?
Yes, photos may be taken of the structure only. However, no students may be photographed.
10. Can we return with our architect and subcontractors to look at the building again?
Yes. Please contact the school secretary Mrs. Jill Moffat at either 801.295.5341 or jmoffat@stolafs.org to arrange a date and time to visit the school.
