

January 2019

One of our goals as a Dual Immersion School is to develop multi-cultural competence in all of our students! This means we want all of our students to be respectful and responsive to the beliefs, practices, cultural and linguistic dynamics of diverse cultures and populations. In January, we celebrate the honorable Dr. Martin Luther King. He was a courageous African American Civil Rights Leader who devoted his life to making life better for all Americans. Please consider taking a moment to talk with your children about the following quotes from this American hero. (1) "I have a dream that my four little children will one day live in a nation where they will not be judged by the color of their skin, but by the content of their character." (2) Love is the only force capable of transforming an enemy into a friend." (3) "Forgiveness is not an occasional act, it is a constant attitude." Thank you for finding a moment to learn as a family and explore these ideas as a family.
