

**Dardanelle School District**

**School Improvement Plan**

**2020-2021**

Current Mission and Vision:

The mission of the Dardanelle School District is to educate all students to enable them to become informed citizens in an ever-changing world.

Needs Assessment Data:

Dardanelle Schools are a focal point for the community. They are safe, positive places that encourage “self-growth”, student achievement, and lifelong learning. The partnership of school and community provides the resources to meet the needs of all students and expand the classroom into the community. Our staff serves our primary clients, the students, with a variety of instructional techniques that reflect best practices in education. Our staff receives ongoing training and support to learn and utilize these proven best practices and educational reform tools to maximize the educational process. Our schools utilize current technologies as tools to enhance student learning. Our graduates are healthy, productive members of society.

Goal 1:

Provide and maintain resources at the building level to maximize student achievement.

Actions and Timeline:

1. Assure that adequate and appropriate technology is located in all classrooms. (August 2020)
2. Maintain technology updates as needed and have a plan in place to replace technology as needed. (August 2020).
3. Assure that appropriate staff members are in place to meet the needs of all students in all academic areas. This includes appropriate interventionists and paraprofessionals. (Ongoing)

4. Provide professional development opportunities for all staff members in all of the content areas as needed.  
(Ongoing)

Goal 2:

Provide and maintain support for the implementation of new content-related programs.

Actions and Timeline:

1. The district will provide support necessary for the implementation of Project Lead The

Way, a STEM-Engineering approach to science education.

2. The district will continue to provide support necessary for the newly adopted GO Math program, Phonics First, and Rise Initiative.

3. The district will continue to train and support teachers in the Phonics First program, Disciplinary Literacy, and Rise.
