

URBAN LEAGUE OF GREATER PITTSBURGH'S

DIGITAL CONNECTORS

The Digital Connectors program sponsored by the Urban League of Greater Pittsburgh is a rewarding opportunity for young adults in grades 9-12. Digital Connectors is one of the STEAM (Science, Technology, Engineering, Agriculture (Arts) and Math) programs under the Urban League's Tech-U technology initiative. This program focuses on building 21st century skills as well as an overall well rounded individual that can give back to their community. The program is **FREE**, and is held after school on Tuesdays from 4:30-6:30 pm at the Urban League of Greater Pittsburgh, 610 Wood Street, Pittsburgh, PA 15222. Snacks will be provided, and transportation options are available for students as needed.

Digital Connectors students will be introduced to a level one CISCO CCNA Cyber-Security course, in which they will receive a certificate upon completion of the program. Students will also have exposure to post-secondary education, various STEAM careers, and participate in a service-learning project.

For More Information, contact techu@ulpgh.org or call 412-227-4246.
