

# AUDITION INSTRUCTIONS

Here is what you need to do to try out for this powerful and challenging play! Also, the play will be double-casted, however a separate cast will be made for the selection we will be performing for the Thespian Festival. What this means is that you could be cast in the Thursday Cast or the Friday Cast, and be selected to perform at Thespian Festival.

- STEP 1: Pick an Audition Time by visiting the link to the Digital Sign Up Sheet! The sign up sheet will be e-mailed to all who wish to sign up. Do not delay- the time slots will fill up quickly!
- STEP 2: Read through the character descriptions and think about what characters you are interested in or characters you think you be good at.
- STEP 3: Read through the Audition Monologues and pick one that you like or is for a character you are interested in.
- STEP 4: Complete the Audition Form! Google form! Link will be on Schoology and sent to incoming freshmen.
- STEP 5: Practice and make some bold character choices. The piece does not need to be memorized, but you should feel comfortable with the lines to be able to perform it well.
