February 27, 2020

Dear St. Elizabeth Families,

I hope everyone enjoyed the winter break. As the month of February ends this week, we also end the 2nd Trimester. Report cards will be going out the week of the 16th of March prior to conferences.

Science Fair information went home prior to the break. Please encourage your children to participate in this opportunity to show off their science knowledge and the ability to demonstrate what they have learned. I am looking for more of our younger students to show off their science skills.

The first week of March bus forms must be sent to the sending districts for transportation services or aide in lieu of. Many of you receive a reimbursement for transportation and without the forms being sent in on time, the district can rescind payment for the upcoming year. If you have any questions in regard to transportation forms, please contact Mrs. Palmieri. Please note that re-registration materials are also due as we prepare for the 20-21 school year. Please forward your re-registration and bus forms next week. If your child is not returning, please send the form back indicating that they are attending another school. Thank you.

Today we held our Oratorical Competition for 8th graders. The 1st Place winner was Salome Lokesh, 2nd Place Ben Danlasky and Isabella Falletta, 3rd Place Christopher Pitot and Honorable Mention, Payton Murphy. Congratulations to all our winners and to the entire group for their hard work and preparation. Thank you also to Mrs. Rogalski who organizes the event.

During the Lenten Season, please remind your children of the importance of Lent and how prayer, giving something they like up, or doing something for others is a means of sacrifice. With regards to Lent, we are also sending home today rice bowls to all our students.

Next week we begin Iowa Testing. Please make sure your children are on time for school, well rested and have had breakfast. Please do not send them if they are sick.

Have a wonderful weekend.

Sincerely,

Karen A. Lewis
