## Introduction/Purpose of Solicitation

The purpose of this Request for Proposal (RFP) is to enter into a fixed-price contract with a food service management company (FSMC) that will provide the Fenton Charter Public Schools (hereinafter referred to as the school food authority [SFA]) with food service management assistance for their food service operation. The FSMC will provide services to the SFA as described in the Scope of Work in the Model Fixed-price Contract.

The SFA's food service goals are to provide nutritious, high-quality meals to students and participants in the School Breakfast Program (SBP), National School Lunch Program (NSLP), After School Meal Supplements ("snack"), and Child and Adult Care Food Program (CACFP) ("supper") to accommodate special diets where medically necessary, improve the nutritional quality of meals, and maintain a financially viable food service program [Title 7, *Code of Federal Regulations (7 CFR)*, Parts 210, 220]

General food service goals are to

- Provide an appealing and nutritionally sound program for students as economically as possible by providing a meal that is at least 70% scratch-cooking with all meats cooked from a raw state
- Stimulate both student and adult participation in the program through improved relations with students, staff, and the community by creating awareness of the direct correlation between adequate nutrition for students and their ability to learn
- Increase participation at all levels of the food service program by improving meal quality, seeking student and parent input, offering menu variations, and improving planning
- Maintain reasonable prices for students and adults participating in the food service program
- Maintain student and staff morale at a high level

All procurement transactions shall be conducted in a manner that provides maximum open and free competition consistent with Title 2, *Code of Federal Regulations (2 CFR)*, Part 200.319(a)(1-7). The SFA will share with every Respondent all information necessary for submitting a competitive proposal. The release of this RFP, evaluation of Respondents, and award of a contract will use competitive bidding standards established in all applicable California state and federal statutes and regulations.

Outlined below are competitive bidding basic standards:

- The purpose of soliciting competitive proposals is to secure public objectives in the most effective manner and avoid the possibilities of graft, fraud, collusion, etc.
- The SFA released this RFP to benefit the SFA and not the Respondents.

- Fulfillment of RFP specifications is based on full and fair competition and acceptance by the SFA of the most responsive and responsible Respondent to the SFA's requirements, as determined by the SFA when evaluating proposals based on the criteria contained in the RFP.
- The RFP will provide a basis for full and fair competition among Respondents to a common standard, free of restrictions that tend to stifle competition.

The above four points are for illustrative purposes only, and do not include all California state and federal requirements to achieve competitive bidding.

To respond to this RFP, interested FSMCs must present evidence of experience, ability, and financial standing necessary to meet the requirements stated in this RFP. The SFA will measure this evidence by scoring the proposals, using a point system that will rank each proposal from highest to lowest, to determine which proposals they will consider for the award of a contract.

To be competitive in this solicitation, the Respondent must:

- Carefully read the entire RFP, attachments, exhibits, addenda, and SFA's responses to questions before submitting a proposal
- Ask appropriate questions or request clarification before the deadline in the RFP
- Submit all required responses by the required deadlines
- Follow all instructions and requirements of the RFP thoroughly and appropriately

If a Respondent discovers any ambiguity, conflict, discrepancy, omission, or other errors in this RFP, the Respondent shall immediately notify the SFA of the error in writing and request clarification or a modification of the RFP. If the Respondent fails to notify the SFA of the error prior to the date for submission of proposals, and is awarded the contract, the Respondent shall not be entitled to additional compensation or time by reason of the error or its later correction.

## General Instructions for Respondents

1. Prepare proposals simply and economically. Provide a straightforward concise description of the Respondent's capability to satisfy the SFA's requirements. Emphasis should be placed on completeness and clarity of content.
2. Submit proposals for the performance of all the services described within this RFP. The SFA will not consider any deviation from these specifications and will reject such proposals.
3. The SFA may reject a proposal if the proposal is conditional or incomplete, deemed nonresponsive, or if it contains any alterations of form or other irregularities of any kind. The SFA may reject any or all proposals or waive any immaterial deviation in a proposal. The SFA's waiver of an immaterial deviation shall in no way modify the RFP document or excuse the Respondent from full compliance with all other requirements if awarded the contract.
4. Respondents are responsible for the costs of developing proposals, and shall not charge the SFA for any preparation costs.
5. The SFA asks Respondents that do not intend to submit a proposal to notify the SFA in writing.
6. Respondents may modify their proposal after submission by withdrawing the original proposal and resubmitting a new proposal prior to the submission deadline. The SFA will not consider proposal modifications offered in any other manner, either oral or written.
7. The Respondent shall provide payment terms within their proposal.
8. The Respondent shall maintain records to support the SFA's Claim for Reimbursement and report claim information to the SFA promptly at the end of each month. Such records shall be made available to the SFA upon request and shall be retained in accordance with 7 *CFR*, Section 210.16(c)(1).

A 'domestic commodity or product' is defined as one that is either produced in the U.S. or is processed in the U.S. substantially (51% or more by weight or volume) using agricultural commodities that are produced in the U.S. as provided in 7 *CFR*, sections 220.21(d) and/or 220.16(d), USDA SP 38-2017.
11. The Respondent will document why a non-domestic food is being substituted for domestic foods. The documentation is intended to indicate if the alternative food is due to the cost of domestic being significantly higher than non-domestic foods and/or the domestic foods are not produced or manufactured in sufficient and reasonable available quantities of a satisfactory quality. The Respondent will provide documentation justifying their use of exceptions to the Buy American Provision.

12. The Respondent will provide documentation about the percentage of domestic product in any processed end product. If the percentage is less than 51% then the respondent will notify the SFA of the non-domesticity of the processed end product.

Thereafter, a Respondent may submit a new proposal prior to the proposal submission deadline. Respondents may not withdraw their proposal without cause after the proposal submission deadline.
25. The SFA may modify the RFP prior to the date given for submission of proposals by posting an addendum on SFA's website at [www.fentoncharter.net](http://www.fentoncharter.net). The SFA will notify Respondents so they can obtain any addenda from the SFA's Web site, or request it by e-mail, postal mail, or fax.
26. The SFA reserves the right to reject all proposals for reasonable cause. If the costs of all proposals are excessive, the SFA is not required to award a contract.
27. The SFA will not consider more than one proposal from an individual, firm, partnership, corporation, or association under the same or different names. Reasonable grounds for believing that any Respondent has submitted more than one proposal for work contemplated herein will cause the SFA to reject all proposals submitted by the Respondent. If there is reason to believe that collusion exists among the Respondents, the SFA will not consider any of the participants of such collusion in this or future solicitations.
28. The SFA will not consider a joint proposal submitted by two or more entities.
29. Additional charges for regular or express delivery, drayage, parcel post, packing, cartage, insurance, license fees, permits, or for any other purpose shall be included (and separately identified) in the proposal.
30. All proposals shall include the forms provided as attachments to this RFP. Respondents may copy these forms. A proposal is considered responsive if it follows the required format, includes all attachments, and meets all deadlines and other requirements outlined in this RFP.

32. Respondents are responsible for examining the entire RFP package, seeking clarification for any item or requirement that may not be clear to them, and checking all responses in their proposal for accuracy before submitting it.
33. Respondents may submit their questions regarding the information presented in this RFP to Irene Sumida, Executive Director in writing by postal mail at Fenton Charter Public Schools, 8928 B Sunland Boulevard, Sun Valley, CA 91352 or e-mail at [isumida@fentoncharter.net](mailto:isumida@fentoncharter.net), or fax at (818) 394-9644, no later than Friday, March 6, 2020. The SFA will answer all questions received by the deadline in writing without exposing the query source. This will be

the sole process for asking and answering questions regarding this RFP. Respondents may not contact SFA employees directly to ask questions.

- 34. SFA representatives reserve the right to inspect a Respondent's other food service operations prior to any award of a contract.
- 35. The SFA reserves the right to negotiate the final terms and conditions of the contract, which may differ from those contained in the proposal, provided the SFA considers such negotiation to be in its best interest. Any change in the terms and conditions must not create a material change, which is any alteration or modification to the original terms stated in the RFP that would have resulted in different proposals from all respondents. A material change will require the SFA to rebid the contract.
- 36. Interested Respondents are required to inspect the SFA's premises prior to submitting a proposal in order to determine all requirements associated with the proposed contract. The inspection of premises will occur during the Mandatory Tour.
- 37. Respondents shall submit one paper copy and one copy in digital format (e.g., CD, DVD, flash drive, etc.).

## C. Fees

### 1. Fixed-price Contracts

The SFA will pay the FSMC at a fixed rate per meal. The fixed rate per meal includes all fees and charges indicated in the Schedule of Fees (Exhibit B) of this Contract. The SFA must determine, and the FSMC shall credit the SFA for, the full value of U.S. Department of Agriculture (USDA) Foods. The FSMC's fixed-price invoice will be fully compliant with procurement requirements for the National School Lunch, School Breakfast, and Special Milk Programs, set forth in Title 7, *Code of Federal Regulations (7 CFR)*, parts 210, 215, and 220, and the USDA Food and Nutrition Service (FNS) Final Rule issued Wednesday, October 31, 2007. The FSMC shall take discounts, rebates, and other credits into account when formulating their prices for this fixed-price contract (Title 2, *Code of Federal Regulations [2 CFR]*, sections 200 & 400).

### 2. Payment Terms

The FSMC shall submit monthly invoices by the fifth (5<sup>th</sup>) of the following month that reflect all activity for the previous calendar month. The FSMC must submit detailed cost documentation monthly to support all charges to the SFA. Charges and expenses are included in the Schedule of Fees (Exhibit B). All costs, charges, and expenses must be mutually agreeable to the SFA and the FSMC, and must be allowable costs consistent with the cost principles in 2 *CFR*, parts 200 or 400, as applicable. The SFA will pay invoices submitted by the FSMC within thirty (30) calendar days of the invoice date. The SFA will pay invoices received by its accounting department by the thirty calendar days schedule, if the invoices pass the SFA's audit (7 *CFR*, sections 210.14[a] 210.19[a], 210.21[c][3]). The SFA will notify the FSMC of invoices that do not pass audit, which the SFA will not pay until the invoices have passed audit, with no penalty accruing to the SFA (7 *CFR*, sections 210.19[a][1], 210.14[a], 210.21[f]).

### 3. Interest, Fines, Penalties, and Finance Charges

Interest, fines, penalties, and finance charges that may accrue under this contract are not allowable expenses to the nonprofit school food service (cafeteria fund). The SFA will not pay unallowable expenses from the SFA's cafeteria fund (2 *CFR*, Section 200.449).

### 4. Spoiled or Unwholesome Food

The SFA shall make no payment to the FSMC for food that, in the SFA's determination, is spoiled or unwholesome at the time of delivery, does not meet detailed food component specifications as developed by the SFA for

the meal pattern, or does not otherwise meet the requirements of this Contract (7 *CFR*, Section 210.16[c][3]).

The SFA shall make no payment to the FSMC for meals that, in the SFA's determination, are spoiled or unwholesome at the time of delivery, do not meet detailed food component specifications as developed by the SFA for the meal pattern, or do not otherwise meet the requirements of this Contract (7 *CFR*, Section 210.16[c][3]).

#### **D. Contract Cost Adjustment**

The contract price (which can include General and Administrative Expense and Management Fees) may be increased on an annual basis by the Yearly Percentage Change in the Consumer Price Index for All Urban Consumers, as published by the U.S. Department of Labor, Bureau of Labor Statistics, Food Eaten Away from Home [Los Angeles, (CPI)]. Such increases shall be effective on a prospective basis on each anniversary date of this Contract and will be allowed only if approved in advance by the SFA. CPI Fee increases for the upcoming Contract renewal year must be submitted to the SFA.

The renegotiation of price terms under this Contract is permitted only upon the occurrence of unpredictable, unexpected conditions beyond the control of both parties. If those conditions create a significant and material change in the financial assumptions upon which the price terms of this contract were based, then those price terms so affected may be renegotiated by both parties. Renegotiation of price terms under such conditions must be mutual and both parties must agree on any changes in price terms. Any adjustments so negotiated and agreed upon must accurately reflect the change in conditions. The occurrence of contingencies that are foreseeable and predictable, but not certain, should be calculated into the defined price terms, to the extent possible, with the goal of minimizing the need for renegotiation of price terms during the term of the Contract. Substantive changes of the Contract will require the SFA to rebid the Contract.

#### **E. Availability of Funds**

Every payment obligation of the SFA under this Contract is conditioned upon the availability of funds appropriated or allocated for the payment of such obligation. The SFA may terminate this Contract at the end of the period for which funds are available if funds are not allocated and available for the continuance of this Contract. In the event the SFA exercises this provision, no liability shall accrue to the SFA and the SFA shall not be obligated or liable for any future payments or for any damages resulting from termination under this provision.

**F. Timeliness**

Time is of the essence in this Contract.

**G. Approval**

This Contract has no force or effect until it is signed by both parties and is approved by the CDE (7 *CFR*, Section 210.19 [a][5]).

**H. Amendment**

No amendment or variation of the terms of this Contract shall be valid unless made in writing, signed by both parties, and approved by the CDE. Any oral understanding or agreement not incorporated into the Contract in writing and approved by the CDE is not binding on either party (7 *CFR*, Section 210.19[a][5]).

**I. Substantive Changes to Contract**

Any change to this Contract that results in a material change or any proposed renewals of this Contract may, at the determination of the CDE, either void this Contract or require the SFA to rebid the Contract. Following are examples of substantive changes that could require the SFA to rebid the Contract (2 *CFR*, Section 200.324 [b][5]):

- The addition of a program
- A major shift in responsibilities for FSMC/SFA staff
- A modification that changes the scope of the Contract or increases the price of the Contract by more than the applicable federal, state, or local small purchase threshold (2 *CFR*, Section 200.324 [b][4])

**J. Subcontract/Assignment**

No provision of this Contract shall be assigned or subcontracted without prior written approval of the SFA. If subcontracts are let, the FSMC should have taken steps to contract with small and minority businesses, women's business enterprises, and labor surplus area firms when possible.

**K. Written Commitments**

Any written commitment by the FSMC relative to the services herein shall be binding upon the FSMC. Failure of the FSMC to fulfill any such commitment shall render the FSMC liable for damages due to the SFA. Such written commitments include, but are not limited to:

- Any warranty or representation made by the FSMC in any publication, drawing, or specifications accompanying or referred to in the proposal pertaining to the responsiveness of the proposal
- Any written notifications, affirmations, or representations made by the FSMC in, or during the course of, negotiations that are incorporated into a formal amendment to the proposal

#### **L. Trade Secrets/Copyrights**

The FSMC and SFA shall designate any information they consider confidential or proprietary—including recipes, surveys and studies, management guidelines, operational manuals, and similar documents—that the SFA and FSMC regularly use in the operation of their business or that they develop independently during the course of this Contract. Information so designated and identified shall be treated as confidential by the FSMC and the SFA, and the FSMC and the SFA shall exercise the same level of care in maintaining the confidences of the other party as they would employ in maintaining their own confidences, unless disclosure is otherwise required under the law. All such materials shall remain the exclusive property of the party that developed them and shall be returned to that party immediately upon termination of this Contract. Notwithstanding, the federal awarding agency reserves a royalty-free, nonexclusive, and irrevocable license to reproduce, publish, or otherwise use, and authorize others to use, the following for federal government purposes:

- The copyright in any work developed under a federal grant, subgrant, or contract under a grant or subgrant (7 *CFR*, Section 200.315)
- Any rights of copyright to which a grantee, subgrantee, or a contractor purchases ownership with federal grant support (2 *CFR*, Section 200.315[B])

#### **M. Severability**

Should any provision(s) of this Contract be declared or found to be illegal, unenforceable, ineffective, and/or void, then each party shall be relieved of any obligations arising from such provision(s). The balance of this Contract, if capable of performance, shall remain and continue in full force and effect.

#### **N. Counterparts**

This Contract may be executed in counterparts, each of which shall be deemed an original, but all of which together will constitute one and the same instrument.

**O. Silence/Absence/Omission**

Any silence, absence, or omission from the Contract specifications concerning any point shall mean that only the best commercial practices are to prevail. Only those materials (e.g., food, supplies, etc.) and workmanship of a quality that would normally be specified by the SFA are to be used.

**P. Indemnification**

The FSMC shall indemnify and hold harmless the SFA, or any employee, director, agent, or Board Member of the SFA, from and against all claims, damages, losses, and expenses (including attorney's fees and court costs incurred to defend litigation), and decrees or judgments whatsoever arising from any and all injuries, including death or damages to or destruction of property resulting from the FSMC's acts or omissions, willful misconduct, negligence, or breach of the FSMC's obligations under this Contract by the FSMC, its agents, employees, or other persons under its supervision and direction.

The FSMC shall not be required to indemnify or hold harmless the SFA from any liability or damages arising from the SFA's sole acts or omissions.

**Q. Sanctions**

If the FSMC fails to perform the contract terms:

- FSMC will be required to provide in writing to the SFA how they will ensure future contract compliance, and
- Continued nonperformance will result in termination of this contract

**R. Penalties**

Costs resulting from the SFA's violations, alleged violations of, or failure to comply with, Federal, State, tribal, local, or foreign laws and regulations are unallowable, except when incurred as a result of compliance with specific provisions of the federal award, or with prior written approval of the federal awarding agency (2 *CFR*, Section 200.441).

**S. Breach of Contract**

For the breach of the Contract and associated benefits:

If the FSMC causes the breach, the FSMC assumes liability for any and all damages, including excess cost to the SFA in procuring similar services, and

is liable for administrative, contractual, and legal remedies, as applicable.

**T. The FSMC shall comply with the provisions referenced in Appendix II to 2 CFR Part 200, which include but are not limited to:**

- a) Equal Employment Opportunity (for contracts in excess of \$10,000)
- b) Davis Bacon Act (for construction contracts in excess of \$2,000)
