APRIL STAAR Results for Parents

Grade 5 Math and Reading
Grade 8 Math and Reading

Parents of students in **grades 5 and 8** can view their child's April STAAR test, item by item. This can be a powerful tool for many of our retesters.

Please read the excerpt below from TEA's April Performance Bulletin:

Assessment Scoring and Reporting STAAR April 2019

The [Student Portal](#) was updated on Tuesday, April 30 with the grades 5 and 8 STAAR Math and Reading scores. Parents can access their child's results using a unique access code, which can be found at the bottom of the STAAR Report Card that is sent home by the school. Parents can also view the assessment questions, their child's answers, correct answers and rationales that explain for students the reason for the correct answer. Additionally, parents can see their child's performance as it compares to the campus, district, and state.

Please note: Grade 4 STAAR Writing scores will be posted to the TEA Student Portal on June 12, 2019.
