Special Contest!

By Jillian Feehan

The Newspaper Club will be running a can't miss contest for this last week of school for all grades through K-8. Students must draw a picture of their favorite summer activity and write 1-3 sentences about that activity. No tracing, printing and gluing, or plagiarism of any kind are allowed, all drawings must be original to the artist presenting them. Entrees must be in by Thursday, June 15. And, of course, the winner will receive a prize. The winner of this contest will win two tickets to Six Flags Great Adventure! So all students of Bay Head School, big or small, whip out your pencils and start sketching! We are very excited to see what you come up with and good luck to all!

Luau Dance

By" Laine Pritchard

The Student Council hosted their second school dance. The theme of this dance was a luau. Mrs. Galarza and her mom decorated the gym, and hallway with leis and Hawaiian lights. In the gym, flowers were hung on the walls, and there was a photo backdrop. The backdrop was of Lilo and Stitch, in front were beach chairs, and beach balls. In luau spirit, students dressed up in grass skirts and bright Hawaiian colors. DJ Mo Talent came back for another dance, all the students really enjoy the games, music, and energy DJ Mo brings. The tickets to get in were \$10 dollars, which included a snack stand, photo booth, DJ, and leis. The student council made a large profit, and plan to give some of the profit to the Early Act club for their shelter box. The student council plans to host more dances next year due to popular demand!

Field Day

By: Claire Kenny

On June 9th, Bay Head School had their annual field day! The day was filled with so many fun activities and lots of memories were made. Students tried their hardest in all events, and were on the edge of their seats when the winner was announced.

The Blue Team and Gold Team have the ultimate rivalry. The eighth grade captains for blue was Student Council President, Abby Antognoli, and basketball star, David Terra-Nova. For the gold team, the captains were Lauren Becker and Ethan Hinds. The four students each gave speeches before the official start of field day.

Field day is filled with events like volleyball, softball, basketball, and the long jump. A new event was added this year and the activity included students filling cups of water and passing it down the line of players, refilling and emptying their cups. The team with the most water at the end won.

After a long, fun, and tiring day, the winner was announced by Mrs. Galarza's eighth grade class. They did this by building a 6 ft tall volcano, and the substance that exploded out of it would reveal who won field day. Mr. Bish, Mrs. Ray, Mr. Santos, and Mrs. Galarza were all involved in helping build the volcano. And finally, when the volcano erupted, blue came out! The blue team shouted and screamed for joy, while the gold team was sad and glum. However overall, it was a fun day no matter what team you were on. Better luck next time gold team!

Spring Concert

By: Emily Jones

Bay Head School's spring concert, "Here Comes the Sun", was held on Thursday, June 8th and everybody enjoyed the positive summer vibe. To start off the event the Blue and Gold Band performed "Serengeti Dreams". Then the Sharks Band joined them and played "Black Forest Overture", which was a real crowd pleaser. Next, the Sharks Band performed "Eternal Summer". After the band, the third graders performed "Hot Cross Buns" and "Gently Sleep" on their recorders.

Next the K-3 chorus sang "Zip-a-dee-doo-dah", "Swimmin'" and "Are You Ready for the Summer". Everybody really enjoyed this performance! Next to take the stage was the 4th-6th grades. They performed "Here Comes the Sun", "Let's Go Holoholo", and "Surfin' USA". They certainly put a smile on everyone's face with their Hawaiian leis and great summer spirit. The seventh and eighth grade chorus was next. They sang "Three Little Birds" and "Brown Eyed Girl". The Eighth grade class got to pick the songs they sang for their last concert which everyone enjoyed. The finale "Dancing in the Streets". Seamus Dolan, a seventh grade student, said, "The concert was a perfect display of musical talent, summer spirit, organization, and efficiency." All of the students, staff, and parents had a great time.

Spring Sports

By: Abby Antognoli

As our year here at Bay Head School is coming to an end, so are our spring sports! The spring sports here at Bay Head School are tennis, softball, track, and baseball. The tennis team, run by the home and school, went undefeated all season and was in first place all year! The team was coached by Ms. Gahl for the first time and she did a great job! The softball and baseball teams fought hard and hit home runs, including a fantastic win over Sea Girt. Despite the rainy weather the members dug deep and ran with their hearts! They came in third in their division. The BHS students from grades 5-8 can participate in the track and baseball teams at Antrim School. This year was a record number of BHS students on the Antrim track team. All in all, all our spring sports here at Bay Head School did an amazing job! Go sharks!

Letter From the Editor:

Wow! This year has already come to an end. It has gone so fast! This was a jam-packed year full of fun! Field day, PEEC, Gettysburg, and the Spring Concert are just a few things that have happened in the past few weeks. Graduation is here too and I am sad to go but happy to see that BHS once again has a newspaper and I hope it will continue for years to come. I would like to say thank you to Laine, Emily, Abby, Jillian and Claire for being in Newspaper club this year! You guys worked so hard and always had your articles in when they needed to be. We've had a fantastic year and I am excited to see what Bay Head has in store for next year, although I won't be here to experience it. Have a great summer everyone!

From,
Beatrice Karron
