

Here's How it Works

Anyone - a business representative or a school representative - can start the conversation.

When a meeting occurs, the discussion will center on two things:

- The agreement should involve specific ways that the business or group pledges to contribute to the school's educational program. This could entail offering speakers, sponsoring a mentorship program, providing a monetary donation, etc.
- The agreement should include ways in which the school can demonstrate appreciation, involve the business in an event or activity, etc.

Once an agreement is reached, Enter campus and business name, sign a Partnership Agreement and your partnership begins!

You Can Help

Each McAllen public school has conducted a needs assessment to determine where assistance could be best used. We will be happy to meet with your company or organization representative to share these needs with you. Should your organization wish to sponsor a school, contact **Norma Zamora-Guerra** at **618-6023** or call the individual school directly to ask about our Partners In Excellence Program.

THANK YOU!

McAllen ISD children, parents, and staff members appreciate our Partners In Excellence.

We demonstrate our appreciation for these "Champions for Children" by hosting our annual Partners In Excellence (PIE) Breakfast of Thanksgiving each November. This PIE continental breakfast is also an opportunity for the District to introduce Partners to a new facet or program within the District.

2018 - 2019 PARTNERS IN EXCELLENCE

TOGETHER, WE CAN MAKE THE DIFFERENCE.

mcallenisd.org | (956) 618-6023

Will you and your organization join with us to make an even bigger difference this year and in years to come?

Welcome to P.I.E.

Dear Fellow Citizens of McAllen:

We all share a common desire that McAllen's children receive the finest education our community can offer. Throughout the past 28 years, hundreds of partners have assisted us in our goal.

We recognize that excellence in public education is both a concern and a responsibility of the whole community. Therefore, the McAllen Independent School District extends an invitation to area businesses, service clubs, and other organizations to join us in a shared effort to enhance educational opportunities for all McAllen children.

Our Partners In Excellence Program makes it possible for service groups and businesses to provide individual schools with:

- Volunteers
- Funding of equipment or materials
- Assistance in special areas

Numerous McAllen business, civic, and church partners are already tutoring children, providing school supplies and clothing for needy children, helping with UIL and other special events, conducting parent education workshops, providing classroom resource speakers, and offering other much-needed support for McAllen school children.

We invite you to join our effort.

Our Vision

The McAllen Independent School District is a multicultural community in which students are enthusiastically and actively engaged in the learning process. Students demonstrate academic excellence in a safe, nurturing and challenging environment enhanced by technology and the contributions of the total community.

Our Mission

The mission of the McAllen Independent School District is to educate all students to become lifelong learners and productive citizens in a global society through a program of educational excellence utilizing technology and actively involving parents and the community.

How You Can Help...

- Recruit and provide volunteers
- Establish internship positions
- Help in community awareness programs
- Present classroom talks, videos, etc.
- Sponsor events such as after school projects, field trips, contests, etc.
- Provide funding for special needs.
- Develop student scholarships in special fields
