

LOTTERY APPLICATION

The Lottery for the 2020 - 2021 school year is open.

The first lottery draw was conducted on March 11, 2020, and there are still openings in some grades. Due to these openings and expected changes in the waiting lists, we are hopeful that those who apply after March 11th will be accepted.

All applications are processed through the lottery system. To enroll in the lottery, please click on the link below. Please note, you must add both parents to the application or provide documents upon student enrollment regarding legal custody.
