## **For your convenience you can purchase on-line**

**Go to [commpe.pictavo.com](http://commpe.pictavo.com)**

- If ordering on-line DO NOT turn in this form. Receipt will be emailed to you from Pictavo.
- Unfortunately, Suzanne does not purchase extra yearbooks to sell at the end of the year. The printing cost is too high, and if the journalism staff doesn't sell all of the books, the school will have to pay a large bill. So, don't be left without a yearbook. Order yours today!

**Last year Suzanne Middle School's journalism staff first place for the yearbook.**

- ❖ Yearbooks will be delivered during the last week of school.
- ❖ We apologize in advance, but no student can receive their yearbook early, even if they are checking out of school early. Sorry!
- ❖ Suzanne is unable to order extra yearbooks to sell at the end of the year. In May of 2019 we ran out. Don't be left without a yearbook. Guarantee yourself a book by ordering one in advance.
- ❖ “I SO WISH I HADN'T BOUGHT A YEARBOOK,” ...SAID NO ONE EVER!
- ❖ **Deadline for early bird price of \$55 is August 31, 201**

**Submit this form to your homeroom teacher or to room 17.**
