SCRIP Gift Card News

The SCRIP Gift Card committee has been busy working to increase our inventory for your convenience. We continue to add new retailers to our inventory, as well as maintaining a good supply of our most popular in-stock cards.

Looking for a way to meet your SCRIP goal?

We will be handing out holiday order sheets to families. Use these order forms for families, friends and co-workers to purchase gift cards through our SCRIP program. We will have more details coming soon!

SCRIP Lobby Drop Box

We have now added a SCRIP Order Drop Box across from the office door for you to place orders when a SCRIP worker isn't present. Your order will be filled within 24 hours for in-stock cards, and by the next Thursday for special order cards.

Holiday Planning

Use SCRIP gift cards for all of your holiday purchases. Grab a retailer list from a SCRIP worker as a guide when you sit down to plan your holiday shopping. SCRIP gift cards can be used for everything from the Thanksgiving turkey to your Christmas stocking-stuffers. We will also be handing out easy order forms later in the month for you and your family & friends to use when ordering SCRIP gift cards for the holidays.

Examples:

\$250 in Thanksgiving groceries at County Market = \$10 in SCRIP rebates.

\$100 in holiday décor/cards from Pam's Hallmark = \$15 in SCRIP rebates.
