Dear Railsplitter Families,

On behalf of the faculty and administration at Lincoln Park High School, I wanted to thank you for the continued support as we strive towards excellence in education for your child. If you are new to the Lincoln Park High School Community, welcome! There are many incredible opportunities for you and your students to get involved in; from athletics to drama, Advanced Placement coursework to mentoring opportunities, and clubs to career tech classes, LPHS has a place for you.

We are confident in our ability to work with you and your students toward lifelong success and know that together, we can prepare your student to enter adulthood with their goals in sight and a plan to achieve them.

There are many great ways to stay in touch with what is happening in our building, and social media is certainly one of them. You can follow us on Facebook, @LincolnParkHS, and I am available on Twitter, @LPHS_Principal, and both accounts provide a lot of updates and news about our building. We are also very excited to be a part of a school district that has received some great press of late and all of that can be found by clicking [here](#).

There are a lot of great things happening in the Lincoln Park Public Schools and Lincoln Park High School Staff is excited welcome your students to be a part of it.

Once again, thank you for all that you have done to support your students and the staff here at LPHS this school year.

Sincerely,

Daniel Mercer
Principal, LPHS
