Dear Parents and Guardians,

Our goal at The O'Farrell Charter School is to ensure your students receive a rigorous education in a safe and secure learning environment. We also want to ensure that our students arrive to school in the morning and return home safely at the end of the day. Here are some important reminders for your family:

- Please obey all safety laws, signs, and signals regarding crossing streets.
- Please do not pick up or drop off students in the crosswalks, or in red zones. San Diego Police Department will issue citations for these violations.
- Please remind children to never accept a ride in a car from a stranger. If they are approached by an adult they do not know, instruct them to leave the area and seek help from a staff member at the school, the park/rec center, or a nearby church or business.
- If your child walks to and from school, please remind him or her to be respectful of our neighbors. Please pick up any trash, and avoid walking through the yards of our neighbors.

Please remember to drop students off in the designated area for their school. If you have any questions or concerns, please reach out to your child's homebase teacher. Thank you for partnering with us to ensure the safety of your child.

Sincerely,

Dr. Jonathan Dean

Estimados padres y tutores,

La meta de la escuela O'Farrell es asegurar que su estudiante tenga un ambiente de aprendizaje seguro. Queremos que todos los estudiantes lleguen por la mañana y regresen por la tarde a sus hogares de una manera segura. Tenemos recordatorios importantes para su familia:

- Favor de respetar todas las leyes de seguridad, letreros, y señalamientos.
- Favor de no desbordar y/o abordar a estudiantes en el paso de peatones, o en la zona roja. El departamento de policía de San Diego estará dando infracciones y/o multas.
- Recuerde a su estudiante de nunca aceptar subirse al carro de un desconocido. Si un adulto que no conoce se le acerca, instruya a su estudiante a irse de esa área y buscar ayuda de un empleado de la escuela, del parque/centro recreativo, una iglesia, o negocio cercano.
- Si su estudiante camino a la escuela y/o a casa después de escuela recuerdeles de ser respetuosos con nuestros vecinos. Favor de juntar su basura y evitar caminar por los jardines de nuestro vecinos

Recuerde de dejar a su estudiante en la area designada para su academia. Si tiene preguntas o preocupaciones favor de comunicarse con el/la maestro/a de homebase de su estudiante. Gracias por trabajar junto con nosotros en la seguridad de su estudiante.

Atentamente,

Dr. Jonathan Dean
Superintendente
