Special Local School Funding Election: June 4, 2019

To provide additional locally-controlled school funding, the Los Angeles Unified School District Board of Education voted unanimously to place Measure EE, a 16 cent per square foot parcel tax, on the ballot in a special local school funding election on June 4, 2019.

If approved by 66.67% of voters, Measure EE would provide local school funding to:

Attract and retain high-quality teachers and school employees

Reduce class sizes

Provide quality science, technology, English and math programs and materials

Expand arts and music programs for more students to participate in these programs

Enhance vocational and career training to prepare students for good jobs

Provide preschool programs to help the youngest students with a strong start in school

Add counselors, school nurses, principals and important support staff

Provide safe, secure, clean, well-maintained, supportive and welcoming schools

Provide school support services for students with disabilities, economically disadvantaged students, homeless and foster youth

Fiscal Accountability Requirements

By law, all Measure EE funds must be used to support Los Angeles public schools and cannot be taken away by the state or federal government.

All Measure EE funds are subject to independent oversight, annual audits and public reports detailing the use of funds.
