

RJF 2019-20 Online Elective Registration 7th & 8th Grade Students

Dear Fisher Parents,

It is time to begin our online elective registration for incoming 7th and 8th grade students. In order to complete the on-line registration for your child, you will need to review the 2019-2020 Elective Course Catalog in advance of selecting your child's elective preferences. The catalog can be found on the Fisher website at:

http://rjfisher.lgusd.org/apps/pages/elective_registration

To log in and select your child's elective preferences, you can use either your PowerSchool Parent Portal account or your Student's PowerSchool Portal account to select electives.

Elective registration must be completed by **Thursday, February 14th at 5:00 pm**. Parents who do not complete their child's elective request will be at risk of having their child placed in elective courses, as space is available.

Please NOTE: To avoid the need to shut down PowerSchool access to students during the Elective Registration process, student access to PowerSchool will remain live, which could allow them to select their own elective through the student portal. As such, parents should make certain that they monitor the choice of electives for their child. **We will assume that any elective selected has been authorized by a parent.**
