Hello Parents,

I have been able to formally and informally visit many classrooms. It is amazing to see our learners exemplifying our schoolwide Student Learning Expectations (engaged scholars, effective communicators, responsible world citizens, and dedicated liturgical musicians) each day. Each course is an essential thread in the beautiful tapestry the experience here creates. It is such an honor to see what each individual mind contributes to our school.

Thank you for the feedback about parent teacher conferences. The middle school conference setup will be adjusted and changed to better accommodate our growing numbers. We will be adding more scheduled evenings and also use an altered sign up process to make this a more effective and efficient experience. Thank you for your patience in what became a chaotic evening.

I will be out of the office from October 14-16. Please contact Kat Mitchell or Mr. Glenn in my absence. Thank you!

We are gearing up for a few fun Fall weeks. Please see the information below on our first annual Halloween Parade!

Enjoy your weekend,
Principal Randazzo
