

A stylized illustration of a hand holding a book. The hand is light pink with a blue outline, and the book is purple with a blue outline. The hand is positioned on the right side of the image, holding the book as if presenting it. The background is a vibrant blue with a green curved shape on the left side.

COME VISIT THE NICHE

We offer a wide variety of colored construction paper and poster board...

...various colors of copy paper, card stock, and foam sheets...

...over 200 die cuts patterns..

...a wide variety of stickers to choose from...

...huge selection of bulletin board borders and calendar cut-outs..

...and many different craft items for you to choose from!

Niche Services

Die Cuts

Choose from over 200 die cuts. Construction paper and color copy paper are available if you don't have your own.

Poster Maker

This machine allows you to turn any letter or legal size print out into a poster. Originals need to be in gray scale for best results. Posters will be one color on a color or white background. (full color not available.) We can create a poster for any occasion for you, or bring your own print out to make into a poster.

Button Maker

Make your own 2 1/4" or 3" button for any occasion. Bring your own decal or we can set one up for you.

Binding Machine

Need to bind a special project? Our binding machine will punch the holes and we have binding combs available in 1/4, 1/2, 5/8, and 3/4 inch.

Typewriter

A typewriter is available for you to use should you need it for special forms or carbons.

Copier

Use our copier if you need to make one-sided or double-sided copies. Our machine will also copy card stock and construction paper.

Label Maker

Labeling your storage boxes, photo albums, or anything else is easy with our Label Maker. Tapes are available in 9mm, 18mm, and 24mm size.

Cold Laminators

There's no wait time for this laminator to warm up -- it's a cold laminator and protects your projects or materials as well as a hot laminator!

Light Board

If you need to trace an object onto fabric or other medium perhaps our light board is just what you need to get started on your project.
