

Galt Joint Union High School District - Registration

We are excited to announce online Registration is now open for the upcoming school year!

If your child will be starting high school in the Galt Joint Union High School District in August 2019, you must complete the registration process starting January 4th. It is important that you complete this process before **February 15th**, so that your child can select their classes.

How do I get started?

Visit <http://www.ghsd.us/> and click the Online Registration link in the Parents and Students Tab.

- If you've never completed an online Registration using this system, you should create an account. This allows you to securely save your work and come back at a later time if necessary.

- If you already have an account, you can sign in and complete the form. (You should use the same account to complete forms for multiple children.)

Do I have to answer all the questions?

Questions marked "required" will need to be answered.

What if I make a mistake?

If you would like to make a change, click on the underlined field or click "Previous" below to return to a previous page.

I've completed the form, now what?

When you have finished entering your information, click "Submit." This will send all of the information you've entered to the school. If you cannot click on this button, you will need to make sure that you have answered all required questions.

Documentation of current residency is required to complete the enrollment registration process. You may upload the proof of address through the online registration system, fax your documentation to the high school, or hand deliver it to the school office.

What if I have more than one student in the district?

Do I need to do this for each child? Yes, because you'll need to provide information that is specific for each child. We recommend that you submit one Registration and then start another – this will allow you to "snap over" shared family information, which will save you time.

I don't know what a question is asking.

If you have questions about the online form or the Registration process, please contact your school's Registrar:
