## Benefits of Dual Enrollment

Unsure whether or not the dual enrollment program is right for you? As a high school student, you are going to be faced with a lot of difficult decisions concerning your education, but enrolling in the dual enrollment program at IUP does not have to be one of them. There are several benefits to enrolling in the program:

- You can get ahead and earn college credit before you start college
- You'll receive a 75 percent discount rate on tuition
- You get to experience IUP as a student
- Courses are taught by IUP faculty
- Experience the rigor of a college course
- Classes offered online or on campus
