Dear Frontier Parents/Guardians;

Our spring parent/teacher conferences are scheduled for Wednesday April 24th and Thursday April 25th, from noon to 3:00 PM. During these conferences, we are especially focusing on students that may be struggling in one or more classes, and attempting to help them finish strong. If your student's current grade is a "D" or "F" in any class, we would ask that you please contact your student's teachers to schedule a conference. It is our hope that together we can come up with a plan to help your student be more productive and better prepared to finish out this school year successfully. This does not include 7th grade, as they will be doing their "student led" conferences; look for communication from your student's teachers to schedule those. As always, any parent is welcome.

If you do not wish to schedule a conference, you may also plan to attend the parent/teacher conferences on a **drop in basis**, during either session. Keeping in mind that there may be scheduled conferences underway, and you may have to wait outside the teacher's room, until the previous conference is finished. Administrators and counselors will also be available to offer assistance and answer any questions you may have.

NOTE: *Our SPRING SCHOLASTIC BOOK FAIR is April 22-25 (during parent/teacher conferences). This is a BOGO fair, and a great time to stock up for summer reading.*

Regards,

Greg Kittrell, Principal
