

## **What is a School-Parent Compact?**

A School-Parent Compact for student achievement is an agreement that parents, students, and teachers develop together. It explains how parents and teachers will work together to make sure all students reach grade-level standards.

### ***Jointly Developed***

The parents and staff of W.G. Nunn Elementary School jointly developed this School-Parent Compact. Teachers suggested learning strategies along with input from parents. Information taken from the parent surveys and Parent Input Meetings were used to create our school - parent compact. Meetings are held each year to review the compact and make changes based on students' needs. All parents are welcome to contribute comments at any time. Feedback forms can be found in the school lobby, media center, and on the school website.

*If you would like to be a volunteer, please contact Dr. Miller, Parent Involvement Coordinator at 229-333-8575. Volunteers are required to complete a background check.*
