June 30, 2018

Dear Parents, Students, Administrators, Faculty and Staff,

Our educational year at St. Joseph Hill Academy has officially come to an end on June 22nd with the celebration of the Eucharist for the high school and the last half day for the elementary students. We ask ourselves where did the year go? Our immediate response echoes all of the new memories that have been made during these 180 days of learning and academic challenges. We have grown academically, spiritually, physically and socially through the giftedness of every individual and through the encouragement of our principals, parents, teachers and staff. Our families have supported us in our efforts to ensure that St. Joseph Hill Academy continues to build on the legacy of our Sisters who once filled every classroom on this beautiful campus making God's love visible.

This LOVE we experience is felt through the many facets of our educational program and the extra-curricular activities being provided to give everyone a sense of pride in their school and at the same time allowing the students to be challenged, motivated and achieve to the best of their ability.

Our doors have closed for the summer but as we all know opportunities for growth continues as you choose to enroll your children in various activities and spend family time together writing another chapter or memories for the year 2018 while remembering to thank almighty God for the many blessings we have received.

On behalf of the Daughters of Divine Charity I would like to take this opportunity to thank everyone for their dedication, friendship, love and service that we have experienced during this past year. We also take some time to remember to pray for peace in our world and in our cities as we celebrate our nations Independence Day on the 4th of July and to perhaps reflect on the meaning of FREEDOM.

Wishing you and your families a safe and enjoyable summer break until we meet again in September. God Bless and know that you are in my daily prayers.

*Sincerely yours in Jesus, Mary and Joseph,
Sister Mary Coffelt, FDC and Sisters*
