

Little Pirate Nation

Dear Parent/Guardian,

The Crandall Pirate football team is excited about the season. We are hopeful that you and your child will join in the excitement. As in the past, we want our Little Pirate Nation involved in our home varsity football games. We are going to continue the tradition of having our Little Pirate Nation lead us out onto the field. For those who wish to participate, each grade level will have the opportunity to take part. Please have your child at the gate nearest to the Fieldhouse by 7:15p the night of the game. There will be adults and cheerleaders on hand to assist while they are on the field. After they lead the team out onto the field, they will return to the same gate for you to pick them up. We invite families to stay for the game and cheer on the Pirates! Your child will be admitted free on the night of his/her assigned grade level as long as they are wearing any Crandall Pirate spirit shirt. Parents will be charged regular admission to the game. We look forward to you and your Little Pirate joining us for a fun-filled Friday Night!
