

# TSI Assessment

The TSI Assessment is the state-mandated placement test that Texas public institutions must use to determine a student's readiness for college-level courses. The results of this important placement test will assist Temple College advisors in scheduling you in the courses where you will be most successful.

Before taking the TSI Assessment for the first time, you are required to complete a pre-assessment activity. The pre-assessment will discuss the content and importance of the TSI Assessment, provide information on Developmental Education, and provide sample questions for you to practice before testing. Prior to accessing the Pre-Assessment Activity, you should review the "Steps to Taking the TSI Assessment" listed below.

## Steps to Taking the TSI Assessment:

1. Make sure that you have filled out a Temple College **student application** and that it has been **turned in before you get ready to test**. The application can be acquired in person at one of our TC centers or online at [www.applytexas.org](http://www.applytexas.org).
2. Complete the Pre-Assessment Activity and print the **Certificate of Completion**. (To access the Pre-Assessment Activity, visit [www.templejc.edu](http://www.templejc.edu), click on **Admissions**, click on **Testing Center**. On the left side of the screen click on the tab **placement and program admissions testing**. Read the TSI pre-assessment info and click on **Start Pre-Assessment**.
  - a. Please note that you must provide your **Certificate of Completion** when you arrive to test.
