

The Teen Center serves not only high school students but also middle school students. We pride ourselves on continuing the dream of our founders of being a positive outlet for youth and our teens in Culver City. The center provides safe supervised programs for students that live inside Culver City or attend a Culver City Unified School.

We offer a variety of services and activities during the school year including UCLA Bruincorps tutoring program, sports, arts & crafts and special holiday events.

Membership is fast and easy.
