Mission : We at Kalani High School create opportunities to discover our passions, purpose, and personal pursuits.

Congratulations Falcons

The 100 Best Public High Schools in the U.S.

TheBestSchools.org wants our millions of readers to know which schools excel in delivering that excellence. The wonderful news is that our shared goal has come together. Congratulations! The team at TheBestSchools.org has selected Kalani High School for inclusion on our annual list of the nation’s top public high schools!

The 100 Best Public High Schools in the U.S.

<https://thebestschools.org/rankings/best-public-high-schools-us/>

That’s news worth promoting to your students, alumni, staff, boosters, financial contributors, and local community. Sharing this link and information with them, along with potential students and the wider world, is the kind of positive news that bolsters the reputation of Kalani High School.

Our team sent out a press release recently announcing this list. If there is any way I can further promote recognition of Kalani High School on your behalf, please let me know and I’ll be happy to work with you to promote this accomplishment. As for the TheBestSchools.org, we’re a leader in school rankings — secondary, college & university, postgraduate, online, and on-campus — providing millions of prospective students with the information they need to find the right school for them. We’re an educational website whose staff and advisory board believe learning transforms lives for the better and should be a lifelong pursuit. Again, my congratulations to everyone responsible for the success of Kalani High School (#88).

Congratulations
World Champion Kaytie Nakamura

After placing fourth for the last three years, Kalani's own Kaytie Nakamura is the new 15-16 age group Double Mini world champion. Nakamura represents Team USA in the 2018 World Age Group Competition in St. Petersburg, Russia. Sydney Senter from Hawai'i Baptist Academy placed second and Elizaveta Galtsova from Russia placed third. Nakamura will be competing in the individual trampoline on Saturday, Nov. 17 and synchronized trampoline on Nov. 18. Photo courtesy of Kaytie Nakamura 2018.

Running Start / Early College / Manoa Academy

Are you interested in having your child experience college classes while in high school? Earning both college and high school credit through one class? Possibly saving you money and shortening your child's time in college? Informational night to be scheduled.

Have your child see Mr. Tanaka in C-12 for information about Kalani's Running Start/Early College

Japan Super Science Fair

Kalani High School students have departed for Kyoto, Japan to participate in this year's Japan Super Science Fair. Kate Fujii, Mina Gusukuma, Lauren Horita, Shirley Li and Kaitlyn Strandberg (accompanied by Mr. Okawa) will be presenting their research topic "*Flex Sensors to Micro Servos : Converting Analog to Digital*" and performing their Cultural Presentation in mid-November at Ritsumeikan Senior High School. The Ritsumeikan Super Science Fair was organized in 2003 as a place for scientific exchange, concentrating on scientific research presentations by high school students. The Ritsumeikan Super Science Fair changed its name to the Japan Super Science Fair in 2011 in order to widen its scope not only in Japan but around the world. There are 47 schools represented at this year's JSSF, including schools from Australia, Canada, France, Hong Kong, Indonesia, Iran, Kenya, Korea, Malaysia, Mongolia, Nepal, the Netherlands, New Caledonia, the Philippines, Russia, Singapore, Taiwan, Thailand, the United Kingdom, the United States, Vietnam and host country Japan. Our students left on November 12 and return home on November 21.

Students return from Jeju Student Forum

Kalani High School participated in the Jeju Student Forum in Jeju, Korea in early November. Tianna Au, Bienierose Cacho, Ji Won (Toby) In and Ashley Taylor (accompanied by teacher Alex Kendrick) represented Hawaii and the United States in Jeju, Korea.

The Jeju Youth Forum is a creative platform for youth to exchange their opinions and ideas. Through various panel discussions on protection of migrant workers, protecting cultural and natural world heritages, reducing waste effectively, and eradicating inequality and injustice in society and other topics faced by the international community, participating students from all over the world build up skills in global leadership and help to formulate international consensus. It is indeed hoped that this year's Forum serves as a way to form global friendships and cooperation through the virtues of understanding, enthusiasm, wisdom, and trust.

Attention Parents of Class of 2020 – 5 things for parents to do during your child's junior year

1. Make sure your child meets with the school counselor. This meeting is especially important this year as your 11th-grader begins the college application process. [Learn more about the counselor's role in applying to college.](#)
2. Encourage your child to set goals for the school year. Working toward specific goals helps your high schooler stay motivated and focused.
3. Help your junior get ready for the PSAT/NMSQT. This is a test that helps students practice for college admission tests and helps to assess their academic skills. Juniors who score well on the PSAT/NMSQT are also eligible for scholarship opportunities. Find out more about the [PSAT/NMSQT](#).
4. Talk your child about an extracurricular activity to focus on this year. It can be one your child is already involved in or something new. Sticking with [extracurricular activities](#) helps students develop their interests and lets colleges see that they can make a commitment.
5. Help your child make a plan. Help your child create a customized step-by-step college plan. Keep on top of the tasks required to get ready for applying to college, track progress and more. Your child may already have created a plan; make sure it's been updated to include his or her junior year goals.

Athletics – Go Falcons

Student-Athlete/Parent Mandatory Winter Sports Meetings have been set as follows:

November 19th - BOYS BASKETBALL, JV BASEBALL, WRESTLING

November 20th - ALL WINTER SPORTS FINAL MAKEUP MEETING

If the student-athlete participated in a FALL sport they do NOT have to attend this meeting.

All meetings will be in the cafeteria. The head coach will be present at the meeting. Practice on your meeting date shall end at 5:30. Check-in will start at 5:30 to 6:00. The meeting will begin at 6:00. ASET Fee payments may be made by check or online or at the meeting. Parent sport passes for basketball will also be available for purchase. We would like parent and players to attend the meeting on the date assigned. However, if there is a conflict, parent and student may attend any of the other meetings.

STUDENT ACTIVITY CARD

As a result of the realigned football schedule that includes interleague games between the OIA and ILH each league has agreed that their respective Student Activity Card will not be accepted at interleague games. The Student Activity Card will still be honored for all OIA regular season games. The cost for the Student Activity Card is \$25.00 and is good for admission to all Kalani regular season games both home and away for football, volleyball and basketball. The student must show their Student Activity Card to receive the student admission price for interleague games. Without the card students will pay the \$7.00 general admission rate for each game.

ASET FEE

The Athletic Supply Equipment and Transportation Fee (ASET) is a one-time per school year fee assessed to student-athletes **once they have been selected to the team.** The fee is good for as many sports as your child is selected for within the school year. The fee is used to cover transportation costs for all sports (the amount allocated to schools by the state is not nearly enough to cover the annual transportation costs). With these funds, Kalani will provide transportation to and from all regular season and post season games. The fee will also cover airfare and ground transportation expenses if post season play is on the Neighbor Island.

The Student Activity Card will no longer be provided upon payment of the ASET Fee and must be purchased separately. The ASET Fee will be \$60.00 for the 2018 – 2019 School Year.

All student fees – grade level and athletic fees are approved annually by the School Community Council

Partnerships

Global Participation

Kalani students return from visiting Koyo Senior High School - Hiroshima Prefecture

KOYO Senior High School – Kalani High School Partnership

Kalani High School students returned from their cultural visit to Koyo Senior High School in Hiroshima, Japan. This sister school partnership continues to present opportunities for both schools to learn from each other while strengthening bonds of friendship, peace and tolerance between the United States and Japan. This program helps to solidify the fellowship between schools as we continue to engage in correspondence and visits that promote a greater understanding of the cultures and social customs of both countries. The Kalani Delegation (10 students), led by vice-principal Keileen Isono and Student Activities Coordinator Rei Akasaki stayed in the homes of Koyo students. They visited classrooms and explored beautiful Hiroshima. They returned to Hawaii on Sunday, July 29. Kalani High School cherishes the special relationships that we share with Koyo Senior High School and we are proud to be a part of a program that helps to develop lifelong friendships and global perspectives in our communities.

Kalani Falcons "Thanksforgiving" Golf Classic - November 16, 2018 Honoring the Class of 1968!

Help us celebrate our 12th annual Thanksforgiving Golf Classic. With the great food, prizes, and camaraderie, this event is one of the best ways to support Kalani Athletics. To date, over \$100,000 in support has gone directly to the athletic programs at Kalani in the form of equipment, specialized training and clinics, and high technology. Your participation makes a long lasting positive impact on the program. Included is a pre-round lunch, famous seafood pupu platter, and a buffet dinner prepared by Hawaii Prince. In addition to the golf and food, enjoy the great prizes including the \$10,000 Hole-In-One contest, hotel accommodations, restaurant and golf packages, and golf equipment.

AHERA

Parents, Teachers and Staff,

In 1968, Congress passed the Asbestos Hazard Emergency Response Act (AHERA). This law requires all K-12 schools to be inspected to identify any asbestos-containing building materials. The law further requires the development of a management plan based on the findings of the inspection. The plan outlines our intent in controlling the potential for exposure to asbestos fibers in our school. According to section 763.84 of the AHERA Act, our school is carefully inspected every six months for hazardous materials. This inspection has been completed and our school is free of any friable materials. The inspection is another means of assuring the public that Kalani High School has a commitment to provide a safe environment for all members of our school community.

A copy of each school's management plan is on file at the Honolulu District Office at 4967n Kilauea Avenue. A copy of our individual school plan is on file in our Administrative Office. If you have any further questions, please feel free to call Kalani High School at 305-0500..

The Albert Einstein Distinguished Educator Fellowship Program provides a unique opportunity for accomplished

K-12 educators in the fields of science, technology, engineering and mathematics to serve in the national education arena.

Mr. Silver will be on leave for SY18-19. He will be working in Washington DC as an Albert Einstein Distinguished Educator Fellow.

At the end of the Fellowship, educators are prepared to return home, equipped with access to a national network of education leaders and programs, a better understanding of the challenges and possibilities in STEM education and a renewed passion for teaching, ready to make significant contributions to their schools and school districts.
