

Boys & Girls Club of Cypress and Club King present

Molding Musicians

Hello King/ Luther parents and students!

The program “Molding Musicians” will be starting up again at your school and we, student volunteers from Cypress and Kennedy High Schools, are excited to teach students that are eager to learn the art of music. This program is open to 5th and 6th grade students; please read below for more information

Instruments taught:

- Trumpet
- Flute
- Clarinet
- Saxophone
- Trombone
- Violin
- Piano

Price:

- Thanks to our volunteers, instruction is completely **FREE** of charge. Classes will be taught by volunteers and will be run through the Boys and Girls Club of Cypress and the Club King program.

- It is recommended that students interested in learning an instrument provide their own instrument due to the limited supply of school owned instruments.

- A list of references where you can rent or purchase an instrument is available in the school’s main office.

- If you are unable to provide your own instrument, please contact **Shelby**

Ferrier via email at ferrierferrier@gmail.com AFTER acceptance into the program. We do have a few additional instruments we will be able to provide to **SOME** students if necessary. However, we do not have access to all of the instruments on which we can provide instruction.

Time Commitment:

- Instruction is provided 5:15-6:15 pm at King Elementary School on Wednesdays and Fridays (Begins Wednesday, January 9, 2019)

- Parents are responsible for dropping off/ picking up their children on time

- The program runs from January to April

- Accepted students will receive a notification with additional information shortly after the due date, **Friday,**

December 14. We want to accommodate as many students as we can and will work hard to create the most educational and beneficial experiences for all. However, there are limited spaces available. We hope that you consider this opportunity to grow through music, and even if you don’t take it, we hope that you pursue future musical endeavors.

This program is neither sponsored nor endorsed by the Cypress School District.

Molding Musicians Application

Molding Musicians is a student-run, student-led program where high school students teach upper elementary students how to play a wind or string instruments. The program takes place every Wednesday and Friday from 5:15pm to 6:15pm at King Elementary School.

For consideration for the program, this application is due back to your school office by Friday, December 14.

Name: _____ Room #: _____

Instrument I want to learn:

1st Choice: _____

2nd Choice: _____

3rd Choice: _____

I want to participate in the program Molding Musicians because ...

My first choice instrument is _____ because ...

Do you play an instrument or are you actively participating in learning the art of music already?

Explain: _____

Can you rent or buy an instrument (check the box that applies)?:

- Yes, I can rent an instrument.
- Yes, I can buy an instrument.
- No, I need to borrow from the school.
- I don't know at this time.

I will commit fully to this program. I agree to be on time for class, take good care of the district- owned instrument loaned to me (if applicable), and maintain good citizenship at school.

Student Signature: _____

I understand the commitment this program entails, and I support my child's participation. I agree to drop off and pick up my child on time and will help take responsibility for the instrument (if applicable).
