

Before & After School Enrichment Programs

**From Before School to After School - We're Here
For You!**

WFC Before School Program is held at LaMonte School and is available to both LaMonte/Annex and Lafayette students! The program begins at 7am and runs until school starts. At their home away from home, students are welcome to enjoy their breakfast, and then engage in our other fun activities and/or prepare for their school day.

WFC After School Program is held at LaMonte School for LaMonte/Annex students, beginning at dismissal and running as late as 6:00pm! On a daily basis we offer healthy snacks, enrichment activities, various clubs, homework help, outside play, and much more!

“DROP-IN” care is available, whenever you need it! Register online one time, and your child can “drop-in” to any of our programs. You are only billed for the days you attend.

Pay only for the amount of care that you need! WFC offers flexible scheduling for 1-5 days per week, and pick-up times of 4pm, 5pm, and 6pm.
