

School Psychologist (K-8) Part-Time

Overview of Position

Provide a range of services for students who demonstrate difficulties with learning, academic achievement, social/emotional functioning, and behavior. Serve as a psycho-educational service provider involved in proactive, preventative activities, as well as responding to identified concerns. Provide services based on a combination of problem-solving, consultative, and direct service models. Works closely with school leadership, counseling department, MTSS team, and Special Education department.

RESPONSIBILITIES:

- Develops individual, group or system level interventions which improve identified problems or concerns, including academic, social / emotional / behavioral / mental health needs as they relate to educational progress.
- Uses research-based and technically sound practices to drive decision-making and interventions; and collaborates with school personnel and parents in order to develop and modify student intervention strategies.
- Facilitates functional assessment of behavior (FBA) and designs/implements and progress monitors intervention plans.
- Conducts, interprets and implements student assessment which includes record review, interview, observation, and standardized assessment.
- Administers and interprets norm-referenced and curriculum-based edumetric and psychological assessment measures.
- Participates in team-based follow-up activities to review student progress, analyze data, and modify individual interventions.
- Reviews school-wide assessment data to assist building staff(s) in interpreting and designing school-wide interventions.
- Participates in interdisciplinary staffings to determine the eligibility, appropriate planning, and re-evaluation for students who require special education services/programs.
- Participates in school wide crisis team(s) and provides intervention/postvention, as needed.
- Other duties as assigned.

EDUCATION AND RELATED WORK EXPERIENCE:

- Master's degree in school psychology

- Must be a minimum of 21 years old.
- Must possess, or be able to obtain from, or be in process with, the Colorado Department of Education (CDE) for a Colorado special services license and NCSP preferred.
- Ability to interpret and communicate student data
- Experience with PBIS, MTSS and restorative practices as well as Trauma-Informed schools care.
- Strong systems orientation and commitment to follow-through
- Prior experience in a K-8 setting

We seek a talented educator who can inspire students and teachers, and be inspired by our mission – “where science and imagination take flight.” The successful candidate is expected to deliver dynamic learning experiences with high educational expectations and accountability.

Specifically, we seek:

- the ability to work collaboratively,
- excellent communication skills,
- a willingness to work closely with students, staff, and families

Overview of School

Flagstaff Academy is a Pre-K through grade 8 public charter school located in Longmont, Colorado and is affiliated with the St. Vrain Valley School District. We are a fiscally sound and responsible charter school with a vision for excellence and longevity. In operation since 2005, we have gained a national reputation for excellence in academic education especially in science, mathematics, arts, and technology. We boast a qualified staff and low turnover of our professional faculty. Our students go on to the highest echelon of public and private high schools in the area. Teacher salaries are competitive and subject to expertise and experience. Flagstaff Academy is an Equal Opportunity Employer (EOE). The Vision of Flagstaff Academy is to develop students who are equipped to be well-rounded, ethical leaders in the world community with a foundation based on science and technology.

Flagstaff Academy's Mission is to:

- Provide a K-8 Core Knowledge-based education with a science and technology focus that challenges students to achieve their academic potential.
- Supply opportunities for scientific and technological exploration.
- Pursue excellence in every student and employee.
- Promote, value, and recognize academic achievement and creativity.
- Welcome a diverse student population.
- Respect the individual, classroom, school, community, and world.
