

ESPERANZA HIGH SCHOOL

WHERE EXCELLENCE IS A TRADITION

Esperanza High School, home of the Aztecs, opened its doors in 1973 to serve the needs of a growing community. The Esperanza attendance area was largely citrus groves and cattle grazing land. The school's population has grown from 923 students in 1973 to over 1,800 students today. The area served by Esperanza includes portions of the cities of Anaheim, Yorba Linda and Placentia as well as a section of unincorporated county territory. This is primarily a residential area with several small shopping centers and some commercial development. There is one narrow strip of light industry and a few remaining patches of truck crop agriculture.

The physical plant has changed greatly since 1973. Science labs have been added and the Information Center has been enlarged to accommodate student needs. In 2004 and 2007 classrooms on the Main campus and on West campus went through extensive modernization with advanced technology added to each room. In 2010, the Main Office was updated, and we unveiled our new gym, sports training facility, all-weather football field and track, Choir room and Band room.

The Freshman Focus campus, formerly known as West Campus, is open to only 9th grade students for break and lunch. 9th grade students have the option as to which side of the campus they'd like to spend their breaks.

Esperanza is proud of its rich history and we continue to hold true to our motto, "Where Excellence is a Tradition."

EHS Students and Parents,
Welcome to Esperanza High School, the home of Aztec Pride. We are excited to welcome the class of 2022 and are confident that you will all look amazing in your **Aztec colors!**

The Aztec Student Handbook reflects the standards and expectations adopted by all of the comprehensive high schools in the PYLUSD. This Handbook will be the tool to guide you from your freshman year through graduation.

We encourage all of our students to take advantage of the many extracurricular activities and experiences that are available at EHS. These opportunities will enhance the entire educational experience and memories that will be created over your four years of high school. The Aztec Pride is a tradition that we are proud of and are confident will continue for years to come.

Here at EHS, we consider our parents to be our partners in the educational process. We encourage our parents to be involved with campus activities whether it is supporting your students in their activities, joining the PTSA, being a member of a booster club or volunteering for the many opportunities on campus. Should you have questions throughout the next four years, we encourage you to reach out to the staff and our administrative team. Our goal is always open communication.

This is an exciting time and we wish you a successful high school experience.

“Where Excellence is a Tradition”

Commitment to Academic Excellence

Esperanza High School believes that schools have the responsibility to teach students the basic skills to be successful in life. However, educating students is a three-way responsibility shared by each individual parent, the student, and the school. **Without all three parties cooperating, success will be limited.**

Esperanza High School has a commitment to provide the necessary resources for a sound secondary school program. In turn, students and parents must fulfill certain commitments if the student is to gain the maximum benefits from the school program. We believe that the parent, student, and school commitment should be as follows:

Parent Commitment

1. Insist that your child attend school every day unless illness or a family emergency occurs.
2. Telephone the school Attendance Office when your child is going to be absent. Send a note when your child returns from an absence, when a call is not made.
3. See that your child gets the appropriate amount of sleep on school nights to be attentive and alert in class.
4. Provide a meal for your child before he/she comes to school each day.
5. Provide **uninterrupted** study time and reading time each school night for your child.
6. Check with your child daily regarding homework assignments and monitor completion of assignments.
7. Immediately contact teachers to request a conference if there is a question concerning your child's progress or lack of homework.
8. Consistently check your child's progress with Aeries to be aware of your child's progress and attendance: <https://portal.pylusd.org/>
9. If you have any questions please contact the teacher through the Esperanza website: <http://www.esperanzahs.net/>

Student Commitment

1. Attend assigned classes every day unless illness or a family emergency occurs.
2. Complete and turn in all class assignments on time.
3. Bring the required materials to class each day.
4. Seek immediate assistance from the teacher when class assignments are not understood.
5. Be attentive in class to the instruction occurring. Be committed to gaining the best education possible.
6. Give total effort to learning the material taught in each assigned class.
7. Follow all school rules and regulations.
8. Seek the assistance of teachers, counselors, and school personnel when academic or personal problems occur which inhibit learning.
9. Check Aeries constantly to be aware of your progress.

School Commitment

1. Employ well-qualified staff who know their subject matter and who understand the sociological, physiological and psychological make-up of young adults.
2. Provide a good learning environment.
3. Provide the proper curriculum to meet student needs.
4. Provide materials and equipment necessary for proper instruction.
5. Provide a safe environment where students can attend school without fear.
6. Establish and administer reasonable rules and regulations regarding student behavior.
7. Provide parents with regular reports on their student's attendance, academic progress, and school behavior.
8. Provide appropriate, varied classroom learning opportunities to encourage academic progress.
9. Provide appropriate, varied homework assignments to facilitate and enhance learning.

College Entrance Exams: SAT and ACT

Go to www.collegeboard.com to register for the SAT I and SAT II. Go to www.act.org to register for the ACT. The Esperanza High School School code is 050093. Both CSU & UC require the test(s) to be taken no later than December of your senior year.

Some impacted colleges require the test(s) to be taken earlier. Contact the college of your choice to be certain of their deadlines. It is recommended that you take the test(s) at the end of your junior year and/or the beginning of your senior year.

NOTE: Many UC and CSU campuses are impacted, and some majors at some campuses are highly competitive and can only accept a limited number of students each year. For acceptance to these campuses and into these majors, students must possess academic qualifications that go well beyond the minimum admission requirements summarized above.

COMMUNITY COLLEGES

Any high school graduate or any adult 18 years of age or over, who can show evidence that he can benefit from the instruction, may be admitted to the community college.

Math and English placement tests must be taken at the college to determine proper placement in basic subject areas.

Community Colleges offer three types of programs:

1. Lower division work for transfer as a junior to a four-year college.
2. Two-year certificate programs.
3. Make-up for students with high school deficiencies.

Applications to community colleges are generally available beginning in February and are accepted by the schools starting March 1st. See college website or your counselor for more information.

PRIVATE COLLEGES

Private colleges vary in their entrance requirements. It is important that you check their catalogs very carefully. Discuss your situation with your counselor. You must determine whether you will meet entrance requirements; it is wise to apply to more than one college since you may not be accepted by your first choice.

MILITARY ACADEMIES

U.S. Air Force, U.S. Merchant Marine, U.S. Army, U.S. Naval, and U.S. Coast Guard are the available military academies. (U.S. Coast Guard applicant procedures are different from below. See your counselor for details.)

If a student would like to attend one of the service academies, the following must be completed:

1. Complete application on or before September of the year prior to high school graduation. Preferably the student should begin the application for nomination procedures in March or April of their Junior year.
2. Be at least 17 years of age and not have passed their 22nd birthday.
3. Be a resident of the 15th Congressional District.
4. Be of good moral character.
5. Be unmarried or never have been married.
6. Be in the upper third of his class and score above 1800 on the SAT.
7. Not be suffering from an obvious physical defect that is not correctable.

Nominations are based upon scholastic aptitude, counselor recommendation, a personal interview by the Service Academies Review Board, and competitive selection by the academy.

Steps for Completing the Community Service Requirement

The following procedures are to be followed by the student in order to successfully fulfill the 40 hour community service requirement:

Students must have completed a minimum of 30 hours prior to their Senior year in order to obtain a lunch pass.

1. Student Packet: All information outlining the Community Service program and requirements are available on the Esperanza website: <http://www.esperanzahs.net/>, listed under the "Counseling" tab. This includes information on how to locate acceptable agencies from which students may choose and all documentation procedures. This information needs to be shared with parents. Printed copies are available upon request.

2. Permission Form: The permission form is available on the Esperanza website (counseling, community service) and it is required that all incoming 9th graders or new Esperanza students sign and returned the form during "Taking Care of Business" week. If this did not happen, then one must be picked up, signed, and returned by the student to the Attendance Office as quickly as possible. Students entering Esperanza after August will be given the permission form at the initial counseling appointment. Community service may not begin until the signed form is returned.

3. Selecting an Agency/Organization: Community service is work performed with a **non-profit organization for which you receive no pay**. Organizations should be selected from flyers displayed on the Community Service Bulletin Board located in the Attendance Office, or the school website <http://www.esperanzahs.net/>. Students may choose service opportunities not listed in the Guide as long as they meet all criteria stated on this page. Any student who is completing community service through a court probation program may not use those hours to fulfill the graduation requirement. Also, community service performed for family members, for-profit businesses, or private individuals will not count toward the community service requirement. When a student is unsure of the acceptability of an organization, always check with the Community Service Coordinator prior to beginning.

4. Contacting the Agency: Students are responsible for contacting the agency to determine days and times to perform the service. See the "*How to Get Started*" section to assist you.

5. Community Service Verification Form: Students are responsible to complete the top half of the Community Service Verification form. At the end of the service activity, the bottom half of the form is to be filled out and signed by the individual at the agency who supervised the student. The completed form is turned in to the Community Services Coordinator **within 30 days of completing the activity**. Many students choose to serve their hours for the same organization over a long period of time. CS Verification forms need to be turned in on a monthly basis in order to receive credit. Please remember to keep a copy for your records.

6. Falsifying Documents: Community service documents that have been falsified in any way will result in school suspension and may also include the loss of graduation privileges or school transfer.

7. Awards - Community service hours can be used to enhance college applications and create scholarship opportunities. See your counselor for more details.

Regional Occupational Program (R.O.P.)

North Orange County R.O.P.
385 N. Muller St. Anaheim, CA 92801
(714) 502-5858

What is ROP?

ROP stands for Regional Occupational Program and is an important part of the course offerings at Esperanza High School. North Orange County ROP also offers free, hands-on job training, career guidance planning, and job placement assistance to all students 16 years old and older. A current ROP schedule of classes can be found on the ROP website www.nocrop.us.

Why should I take ROP classes?

- Earn credits towards graduation
- Learn skills to prepare for a career
- Help decide on a major in college
- Some classes meet UC/CSU college entrance requirements

Where are ROP classes located?

- At Esperanza campus
- At local area high schools
- At ROP sites

How/when do I sign up?

- At registration in the spring, or at “Back to School Days” in August
- At the beginning of each semester, [see your counselor or Ms. Gullotti in Counseling](#)
- Many ROP classes offer open enrollment during the first and third quarters.

How can I take an ROP class if I already have a full schedule?

- Some ROP classes at Esperanza are offered after school (see next page)
- Many ROP classes are offered in the late afternoon and evenings

How are credits earned?

- Students earn 1 credit for every 15 hours they spend in the classroom (75 hours = 5 credits); Seniors enrolled in Work Experience class also receive 1 credit for every 30 hours they work
- Unlike traditional Esperanza classes where a student is guaranteed 5 credits for passing a class, *ROP gives variable credits... attendance is crucial!*

Academic Recognition Programs

Principal's Honor Roll

Each semester students will be recognized with a Principal's Honor Roll Certificate of Achievement based on a unweighted grade point average of 3.50-4.00. They will receive their certificates approximately two weeks after the end of the first semester. Students will receive their second semester certificates in the fall.

Valedictorian/Salutatorian:

The Valedictorian will be the student in the senior class with the highest weighted academic GPA after seven semesters. The Salutatorian will be the student with the second highest weighted academic GPA after seven semesters. If circumstances justify, the principal may designate co-valedictorians and/or co-salutatorians.

Aztec of the Year:

This award is given to the senior who has gone above and beyond in all areas at Esperanza. He/she is considered to be a top all-around student in academics, extracurricular activities, leadership, character, community service, etc. Students are nominated by teachers and the top five students are recognized as nominees at the Senior Awards ceremony. The winner is determined by staff vote.

Spirit of Esperanza:

This award is given to the senior who most embodies school spirit at Esperanza. He/she can be regularly seen at school events showing their spirit, has a positive attitude, demonstrates strong character and is a role model to other students. While he/she may not have the highest GPA in the class, he/she is able to make academics a priority while still being involved in campus and community activities. Students are nominated by teachers and the top five students are recognized as nominees at the Senior Awards ceremony. The winner is determined by staff vote.

Distinguished Scholar

The Distinguished Scholar program is a prestigious program designed to recognize students who take the most rigorous academic program offered. Students need to apply yearly to be recognized for their accomplishments. Students who complete all Distinguished Scholar requirements will be recognized at graduation and receive a special diploma. Please refer to the school website for more information about the application process.

Varsity athletes with a total weighted GPA of 3.5 or higher receive this recognition.

Our Honors Criteria is available in the counseling office. Students can see their counselor if they are interested in taking an Honors or AP class.

EHS Policies, Procedures, and Regulations

COURSE PROGRAM CHANGES

Students are encouraged to work out their class schedules with counselors, teachers and parents prior to registration, as it will be difficult to make program changes after the semester begins. The following dates will be observed regarding program changes during the 18 week semester:

Administrative Regulation 5125.1

1. Student initiated changes for schedule errors and improper class placements will be made during the **first two weeks of the semester**. After two weeks, only ROP or Instructional Aide may be added, if available. New classes will not be added after this time, except by administrative action.
2. Student initiated class drops may be made up to the end of the first and third quarter grading period without the grade being recorded on the transcript. After these grading periods a "W" (withdrawal), followed by a letter grade which describes the student's performance, will be affixed ("W-A", "W-B", "W-C", "W-D", "W-F") on the permanent record card.
3. Students cannot initiate a class change or drop during the **last three weeks** of the semester, (16th, 17th and 18th weeks.)
4. School initiated changes related to class placements of class withdrawals will be made at the discretion of the principal or his designee. Poor attendance, poor classroom behavior and/or violation of school rules are example of criteria for school initiated schedule changes.
5. School initiated class drops will have designated a "W-F" (withdrawal-failing) on the transcript and the date of the action.

ATHLETIC CLASS CHANGE

If a student quits or is removed by the coach from a team; he/she can not transfer into another sport until the current season is over. Once a sport season ends the student has two days to report to the Athletic Director for clearance into another sport and then report to his/her counselor for a schedule change. Failure to do so may result in loss of P.E. credits.

TEXTBOOKS

Textbooks are issued free of charge to students. Students are responsible for the care and return of these books. Students will be charged accordingly if books are lost, stolen or damaged beyond normal wear.

HOMEWORK

Students should be prepared to spend an average of thirty minutes per day doing homework for each course taken. Honors and AP students will have approximately one hour per day per class. In most cases, this will average ten hours of work per week and some weekend study time. Projects, semester notebooks and other such long-term assignments will not be included in the regular allotment of time. If a student does not appear to have sufficient homework to meet the minimum standard as stated above, parents are urged to contact his/her teacher or counselor to discuss the situation.

HOMEWORK IN CASE OF ABSENCE DUE TO ILLNESS

A great deal of time and effort is required to prepare homework assignments for students who are absent. For that reason, **a student must be absent three (3) days with more absences anticipated before homework assignments can be requested from the teacher.** Parents should contact the Attendance office at 714 986-7540 x 13030 to request homework. It is necessary that a **24** hour notice be given to teachers in order to prepare homework. If the duration of the illness will be lengthy (four weeks or more) parents should contact the Counseling Office regarding the home teaching process. No homework is requested for students missing school due to vacation or business. Checking the student's Aeries program will also allow you to find daily assignments on-line.

MAKE-UP WORK

The students of Esperanza High School are responsible for the work missed during an absence. **Students may not make-up any homework or tests missed due to a class cut or truancy.** Work being made up should not be considered a form of punishment, but rather as a conscientious effort on the part of the teacher to assist the student in maintaining his level of achievement, and on the part of the student to meet his responsibilities. Make-up work will be graded as any other work. If a student has been absent for disciplinary reasons, the action should be reflected in the citizenship grade, if that student has otherwise met the requirements of course. The following are suggested guidelines for classroom make-up work. For short absences; one, two or three days; it is suggested that work be made up within a week's time. For long absences, an agreement should be reached between the teacher and student and parent(s) as to the due date for the make-up work. This should be an adequate but not excessive period of time. Required work not completed within established timelines will become an "F". Ed Code 48205 (b) states that tests and assignments shall be reasonably equivalent to, but not necessarily identical to, the tests and assignments that the pupil missed during the absence.

SCHOOL-RELATED ABSENCES

It is the student's responsibility to check in with their teacher **prior** to leaving for the school event. It is also the student's responsibility to pick up or turn in missed homework and class work and schedule a time with the teacher to make-up any missed tests or quizzes.

INDEPENDENT STUDY/FAMILY VACATION

If a student is expecting to be absent from school for 5 or more days the parent/guardian must make arrangements with the Attendance Office to request a contract to acquire assignments for the days the student will be absent. All assignments are due the day the student returns from vacation. **Vacations are not an excused absence** from school per the California Education Code and will be reflected in the student's attendance record as a "U" – unexcused verified absence.

ONLINE COURSES

The following process is required to enroll in an Online Course:

- The student contacts their counselor with a request to take an online course
- The reason for the request must meet one of the following criteria:

Remediation

Advancement to next level (electives)

Impacted schedule (electives)

- If appropriate, the student may download the required forms from the Counseling portion of the school website labeled “Internet Independent Study” for the student/parent to complete and return to the Counselor.
- Esperanza’s Assistant Principal of Student Services approves or denies the request. The student will then be notified of the status of their request.
- If approved the student enrolls in and completes the course.
- The course will be added to the student’s Esperanza High School transcript when an **official** transcript is received from the online provider. It is the responsibility of the student/parent to determine whether or not the course meets university and/or NCAA requirements and to arrange to have an official transcript sent to Esperanza.

Student athletes are encouraged to inquire about the new NCAA regulation restrictions for taking online courses by visiting the online NCAA Eligibility Center. Remember to tell your counselor if you are planning on being an athlete in college.

PROCEDURE FOR RESOLVING CLASSROOM CONCERNS

Communication is the key to resolving concerns in the classroom. If your student’s concerns have not been resolved by speaking directly with their teacher, the following are the steps parents should take to resolve issues:

1. Contact the teacher for a telephone conference or an appointment to discuss your questions or concerns personally.
2. Contact your student’s counselor for additional assistance.
3. If the problem persists, contact the Assistant Principal.
4. If the above steps have failed to resolve the problem, please contact the Principal.

MONITORING STUDENT PROGRESS

AERIES allows students and parents to monitor progress on a daily basis. It also allows for easy access to email the teacher, check attendance, print grades and check on homework completion. The student’s AERIES number will follow the student throughout their enrollment in the district. Please contact Amy Austin in the front office (x13002) or by email (aaustin@pulusd.org) if you need assistance with your AERIES account.

LOST AND FOUND

Articles that are found on campus will be sent to the lost and found in the Attendance Office. These articles will be kept until the close of school in June. After school has closed, the remaining articles will be donated to charitable organizations.

HALL PASSES

Students must have a hall pass in order to leave the classroom during the class period. Students that are detained for any reason should request a hall pass to avoid being marked tardy in the following class.

CLOSED CAMPUS

Our campus is closed to all students. Permission to leave campus during the school day can only be authorized by parents/guardians and cleared through the Attendance Office.

STUDENT PHOTO ID CARDS

Students are required to have an Esperanza High School photo ID card in their possession at all times for safety and security purposes while on campus or at school events. Failure to provide an ID card may result in detention hours.

VISITORS AND GUESTS

ESPERANZA HIGH SCHOOL IS A CLOSED CAMPUS. ALL visitors must report to the front office before entering campus. Visitor passes are required for all visitors who are permitted to remain on the campus. **Visitor passes are not issued to high school age visitors.** Teachers shall allow no one but regularly assigned students or adults with a visitor pass in their class. Guest passes are required for activity programs and will be issued by the Assistant Principal of Student Services in accordance with procedures set forth in the student handbook. **Violators are subject to arrest per 653(G) of the penal code.**

TRANSCRIPTS

Students who are college-bound will need official transcripts sent to colleges as a part of the application process. Please use Parchment, an electronic transcript service (www.Parchment.com) to send official transcripts. You are able to order secure transcripts with ease and 24/7 convenience of the Web. Most colleges in the U.S. are going paperless and will soon **only** be accepting transcripts online. Once you order a transcript on Parchment, EHS will release your transcript and you will receive an email from Parchment that the transcript has been sent and received to the college of your choice. No more guessing if your transcript was ever received.

NUTRITION/LUNCH POLICY

Students are expected to respect the campus and maintain a safe environment. In an effort to facilitate supervision and cut down on the amount of custodial time devoted to trash pick-up, students will eat their food in the designated eating areas. We solicit your support and cooperation in contributing to a cleaner environment.

RULES AND REGULATIONS

1. Students are to eat food **ONLY** in the designated areas on campus. Eating in school buildings will **not** be permitted. Students cannot eat in out-of-bounds areas, which include parking lots, fields, athletic courts, driveways, or other designated areas.
2. Students are expected to deposit trash in the receptacles provided.
3. Students are not to be inside buildings during lunch unless directly supervised by a staff member.

P.E. LOCKERS

Students are issued lockers for the purpose of storing P.E. clothes only and are the property of the school district. Since it is the school's duty to maintain safety, order and discipline, locker contents, book bags and gym bags are subject to "search and seizure" when a school official has reasonable suspicion that a student possesses evidence of illegal activity, or activity that would interfere with school discipline and order. **Please store valuables in lockers. EHS assumes no responsibility for items left unsecured (i.e. book bags, electronic devices,**

purses left on locker room floors or on top of lockers) by students.

NOTICE TO STUDENTS, PARENTS AND STAFF REGARDING THE USE OF CAMERA SURVEILLANCE ON SCHOOL PROPERTY

In an effort to maximize the safety of our students, staff and visitors, and for security purposes, Placentia-Yorba Linda Unified School District employs camera surveillance equipment on high school campuses. Surveillance cameras will generally be utilized only in public areas where there is "no reasonable expectation of privacy." Public areas may include school buses, building entrances, hallways, parking lots, lunch areas, and front offices where students, employees, and parents come and go. It is not possible, however, for surveillance cameras to cover all public areas of district buildings or all district activities. District surveillance cameras will not be installed in "private" areas such as restrooms, locker rooms, changing areas, private offices or classrooms.

Academic Honesty Policy

Esperanza High School students are expected to take pride in their achievements. Students must rely on their own talents and abilities to complete academic work at a level in which they take pride. Any attempt to shortcut this process undermines the learning process, destroys student integrity, and weakens the trust essential to a positive student/teacher relationship. Academic dishonesty usually involves an attempt by a student to show a level of knowledge or skill which he/she, in fact, does not possess. Any student who seeks to gain a dishonest advantage over his/her fellow students is pursuing a course which is unacceptable to both peers and society.

In an effort to protect the rights of honest students and foster a sense of responsibility for personal conduct Esperanza High School has adopted this academic honesty policy. Promoting honest behavior is a responsibility shared by the school and parents. It is the responsibility of the students, parents, teachers, and administrators to prevent academic dishonesty. It is the responsibility of the teacher to determine whether or not a violation has occurred and to take the appropriate actions.

Academic dishonesty is the act of participating in obtaining or attempting to obtain credit for work by the use of dishonest, deceptive, fraudulent, or unauthorized means. Collaborative studying is not academic dishonesty when specifically permitted or required by a teacher. Examples of academic dishonesty include, but are not limited to the following:

- Copying another student's homework, lab report or data. (Copying includes using another person's verbal response to a question as an original answer.)
- Sending, sharing, viewing, or possessing pictures, text messages, emails of any academic work, classroom assessments, state testing, Advanced Placement testing, PSAT testing, etc.
- Unauthorized using of textbooks, notes, computer programs or written aids during an examination.
- Looking at another student's paper or talking during an examination.
- Helping another student to cheat on an examination or assignment.
- Writing formulas, codes, or keywords on one's person or objects for use during an examination.
- Exchanging answers with other students, either before, during, or after an examination.
- Taking someone else's assignment and submitting it as your own.
- Plagiarizing any material without giving the author/artist name and/or source.
- Using material from the Internet without clearly identifying it as such.
- Submitting or using falsified data or records.
- Not following additional specific guidelines on cheating as established by department, class, or a teacher.
- Providing material to be used in a dishonest manner, such as providing homework answers for copying.
- Changing the grade or score of an assignment.

PYLUSD High School Student Behavior Expectations & Code of Conduct

A goal of the Placentia-Yorba Linda Unified School District is to assist each student to become productive and an effective citizen in our democratic society. We are confident that the vast majority of students will work toward this goal by respecting the rights of others, respecting personal and school property, and by practicing acceptable patterns of behavior and courtesy.

The purpose of the Code of Conduct is to ensure a safe and orderly educational climate conducive to learning. Students are expected to demonstrate responsible behavior that does not interfere with the safety, well-being, or educational opportunities for themselves or others.

In an effort to support the positive actions of the vast majority of students, disciplinary action will result when students fail to conduct themselves in an acceptable manner. A student may be disciplined for acts that are related to school activities which occur at any time including, but not limited to, any of the following:

- While on the grounds of any PYLUSD campus
- While going to or coming from home to school
- Off campus during school hours
- During, or while going to or coming from, a school sponsored activity

SEARCH AND SEIZURE

In an ongoing effort to maintain a safe and secure campus, the law provides school officials with the right to search students, their possessions, and their automobiles when they have a “reasonable suspicion” that a student may be in possession of contraband or dangerous objects. Reasonable suspicion may also warrant school officials’ use of a metal detector to identify concealed weapons or a breathalyzer to determine if a student is under the influence of alcohol. We hope all students will be cooperative as the school official(s) will make every attempt to be unobtrusive and respectful of privacy. Students should be aware that grounds for suspicion commonly includes being “out-of-bounds” without permission or a report by another student, parent, or staff member of possession of contraband or dangerous objects. Students should also be aware that they will be held responsible for any contraband or dangerous objects found in their possession as it will be considered their property. If a student should discover contraband or dangerous objects on campus, he or she should go directly to the Assistant Principal or other staff member and report it without delay. (Education Code 49050)

ATTENDANCE PROCEDURES

Tracking your student’s daily attendance, grades, homework assignments and contacting teachers is easy to do with the AERIES student system available to parents and students. Please see Mrs. Austin in the front office in person, or email her at aaustin@pylUSD.org if you need assistance with obtaining log-in information.

The goal of EHS is to assist each student to become a productive and effective citizen in our democratic society. We believe that a quality education will benefit the student in his or her future endeavors. In our experiences we have found that there is a direct correlation existing

between a student's attendance habits and his or her academic success. It is vitally important that students attend school on a **consistent basis**. The PYLUSD Attendance Policies have been established to provide motivation for our students to be in attendance so that they may achieve their full potential.

If a student is absent one or more days, the student must clear the absence in one of the following ways:

1. It is highly recommended that parents call the school the same day of the absence (714) 986-7540 ext. 13030. The parent/guardian should call in every day of a student's absence. If possible, please provide the student's ID number. A note is required when a student returns to school if the parent/guardian has not called in.
2. If a student returns to school after an absence and the parent did not call in the previous day, he/she must be in the attendance office with a note prior to the start of the school day or they may be marked tardy to first period and may be subject to a teacher detention.
3. If the student does not have a verified excuse, either a call by a parent or a written excuse signed by a parent, the student may have to take a temporary truancy. The student will have **48 hours** to clear the temporary truancy before it becomes a permanent truancy.

Excused absences will be issued for the following reasons:

1. Personal Illness
2. Medical, dental, optometric, or chiropractic services
3. Funeral services for a member of the immediate family
4. Jury Duty
5. Observation of religious holiday

All students must show their EHS Student ID card at the Attendance Office when clearing an absence or obtaining and off-campus pass. Failure to show EHS Student ID card may result in detention hours.

AUTOMATED PHONE CALL

An automated phone call will go out daily whenever a student is marked absent two or more periods. It is the responsibility of the parent/guardian to ensure absences are cleared. Parent/guardians are able to check attendance through the Aeries System.

EXCESSIVE EXCUSED AND UNEXCUSED ABSENCES

When a student accumulates absences the following interventions will take place:

Absences 1 - 7	Parent Contact
Absences 8 - 9	Excessive excuse notification to parent by mail
Absences 10 - 14	Parent invitation to Student Attendance Review Team (S.A.R.T.)
Absences 15 - 19	Parent invitation to District Attendance Review Team (D.A.R.T.)
Absence 20	Truancy intervention process initiated by the Student Services Office and all future absences will be marked truant (Code R) unless documented (Code D)

ANTICIPATED EXTENDED ABSENCES

Students planning to be absent for more than five days, should notify their counselor to initiate the short-term independent study process. Extended absences may not exceed ten days.

OFF-CAMPUS PASS

For a student to leave the campus while school is in session, the student must have an Off-Campus Pass. The student will need to present that Off-Campus Pass when they return from the absence. For planned absences, the student must have a note signed by a parent. In the event of a personal or family emergency, the counseling or attendance office must get approval from a parent, or his/her designee, before the student may leave the campus. Please remember that phone calls for parent pick-up may delay the release of the student due to unforeseen circumstances. If the student leaves without an Off-Campus Pass, the student will be truant and will not be allowed to clear the truancy. Off-Campus Passes will be issued (except for emergency reasons) before school, during break, and at lunch from the Attendance Office.

Notes or phone calls for Off-Campus passes are not accepted from

11:45 a.m. - 12:15 p.m. due to the high volume of activity in the attendance office immediately prior to lunch time. Students requesting to leave between

11:45 a.m. - 12:15 p.m. must be signed out in-person by the parent/guardian.

AGREEMENT FOR STUDENTS 18-YEARS-OF-AGE

Students who are 18-years-old may be allowed to excuse their own absences. A parent/guardian and the 18-year-old student must sign a release form in the Attendance Office. This MUST be done in person with verification by picture identification. The 18-year-old will have authorization to write his or her own notes to excuse any classes missed. They may also obtain an Off-Campus Pass from the Attendance Office. We reserve the right to revoke this agreement if it is abused.

EXCUSE TO OBTAIN CONFIDENTIAL MEDICAL SERVICES (EC §46010.1)

Students may be excused from school for the purpose of obtaining confidential medical services, without the consent of the student's parent/guardian.

It is our hope that students will make good choices and be able to participate in all the school has to offer.

HEALTH SERVICES AND MEDICATION DURING SCHOOL

The school does not have a school nurse on campus; however, there is a Health Clerk on campus for a limited time each day. There is a school nurse that covers the health needs at each school and communicates frequently with the Health Clerk. Please contact the Health Office if you would like to be contacted by the school nurse. Please indicate health issues on the Health Card or contact the school Health Office. Ill students cannot be sent home without parent/guardian permission, or that of another adult so designated by the parents on the Emergency Data Card and/or Health Card. **STUDENTS CANNOT BE DRIVEN HOME BY ANOTHER STUDENT WITHOUT THE PERMISSION OF THE PARENTS OF BOTH STUDENTS INVOLVED.**

Although state law no longer prohibits students from possessing or using electronic devices, restrictions of their use on a school campus must exist to ensure such use does not infringe upon the rights of others or interfere with classroom instruction or other school activities.

The school does not encourage student possession or use of electronic devices on campus and does not assume liability if such devices are damaged, lost, or stolen. Electronic devices shall remain turned off during class time unless teacher approval is given. In addition, any school employee who observes an incident of sexual harassment involving a student shall, within one school day, report his/her observation to the principal or a district compliance officer. The employee shall take these actions, whether or not the alleged victim files a complaint.

When a report or complaint of sexual harassment involves off-campus conduct that did not occur in the context of a school related activity, the principal shall assess whether the conduct may create or contribute to the creation of a hostile school environment. If he/she determines that a hostile environment may be created, the complaint shall be investigated and resolved in the same manner as if the prohibited conduct occurred at school.

When a verbal or informal report of sexual harassment is submitted, the principal or compliance officer shall inform the student or parent/guardian of the right to file a formal written complaint in accordance with the district's uniform complaint procedures. Regardless of whether a formal complaint is filed, the principal or compliance officer shall take steps to investigate the allegations and, if sexual harassment is found, shall take prompt action to stop it, prevent recurrence, and address any continuing effects.

If a complaint of sexual harassment is initially submitted to the principal, he/she shall, within two school days, forward the report to the compliance officer to initiate investigation of the complaint. In investigating a sexual harassment complaint, evidence of past sexual relationships of the victim shall not be considered, except to the extent that such evidence may relate to the victim's prior relationship with the respondent.

In any case of sexual harassment involving the principal, compliance officer, or any other person to whom the incident would ordinarily be reported or filed, the report may instead be submitted to the Superintendent or designee who shall determine who will investigate the complaint.

Confidentiality

All complaints and allegations of sexual harassment shall be kept confidential except as necessary to carry out the investigation or take other subsequent necessary action.

However, when a complainant or victim of sexual harassment notifies the district of the harassment but requests confidentiality, the compliance officer shall inform him/her that the request may limit the district's ability to investigate the harassment or take other necessary action. When honoring a request for confidentiality, the district will nevertheless take all reasonable steps to investigate and respond to the complaint consistent with the request.

When a complainant or victim of sexual harassment notifies the district of the harassment but requests that the district not pursue an investigation, the district will determine whether or not it can honor such a request while still providing a safe and nondiscriminatory environment for all students.

Response Pending Investigation

When an incident of sexual harassment is reported, the principal or designee, in consultation with the compliance officer, shall determine whether interim measures are necessary pending the results of the investigation. The principal/designee or compliance officer shall take immediate measures necessary to stop the harassment and protect students and/or ensure their access to the educational program. To the extent possible, such interim measures shall not disadvantage the complainant or victim of the alleged harassment. Interim measures may include placing the individuals involved in separate classes or transferring a student to a class taught by a different teacher, in accordance with law and Board policy. The school should notify the individual who was harassed of his/her options to avoid contact with the alleged harasser and allow the complainant to change academic and extracurricular arrangements as appropriate. The school should also ensure that the complainant is aware of the resources and assistance, such as counseling, that are available to him/her. As appropriate, such actions shall be considered even when a student chooses to not file a formal complaint or the sexual harassment occurs off school grounds or outside school-sponsored or school-related programs or activities.

In addition to those procedures, for complaints of sexual harassment, the following steps will also be included:

Complainant requests to remain anonymous will be honored but the district will inform the complainant that this request may result in a limited investigation and/or actions the district can

take. When honoring a request for confidentiality, the district will nevertheless take all reasonable steps to investigate and respond to the complaint consistent with the request.
