SISD Transportation Handbook

2018 - 2019

Shepherd Independent School District Transportation Handbook

Shepherd Independent School District provides bus transportation to and from school for eligible students residing in the district. The State of Texas statute defines eligibility for student riders and provides the funds by a district allocation. Students living within the district are eligible to ride the bus to and from school. Address eligibility is audited year round, and when an address is found to be ineligible, the parent is notified. The **State of Texas** has determined a child will have only **one permanent address for pick-up and drop-off**. [Education Code Title 2. Public Education, Subtitle F. Curriculum, Programs & Services, Chapter 34. Transportation Sec. 34.007 b. (2)]. We will not pick up or drop off at any place of business.

Shepherd ISD's primary objective is the transporting of eligible bus riders in a safe, prompt manner. Regulations, procedures and consequences for violations are clearly defined in this handbook. All county roads will be traveled during inclement weather. However, any non-county maintained road will not be traveled if deemed unsafe by transportation department and the driver. Arrangements need to be made by the parent to meet the bus in a safe place. If it becomes necessary to change your child's route, parents will be notified by a letter and/or phone call. Please keep contact numbers up to date with your driver.

Children with a continual lice problem will not be allowed to ride the bus until clear for three (3) consecutive school days. Parents are required to bring the child to school and if they are free of lice they will be permitted to ride the bus home.

Students placed in Disciplinary Alternative Education Program will not be allowed to ride on school transportation.

If your student misses the bus, you will need to provide transportation. In emergency situations, please call the Transportation Office (936-628-2920)

If you need information concerning student misconduct on the bus, contact the assistant principal at the campus. If you wish to set up a conference with your bus driver, please call the Transportation Office.
